WAC 363-116-070  Collection of fees. All pilots shall pay an annual license fee of six thousand five hundred dollars or such amount as may be set by statute for every year in which they perform any pilotage services. If a licensed pilot does not perform pilotage services during a license year, his/her fee for that year shall be reduced to one thousand dollars upon application to the board. The board of pilotage commissioners shall receive all fees for licenses or for other purposes and make proper accounting of same and transmit all such funds to the pilotage account.
