

**WAC 504-14-650 Parking fees and fines.** (1) Schedules for parking fees, parking administrative fees, late payment fees, parking fines and sanctions, parking meter rates, prorated and refund schedules, and the effective date thereof are submitted to the president or their designee and to the board of regents for approval by motion; provided, however, that increases in fees and fines do not exceed limits established by the board of regents. Increases in fees and fines that do not exceed limits established by the board of regents are not submitted to the board of regents so long as the board of regents has delegated authority to the president or their designee to approve all such fees and fines. The schedules for all parking fees and fines described above for all parking fees and fines are thereafter posted in the public area of the parking office and posted on the university's parking website.

(2) Payments. Parking fees and fines may be paid at the parking office by cash, check, approved payment card, or money order. A payroll deduction plan is available for eligible university employees and eligible graduate students.

(3) The proper fee must be paid for all vehicles parking in parking meter spaces unless otherwise authorized.

(4) Refunds. Annual physical permits being relinquished must be returned to the parking office in person for a pro rata refund (if any is available) in accordance with university policy. Identifiable remnants of physical permits must be returned. In the case of annual virtual permits, the permit purchaser must notify the parking office in person or in writing that they want to relinquish the permit permissions for a pro rata refund (if any is available) in accordance with university policy. The balance of any fees and fines owed the parking office is deducted from any available refund due. Refunds for temporary permits are not granted. Refunds for pretax payroll deductions cannot be granted pursuant to federal tax laws.

(5) The parking office makes a wide array of options available in advance to university departments for use by their visitors, guests, and employees for the purpose of conducting departmental business. However, when necessary, university departments that can establish in writing that a parking ticket issued by the parking office was received as a result of parking any vehicle for the purpose of conducting official state business, or while conducting official business with the university or any entity located at the university are assessed a parking fee assessment (PFA) in lieu of the parking fine. Such requests for PFAs are signed by a department fiscal custodian. A PFA consists of the maximum daily parking fee plus an additional administrative fee for failing to purchase and provide the necessary parking permit or fee in advance or at the time of parking. University departments are encouraged to avoid additional administrative fees associated with PFAs by purchasing and storing prepaid parking permits and by making them available as the department deems necessary. Nothing in this regulation allows a university employee to receive, or attempt to receive, any benefit associated with their personal expenses in violation of the State Ethics Act. All questionable employee conduct regarding the application of this section is reported to, and investigated by, the university internal auditor. This section applies only to parking tickets issued pursuant to this chapter.
