WAC 392-121-571 Vocational indirect cost limit—Definitions. As used in WAC 392-121-570 through 392-121-578:

(1) "Program 31" means the high school vocational-basic-state program as defined in the Accounting Manual for Public School Districts in the State of Washington.

(2) "Program 34" means the middle school vocational-basic-state program as defined in the Accounting Manual for Public School Districts in the State of Washington.

(3) "Basic allocation for vocational students" means the amount of money generated by a school district's or charter school's vocational full-time equivalent enrollment in the general apportionment formula using the state funding formula factors including the grade 4-12 staffing ratios without enhancement, and using the district's or charter school's average certificated instructional district-wide staff mix factor from the district's S-275 personnel report.

(4) "Enhancement allocation for vocational students" means the additional money above the basic allocation for vocational students generated by a school district's or charter school's vocational full-time equivalent enrollment as a result of the enhanced state vocational staffing ratio and enhanced nonemployee related cost allocation for vocational students. This enhancement shall be calculated using the district-wide or charter school's average certificated instructional staff mix factor.

(5) "Vocational running start allocation" means the amount generated in the general apportionment formula by a school district's or charter school's running start students enrolled in vocational courses in a community or technical college pursuant to chapter 392-169 WAC.
