21 additional compacts under this subsection (2)(a).

22 INTERSTATE CIVIL DEFENSE
23 AND DISASTER COMPACT

24 The contracting States solemnly agree:

25 Article 1. The purpose of this compact is to provide mutual aid
26 among the States in meeting any emergency or disaster from enemy attack
27 or other cause (natural or otherwise) including sabotage and subversive
28 acts and direct attacks by bombs, shellfire, and atomic, radiological,
29 chemical, bacteriological means, and other weapons. The prompt, full
30 and effective utilization of the resources of the respective States,
31 including such resources as may be available from the United States
32 Government or any other source, are essential to the safety, care and
33 welfare of the people thereof in the event of enemy action or other
34 emergency, and any other resources, including personnel, equipment or
35 supplies, shall be incorporated into a plan or plans of mutual aid to
36 be developed among the civil defense agencies or similar bodies of the
37 States that are parties hereto. The Directors of Civil Defense
38 (Emergency Services) of all party States shall constitute a committee

1 to formulate plans and take all necessary steps for the implementation
2 of this compact.

3 Article 2. It shall be the duty of each party State to formulate
4 civil defense plans and programs for application within such State.
5 There shall be frequent consultation between the representatives of the
6 States and with the United States Government and the free exchange of
7 information and plans, including inventories of any materials and
8 equipment available for civil defense. In carrying out such civil
9 defense plans and programs the party States shall so far as possible
10 provide and follow uniform standards, practices and rules and
11 regulations including:

12 (a) Insignia, arm bands and any other distinctive articles to
13 designate and distinguish the different civil defense services;

14 (b) Blackouts and practice blackouts, air raid drills, mobilization
15 of civil defense forces and other tests and exercises;

16 (c) Warnings and signals for drills or attacks and the mechanical
17 devices to be used in connection therewith;

18 (d) The effective screening or extinguishing of all lights and
19 lighting devices and appliances;

20 (e) Shutting off water mains, gas mains, electric power connections
21 and the suspension of all other utility services;

22 (f) All materials or equipment used or to be used for civil defense
23 purposes in order to assure that such materials and equipment will be
24 easily and freely interchangeable when used in or by any other party
25 State;

26 (g) The conduct of civilians and the movement and cessation of
27 movement of pedestrians and vehicular traffic, prior, during, and
28 subsequent to drills or attacks;

29 (h) The safety of public meetings or gatherings; and

30 (i) Mobile support units.

31 Article 3. Any party State requested to render mutual aid shall
32 take such action as is necessary to provide and make available the
33 resources covered by this compact in accordance with the terms hereof;
34 provided that it is understood that the State rendering aid may
35 withhold resources to the extent necessary to provide reasonable
36 protection for such State. Each party State shall extend to the civil
37 defense forces of any other party State, while operating within its
38 State limits under the terms and conditions of this compact, the same
39 powers (except that of arrest unless specifically authorized by the

1 receiving State), duties, rights, privileges and immunities as if they
2 were performing their duties in the State in which normally employed or
3 rendering services. Civil defense forces will continue under the
4 command and control of their regular leaders but the organizational
5 units will come under the operational control of the civil defense
6 authorities of the State receiving assistance.

7 Article 4. Whenever any person holds a license, certificate or
8 other permit issued by any State evidencing the meeting of
9 qualifications for professional, mechanical or other skills, such
10 person may render aid involving such skill in any party State to meet
11 an emergency or disaster and such State shall give due recognition to
12 such license, certificate or other permit as if issued in the State in
13 which aid is rendered.

14 Article 5. No party State or its officers or employees rendering
15 aid in another State pursuant to this compact shall be liable on
16 account of any act or omission in good faith on the part of such forces
17 while so engaged, or on account of the maintenance or use of any
18 equipment or supplies in connection therewith.

19 Article 6. Inasmuch as it is probable that the pattern and detail
20 of the machinery for mutual aid among two or more states may differ
21 from that appropriate among other States party hereto, this instrument
22 contains elements of a broad base common to all States, and nothing
23 herein contained shall preclude any State from entering into
24 supplementary agreements with another State or States. Such
25 supplementary agreements may comprehend, but shall not be limited to,
26 provisions for evacuation and reception of injured and other persons,
27 and the exchange of medical, fire, police, public utility,
28 reconnaissance, welfare, transportation and communications personnel,
29 equipment and supplies.

30 Article 7. Each party State shall provide for the payment of
31 compensation and death benefits to injured members of the civil defense
32 forces of that State and the representatives of deceased members of
33 such forces in case such members sustain injuries or are killed while
34 rendering aid pursuant to this compact, in the same manner and on the
35 same terms as if the injury or death were sustained within such State.

36 Article 8. Any party State rendering aid in another State pursuant
37 to this compact shall be reimbursed by the party State receiving such
38 aid for any loss or damage to, or expense incurred in the operation of
39 any equipment answering a request for aid, and for the cost incurred in

1 connection with such requests; provided, that any aiding State may
2 assume in whole or in part such loss, damage, expense, or other cost,
3 or may loan such equipment or donate such services to the receiving
4 party State without charge or cost; and provided further that any two
5 or more party States may enter into supplementary agreements
6 establishing a different allocation of costs as among those States.
7 The United States Government may relieve the party State receiving aid
8 from any liability and reimburse the party State supplying civil
9 defense forces for the compensation paid to and the transportation,
10 subsistence and maintenance expenses of such forces during the time of
11 the rendition of such aid or assistance outside the State and may also
12 pay fair and reasonable compensation for the use or utilization of the
13 supplies, materials, equipment or facilities so utilized or consumed.

14 Article 9. Plans for the orderly evacuation and reception of the
15 civilian population as the result of an emergency or disaster shall be
16 worked out from time to time between representatives of the party
17 States and the various local civil defense areas thereof. Such plans
18 shall include the manner of transporting such evacuees, the number of
19 evacuees to be received in different areas, the manner in which food,
20 clothing, housing, and medical care will be provided, the registration
21 of the evacuees, the providing of facilities for the notification of
22 relatives or friends and the forwarding of such evacuees to other areas
23 or the bringing in of additional materials, supplies, and all other
24 relevant factors. Such plans shall provide that the party State
25 receiving evacuees shall be reimbursed generally for the out-of-pocket
26 expenses incurred in receiving and caring for such evacuees, for
27 expenditures for transportation, food, clothing, medicines and medical
28 care and like items. Such expenditures shall be reimbursed by the
29 party State of which the evacuees are residents, or by the United
30 States Government under plans approved by it. After the termination of
31 the emergency or disaster the party State of which the evacuees are
32 resident shall assume the responsibility for the ultimate support or
33 repatriation of such evacuees.

34 Article 10. This compact shall be available to any State,
35 territory or possession of the United States, and the District of
36 Columbia. The term "State" may also include any neighboring foreign
37 country or province or state thereof.

38 Article 11. The committee established pursuant to Article 1 of
39 this compact may request the Civil Defense Agency of the United States

1 Government to act as an informational and coordinating body under this
2 compact, and representatives of such agency of the United States
3 Government may attend meetings of such committee.

4 Article 12. This compact shall become operative immediately upon
5 its ratification by any State as between it and any other State or
6 States so ratifying and shall be subject to approval by Congress unless
7 prior Congressional approval has been given. Duly authenticated copies
8 of this compact and of such supplementary agreements as may be entered
9 into shall, at the time of their approval, be deposited with each of
10 the party States and with the Civil Defense Agency and other
11 appropriate agencies of the United States Government.

12 Article 13. This compact shall continue in force and remain
13 binding on each party State until the legislature or the Governor of
14 such party State takes action to withdraw therefrom. Such action shall
15 not be effective until 30 days after notice thereof has been sent by
16 the Governor of the party State desiring to withdraw to the Governors
17 of all other party States.

18 Article 14. This compact shall be construed to effectuate the
19 purposes stated in Article 1 hereof. If any provision of this compact
20 is declared unconstitutional, or the applicability thereof to any
21 person or circumstance is held invalid, the constitutionality of the
22 remainder of this compact and the applicability thereof to other
23 persons and circumstances shall not be effected thereby.

24 Article 15. (a) This Article shall be in effect only as among
25 those states which have enacted it into law or in which the Governors
26 have adopted it pursuant to constitutional or statutory authority
27 sufficient to give it the force of law as part of this compact.
28 Nothing contained in this Article or in any supplementary agreement
29 made in implementation thereof shall be construed to abridge, impair or
30 supersede any other provision of this compact or any obligation
31 undertaken by a State pursuant thereto, except that if its terms so
32 provide, a supplementary agreement in implementation of this Article
33 may modify, expand or add to any such obligation as among the parties
34 to the supplementary agreement.

35 (b) In addition to the occurrences, circumstances and subject
36 matters to which preceding articles of this compact make it applicable,
37 this compact and the authorizations, entitlements and procedures
38 thereof shall apply to:

1 1. Searches for and rescue of person who are lost, marooned, or
2 otherwise in danger.

3 2. Action useful in coping with disasters arising from any cause
4 or designed to increase the capability to cope with any such disasters.

5 3. Incidents, or the imminence thereof, which endanger the health
6 or safety of the public and which require the use of special equipment,
7 trained personnel or personnel in larger numbers than are locally
8 available in order to reduce, counteract or remove the danger.

9 4. The giving and receiving of aid by subdivisions of party
10 States.

11 5. Exercises, drills or other training or practice activities
12 designed to aid personnel to prepare for, cope with or prevent any
13 disaster or other emergency to which this compact applies.

14 (c) Except as expressly limited by this compact or a supplementary
15 agreement in force pursuant thereto, any aid authorized by this compact
16 or such supplementary agreement may be furnished by any agency of a
17 party State, a subdivision of such State, or by a joint agency
18 providing such aid shall be entitled to reimbursement therefor to the
19 same extent and in the same manner as a State. The personnel of such
20 a joint agency, when rendering aid pursuant to this compact shall have
21 the same rights, authority and immunity as personnel of party States.

22 (d) Nothing in this Article shall be construed to exclude from the
23 coverage of Articles 1-15 of this compact any matter which, in the
24 absence of this Article, could reasonably be construed to be covered
25 thereby.

26 (b) The compact language contained in this subsection (2)(b) is
27 intended to deal comprehensively with emergencies requiring assistance
28 from other states.

29 INTERSTATE MUTUAL AID COMPACT

30 Purpose

31 The purpose of this Compact is to provide voluntary assistance among
32 participating states in responding to any disaster or imminent
33 disaster, that over extends the ability of local and state governments
34 to reduce, counteract or remove the danger. Assistance may include,
35 but not be limited to, rescue, fire, police, medical, communication,
36 transportation services and facilities to cope with problems which
37 require use of special equipment, trained personnel or personnel in
38 large numbers not locally available.

1 Authorization

2 Article I, Section 10 of the Constitution of the United States permits
3 a state to enter into an agreement or compact with another state,
4 subject to the consent of Congress. Congress, through enactment of
5 Title 50 U.S.C. Sections 2281(g), 2283 and the Executive Department, by
6 issuance of Executive Orders No. 10186 of December 1, 1950, encourages
7 the states to enter into emergency, disaster and civil defense mutual
8 aid agreements or pacts.

9 Implementation

10 It is agreed by participating states that the following conditions will
11 guide implementation of the Compact:

12 1. Participating states through their designated officials are
13 authorized to request and to receive assistance from a participating
14 state. Requests will be granted only if the requesting state is
15 committed to the mitigation of the emergency, and other resources are
16 not immediately available.

17 2. Requests for assistance may be verbal or in writing. If the
18 request is made by other than written communication, it shall be
19 confirmed in writing as soon as practical after the request. A written
20 request shall provide an itemization of equipment and operators, types
21 of expertise, personnel or other resources needed. Each request must
22 be signed by an authorized official.

23 3. Personnel and equipment of the aiding party made available to
24 the requesting party shall, whenever possible, remain under the control
25 and direction of the aiding party. The activities of personnel and
26 equipment of the aiding party must be coordinated by the requesting
27 party.

28 4. An aiding state shall have the right to withdraw some or all of
29 their personnel and/or equipment whenever the personnel or equipment
30 are needed by that state. Notice of intention to withdraw should be
31 communicated to the requesting party as soon as possible.

32 General Fiscal Provisions

33 The state government of the requesting party shall reimburse the state
34 government of the aiding party. It is understood that reimbursement
35 shall be made as soon as possible after the receipt by the requesting
36 party of an itemized voucher requesting reimbursement of costs.

1 5. Upon enactment of this Agreement by two or more states, and by
2 January 1, annually thereafter, the participating states will exchange
3 with each other the names of officials designated to request and/or
4 provide services under this arrangement. In accordance with the
5 cooperative nature of this arrangement, it shall be permissible and
6 desirable for the parties to exchange operational procedures to be
7 followed in requesting assistance and reimbursing expenses.

8 6. This compact shall enter into force and become effective and
9 binding upon the states so acting when it has been enacted into law by
10 any two states. Thereafter, this compact shall enter into force and
11 become effective and binding as to any other of said states upon
12 similar action by such state.

13 7. This compact shall continue in force and remain binding upon a
14 party state until it shall have enacted a statute repealing the same
15 and providing for the sending of formal written notice of withdrawal
16 from the compact to the appropriate official of all other party states.
17 An actual withdrawal shall not take effect until the thirtieth
18 consecutive day after the notice provided in the statute has been sent.
19 Such withdrawal shall not relieve the withdrawing state from its
20 obligations assumed hereunder prior to the effective date of
21 withdrawal.

22 **Sec. 4.** RCW 38.52.420 and 1994 c 264 s 11 are each amended to read
23 as follows:

24 (1) The military department (~~(of community, trade, and economic~~

26 departments of natural resources, fish and wildlife, and ecology,
27 representatives of local government, and any other person the director
28 may deem appropriate, shall develop a model contingency plan,
29 consistent with other plans required for hazardous materials by federal
30 and state law, to serve as a draft plan for local governments which may
31 be incorporated into the state and local emergency management plans.

32 (2) The model contingency plan shall:

33 (a) Include specific recommendations for pollution control
34 facilities which are deemed to be most appropriate for the control,
35 collection, storage, treatment, disposal, and recycling of oil and
36 other spilled material and furthering the prevention and mitigation of
37 such pollution;

1 (b) Include recommendations for the training of local personnel
2 consistent with other training proposed, funded, or required by federal
3 or state laws for hazardous materials;

9 emergency response capabilities, and hazardous waste management,
10 together with a list of funding sources that local governments may use
11 in development of their specific plans;

12 (e) Promote formal agreements between the military department (~~of~~
13 ~~community, trade, and economic development~~) and local entities for
14 effective spill response; and

15 (f) Develop policies and procedures for the augmentation of
16 emergency services and agency spill response personnel through the use
17 of volunteers: PROVIDED, That no contingency plan may require the use
18 of volunteers by a responding responsible party without that party's
19 consent.

23 department, the department of community, trade, and economic
24 development, the Washington state patrol, and all county sheriffs a
25 list of the names, addresses, and license plate or radio station call
