How does DVR support the informed choice process?

DVR supports the informed choice process by providing counseling and guidance, information, and support to help you make choices that match your unique strengths, resources, priorities, concerns, abilities, capabilities, and interests, including:

1. Explaining what choices you can make throughout the rehabilitation process;
2. Assisting you to identify and get the information you need to explore the options available; and
3. Helping you understand and evaluate the options.
