

WAC 296-800-11040 Control chemical agents. (1) You must control chemical agents in a manner that they will not present a hazard to your workers; or

(2) You must protect workers from the hazard of contact with, or exposure to, chemical agents.

Note: Pesticides are considered to be chemical agents. As required by this rule, you must control them or provide protection to workers from exposure to pesticide hazards. Pesticide manufacturers supply precautionary statements in the information provided with the pesticide that tells you how to protect your workers from these hazards.
