Read first time 01/29/2007. Referred to Committee on Water, Energy & Telecommunications.

1 AN ACT Relating to implementing renewable fuel standards; adding a
2 new section to chapter 43.21C RCW; and providing an expiration date.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 43.21C RCW
5 to read as follows:

6 (1) Lead agencies, and other agencies with jurisdiction, shall
7 process all applications and decisions relating to infrastructure
8 improvements or activities necessary to implement renewable fuel
9 standards under chapter 19.112 RCW and RCW 43.19.642 in an expedited
10 and coordinated manner and prior to competing applications and
11 decisions.

12 (2) Applications and decisions to expedite in accordance with this
13 section include, but are not limited to, any attendant and nonexempt
14 license, permit, or approval requirements or state environmental policy
15 act requirements under RCW 43.21C.030 and chapter 197-11 WAC relating
16 to the:

17 (a) Installation of new storage tanks; pumps; any project to allow
18 for increasing refining and blending capacity; any project to allow for

1 efficiency improvements for refiners, blenders, or bulk plant
2 operators; and any modification to off-loading or on-loading racks;

3 (b) Addition of heating or other equipment to biodiesel storage
4 tanks or tanks that hold a blended product; and

5 (c) Replacement of underground fuel storage tanks, aboveground fuel
6 storage tanks, pumps, and large bulk tanks.

7 (3) This section does not apply to biodiesel or ethanol production
8 facilities.

9 (4) This section expires January 1, 2009.
