WAC 363-116-35001   Exemption from provisions of WAC 197-10-800.
The board of pilotage commissioners of the state of Washington has re-
viewed its authorized activities and found substantially all of them
to be exempt from the provisions of chapter 197-10 WAC, with the ex-
ception of authority supplied by the 1975 legislature to the board re-
specting additional tug shaft horsepower equivalencies which is a part
of the "tug escort" 1975 amendments by chapter 125, Laws of 1975 1st
ex. sess.

There is presently no intent to exercise this authority. Addi-
tionally, said act is currently under constitutional challenge. Thus,
the board indicates its intent that if, and when, any authority should
be exercised pursuant to this provision, it would do so consistent
with the guidelines contained within chapter 197-10 WAC insofar as
practicable. (The referenced chapter being the regulations developed
by the council on environmental policy.)
