

WAC 388-107-0520 Tuberculosis (TB)—Declining a TB test. If staff decline a certain method of TB testing they must provide written documentation from a health care provider that the person is clear to work or reside in an enhanced services facility as evidenced by an alternative FDA approved diagnostic method used to screen for TB.

[Statutory Authority: Chapter 70.97 RCW. WSR 14-19-071, § 388-107-0520, filed 9/12/14, effective 10/13/14.]
