WAC 182-511-1150 Apple health for workers with disabilities (HWD)—Disability requirements. This section describes the disability requirements for the following groups of individuals who may qualify for the apple health for workers with disabilities (HWD) program.

(1) A person age sixteen through age sixty-four must meet the requirements of the Social Security Act in section 1902(a)(10)(A)(ii):

- (a) (XV) for the basic coverage group (BCG); or
- (b) (XVI) for the medical improvement group (MIG).

(2) The BCG consists of individuals who:

(a) Meet federal disability requirements for the supplemental security income (SSI) or Social Security Disability Insurance (SSDI) program; or

(b) Are determined by the department of social and health services (DSHS), division of disability determination services (DDDS), to meet federal disability requirements for the HWD program.

(3) The MIG consists of individuals who:

(a) Were previously eligible and approved for the HWD program as a member of the BCG; and

(b) Are determined by DDDS to have a medically improved disability. The term "medically improved disability" refers to the particular status granted to persons described in subsection (1)(b). For these people, a continuation of HWD coverage is provided to help them maintain their employment.

(4) A person age sixty-five or older, must meet federal disability requirements as determined by the DSHS DDDS. Coverage under the MIG is not available under federal law for persons age sixty-five or older. Coverage for this age group is authorized under the Balanced Budget Act of 1997 as described under section 1902(a)(10)(A)(ii)(XIII).

(5) When completing a disability determination for the HWD program, DDDS will not determine a person not disabled based only on earnings or the performance of substantial gainful activity (SGA). (See SSA POMS Section DI 10501.001, <https://secure.ssa.gov/apps10/poms.nsf/lnx/0410501001>).

(1) For the purpose of the HWD program, employment means a person:

(a) Gets paid for working;

(b) Has earnings that are subject to federal income tax; and

(c) Has payroll taxes taken out of earnings received, unless self-employed.

(2) To qualify for HWD coverage as a member of the BCG, a person must be employed full or part time.

(3) To qualify for HWD coverage as a member of the MIG, a person must be:

(a) Working at least forty hours per month; and

(b) Earning at least the local minimum wage as described under section 6 of the Fair Labor Standards Act (29 U.S.C. 206).

(4) For a person who is self-employed, the examples described in the *Social Security Administration Program Operations Manual System (POMS)* provide guidance when determining whether someone meets the HWD work requirements. (See SSA POMS Section SI 00820.200, <http://secure.ssa.gov/poms.nsf/lnx/0500820200>). The guidelines described in POMS for determining the existence of a trade or business may also be used when making this determination. WAC 182-511-1250 Apple health for workers with disabilities (HWD)—Premium payments. This section describes how the medicaid agency calculates the premium amount a person must pay for apple health for workers with disabilities (HWD) coverage. This section also describes program requirements regarding the billing and payment of HWD premiums.

(1) When determining the HWD premium amount, the agency counts only the income of the person approved for the program. It does not count the income of another household member.

(2) When determining countable income used to calculate the HWD premium, the agency applies the following rules:

(a) Income is considered available and owned when it is:

(i) Received; and

(ii) Can be used to meet the person's needs for food, clothing, and shelter, except as described in WAC 182-512-0600(5), 182-512-0650, and 182-512-0700(1).

(b) Certain receipts are not income as described in 20 C.F.R. Sec. 416.1103.

(3) The HWD premium amount equals the lesser of the two following amounts:

(a) A total of the following (rounded down to the nearest whole dollar):

(i) Fifty percent of unearned income above the medically needy income level (MNIL) described in WAC 182-519-0050; plus

(ii) Five percent of total unearned income; plus

(iii) Two and one-half percent of earned income after first deducting sixty-five dollars; or

(b) Seven and one-half percent of countable income described in subsection (2) of this section, including both earned and unearned income.

(4) When determining the premium amount, the agency will use the currently verified income amount until a change in income is reported

and processed, unless good cause for delay in verifying changes exists.

(5) A change in the premium amount is effective the month after the change in income is reported and processed.

(6) For current and ongoing coverage, the agency will bill for HWD premiums during the month following the benefit month.

(7) For retroactive coverage, the agency will bill the HWD premiums during the month following the month in which coverage is requested and necessary information that establishes eligibility is received by the agency.

(8) If initial coverage for the HWD program is approved in a month that follows the month of application, the first monthly premium includes the costs for both the month of application and any following months that have passed during determination of eligibility.

(9) As described in WAC 182-511-1050 (3)(b), the agency will close HWD coverage if premiums are not paid in full for four consecutive months.

(10) The person must pay the monthly premium in full to avoid losing HWD coverage. If a person makes a partial payment, the payment does not count as a full payment toward the premium.

(11) Payments received are applied to premiums owed in the following order:

(a) If retroactive coverage is requested, the retroactive coverage month(s);

(b) Past due months, beginning with the most delinquent month;

(c) The current coverage month that has been invoiced; then

(d) Future coverage months.

(12) A person must pay a premium for any month that HWD coverage is provided. This includes months when a redetermination of coverage is made, and months when continued coverage that is requested, pending the outcome of an administrative hearing.
