WAC 392-121-421 Definition—Resident student—Basic education allocation—Federal forest funds. As used in RCW 28A.520.020, resident full-time equivalent students means full-time equivalent students as defined in WAC 392-121-122, excluding:

(1) Students enrolled in school district alternative learning experience programs who reside outside the county of the school district boundaries; and

(2) Students enrolled in charter school alternative learning experience programs who do not reside in the county in which the charter school is located.
