   (a) The school district holds a meeting to develop the student's IEP within thirty days of a determination that the student is eligible for special education and related services; and
   (b) As soon as possible following development of the IEP, special education and related services are made available to the student in accordance with the student's IEP.

(3) Each school district must ensure that:
   (a) The student's IEP is accessible to each general education teacher, special education teacher, related services provider, and any other service provider who is responsible for its implementation; and

       (ii) The specific accommodations, modifications, and supports that must be provided for the student in accordance with the IEP.

(4) If a student eligible for special education transfers from one school district to another school district within Washington state and had an IEP that was in effect in the previous school district, the new school district, in consultation with the parents, must provide FAPE to the student including services comparable to those described in the student's IEP, until the new school district either:

(5) If a student eligible for special education transfers from a school district located in another state to a school district within Washington state and had an IEP that was in effect in the previous school district, in consultation with the parents, must provide FAPE to the student including services comparable to those described in the student's IEP, until the new school district:
   (a) Conducts an evaluation to determine whether the student is eligible for special education services in Washington state, if the school district determines an evaluation is necessary to establish eligibility requirements under Washington state standards; and
   (b) Develops and implements a new IEP, if appropriate, that meets the applicable requirements in WAC 392-172A-03090 through 392-172A-03110.
