WAC 388-97-2960  Outpatient rehabilitation. The nursing home must ensure that facilities with outpatient programs provide:

1. A designated reception and waiting room or area and space for interviewing or counseling individual outpatients and their families;
2. Adequate space for the program so that disruption to designated resident care units is minimized;
3. Accessible toilet and shower facilities nearby;
4. Lockers or a safe place to store outpatient personal belongings;
5. A separate room or area for hydrotherapy tanks, or the equivalent, if provided; and
6. In new construction, required access must come from the exterior without passing through the interior of the facility.
