

WAC 296-17A-6903 Classification 6903.

6903-03 Aerial spraying, seeding, crop dusting, or firefighting

Applies to the flying crew of establishments engaged in aerial spraying, seeding, crop dusting, and firefighting, which involves the low altitude release of agricultural chemicals, seeds, water, or fire retardant compound.

This classification excludes aircraft ground crew operations which are to be reported separately in classification 6804.
