WAC 392-121-206 Definition—Contractor certificated instructional employee. As used in this chapter, "contractor certificated instructional employee" means a contractor certificated employee who:

1. Is employed by a contractor, pursuant to WAC 392-121-188 or 392-121-1885, to serve students claimed for basic education funding by a school district or charter school; and

2. Is employed as one or both of the following:
   a. An elementary, secondary or other teacher who instructs pupils in classes or courses; or
   b. An educational staff associate who assists, evaluates, counsels, or instructs students in a manner consistent with the employee's educational staff associate certificate.
