The nursing home must design a separate room or areas for residents to have family and friends visit and for residents to spend time alone. The nursing home must ensure these areas provide:

1. Space which facilitates conversation and privacy; and
2. Access to a common-use toilet facility.

[Statutory Authority: Chapters 18.51 and 74.42 RCW and 42 C.F.R. 489.52. WSR 08-20-062, § 388-97-3720, filed 9/24/08, effective 11/1/08.]
