

WAC 479-10-122 Qualification for the small city preservation program—Pavement condition ratings. To qualify for funding in the current program year, a city's pavement condition rating must be less than four years old on or by the application date.

For the cities' convenience, TIB staff will conduct all pavement condition ratings on a rotational basis every four years. If the city maintains their own pavement condition rating, the methods used for scoring must comply with TIB's methodology. If scores submitted by the city are substantially different than the TIB pavement scores, the difference will be resolved through an on-site review coordinated between TIB and city staff.
