WAC 388-845-1650  What is a risk assessment?  (1) A risk assessment is a professional evaluation that:
   (a) Assesses a person's needs and the person's level of risk of sexual predatory behavior or aggression;
   (b) Determines the need for psychological, medical, or therapeutic services; and
   (c) Provides treatment recommendations to mitigate any assessed risk.
   (2) A risk assessment is available in all DDA HCBS waivers.
