WAC 392-172A-01031  Behavioral intervention plan.  A behavioral intervention plan is a plan incorporated into a student's IEP if determined necessary by the IEP team for the student to receive FAPE. The behavioral intervention plan, at a minimum, describes:

1. The pattern of behavior(s) that impedes the student's learning or the learning of others;
2. The instructional and/or environmental conditions or circumstances that contribute to the pattern of behavior(s) being addressed by the IEP team;
3. The positive behavioral interventions and supports to:
   a. Reduce the pattern of behavior(s) that impedes the student's learning or the learning of others and increases the desired prosocial behaviors;
   b. Ensure the consistency of the implementation of the positive behavioral interventions across the student's school-sponsored instruction or activities;
4. The skills that will be taught and monitored as alternatives to challenging behavior(s) for a specific pattern of behavior of the student.
