

Word versions of Documents

DLR now offers Word versions of bill family documents, such as bills, bill reports, etc.

Multiple printing of documents

If you are logged in, you can create a custom document print list across biennia. Your list will be kept until you click Clear List.

Biennium:
2023-24

List bills and documents named like:

e.g., 1000, 1000-S, 1000-S2

Total Count: 5

 Print double sided?

Note: Duplicate items will show Yellow.

Self-service deleting of your data

If you don't want your Selected Bill Tracking lists or custom views, you can now delete them from the Default Data and System Settings screen.

What do you need to do?

You don't have to do anything to prepare for the new features, including the account login.
