**State of Washington                      60th Legislature                      2007 Regular Session**

**By** Senate Committee on Health & Long-Term Care (originally sponsored by Senator Parlette)

READ FIRST TIME 02/23/07.

1            AN ACT Relating to the Washington state health insurance pool;  
2 amending RCW 48.41.110, 48.41.160, 48.41.200, 48.41.037, 48.41.100,  
3 48.43.005, 48.41.190, and 41.05.075; creating a new section; and making  
4 an appropriation.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6            NEW SECTION.    **Sec. 1.** The legislature finds that the Washington  
7 state health insurance pool is a critically important insurance option  
8 for people in this state and must reflect health care provisions based  
9 on the best available evidence and be financially sustainable over  
10 time. The laws governing the Washington state health insurance pool  
11 have been read to preclude the program from modifying contracts, and  
12 yet coverage needs and options change with time. Everyone in this  
13 state benefits when the Washington state health insurance pool is more  
14 affordable and higher performing. Changes are needed to the Washington  
15 state health insurance pool to increase affordability, offer quality  
16 and cost-effective benefits, and enhance the governance and operation  
17 of the pool.

1       **Sec. 2.** RCW 48.41.110 and 2001 c 196 s 4 are each amended to read  
2 as follows:

3       (1) The pool shall offer one or more care management plans of  
4 coverage. Such plans may, but are not required to, include point of  
5 service features that permit participants to receive in-network  
6 benefits or out-of-network benefits subject to differential cost  
7 shares. ~~((Covered persons enrolled in the pool on January 1, 2001, may  
8 continue coverage under the pool plan in which they are enrolled on  
9 that date. However,))~~ The pool may incorporate managed care features  
10 and encourage enrollees to participate in chronic care and disease  
11 management and evidence-based protocols into ~~((such))~~ existing plans.

12       (2) The administrator shall prepare a brochure outlining the  
13 benefits and exclusions of ~~((the))~~ pool ~~((policy))~~ policies in plain  
14 language. After approval by the board, such brochure shall be made  
15 reasonably available to participants or potential participants.

16       (3) The health insurance ~~((policy))~~ policies issued by the pool  
17 shall pay only reasonable amounts for medically necessary eligible  
18 health care services rendered or furnished for the diagnosis or  
19 treatment of covered illnesses, injuries, and conditions ~~((which are  
20 not otherwise limited or excluded))~~. Eligible expenses are the  
21 reasonable amounts for the health care services and items for which  
22 benefits are extended under ~~((the))~~ a pool policy. ~~((Such benefits  
23 shall at minimum include, but not be limited to, the following services  
24 or related items:))~~

25       (4) The pool shall offer at least one policy which at a minimum  
26 includes, but is not limited to, the following services or related  
27 items:

28       (a) Hospital services, including charges for the most common  
29 semiprivate room, for the most common private room if semiprivate rooms  
30 do not exist in the health care facility, or for the private room if  
31 medically necessary, but limited to a total of one hundred eighty  
32 inpatient days in a calendar year, and limited to thirty days inpatient  
33 care for mental and nervous conditions, or alcohol, drug, or chemical  
34 dependency or abuse per calendar year;

35       (b) Professional services including surgery for the treatment of  
36 injuries, illnesses, or conditions, other than dental, which are  
37 rendered by a health care provider, or at the direction of a health

1 care provider, by a staff of registered or licensed practical nurses,  
2 or other health care providers;

3 (c) The first twenty outpatient professional visits for the  
4 diagnosis or treatment of one or more mental or nervous conditions or  
5 alcohol, drug, or chemical dependency or abuse rendered during a  
6 calendar year by one or more physicians, psychologists, or community  
7 mental health professionals, or, at the direction of a physician, by  
8 other qualified licensed health care practitioners, in the case of  
9 mental or nervous conditions, and rendered by a state certified  
10 chemical dependency program approved under chapter 70.96A RCW, in the  
11 case of alcohol, drug, or chemical dependency or abuse;

12 (d) Drugs and contraceptive devices requiring a prescription;

13 (e) Services of a skilled nursing facility, excluding custodial and  
14 convalescent care, for not more than one hundred days in a calendar  
15 year as prescribed by a physician;

16 (f) Services of a home health agency;

17 (g) Chemotherapy, radioisotope, radiation, and nuclear medicine  
18 therapy;

19 (h) Oxygen;

20 (i) Anesthesia services;

21 (j) Prostheses, other than dental;

22 (k) Durable medical equipment which has no personal use in the  
23 absence of the condition for which prescribed;

24 (l) Diagnostic x-rays and laboratory tests;

25 (m) Oral surgery limited to the following: Fractures of facial  
26 bones; excisions of mandibular joints, lesions of the mouth, lip, or  
27 tongue, tumors, or cysts excluding treatment for temporomandibular  
28 joints; incision of accessory sinuses, mouth salivary glands or ducts;  
29 dislocations of the jaw; plastic reconstruction or repair of traumatic  
30 injuries occurring while covered under the pool; and excision of  
31 impacted wisdom teeth;

32 (n) Maternity care services;

33 (o) Services of a physical therapist and services of a speech  
34 therapist;

35 (p) Hospice services;

36 (q) Professional ambulance service to the nearest health care  
37 facility qualified to treat the illness or injury; and

1 (r) Other medical equipment, services, or supplies required by  
2 physician's orders and medically necessary and consistent with the  
3 diagnosis, treatment, and condition.

4 ~~((+4))~~ (5) The pool shall offer at least one policy which closely  
5 adheres to benefits available in the private, individual market.

6 (6) The board shall design and employ cost containment measures and  
7 requirements such as, but not limited to, care coordination, provider  
8 network limitations, preadmission certification, and concurrent  
9 inpatient review which may make the pool more cost-effective.

10 ~~((+5))~~ (7) The pool benefit policy may contain benefit  
11 limitations, exceptions, and cost shares such as copayments,  
12 coinsurance, and deductibles that are consistent with managed care  
13 products, except that differential cost shares may be adopted by the  
14 board for nonnetwork providers under point of service plans. ~~((The~~  
15 ~~pool benefit policy cost shares and limitations must be consistent with~~  
16 ~~those that are generally included in health plans approved by the~~  
17 ~~insurance commissioner; however, no limitation, exception, or reduction~~  
18 ~~may be used that would exclude coverage for any disease, illness, or~~  
19 ~~injury.~~

20 ~~(+6))~~ (8) The pool may not reject an individual for health plan  
21 coverage based upon preexisting conditions of the individual or deny,  
22 exclude, or otherwise limit coverage for an individual's preexisting  
23 health conditions; except that it shall impose a six-month benefit  
24 waiting period for preexisting conditions for which medical advice was  
25 given, for which a health care provider recommended or provided  
26 treatment, or for which a prudent layperson would have sought advice or  
27 treatment, within six months before the effective date of coverage.  
28 The preexisting condition waiting period shall not apply to prenatal  
29 care services. The pool may not avoid the requirements of this section  
30 through the creation of a new rate classification or the modification  
31 of an existing rate classification. Credit against the waiting period  
32 shall be as provided in subsection ~~((+7))~~ (9) of this section.

33 ~~((+7))~~ (9)(a) Except as provided in (b) of this subsection, the  
34 pool shall credit any preexisting condition waiting period in its plans  
35 for a person who was enrolled at any time during the sixty-three day  
36 period immediately preceding the date of application for the new pool  
37 plan. For the person previously enrolled in a group health benefit  
38 plan, the pool must credit the aggregate of all periods of preceding

1 coverage not separated by more than sixty-three days toward the waiting  
2 period of the new health plan. For the person previously enrolled in  
3 an individual health benefit plan other than a catastrophic health  
4 plan, the pool must credit the period of coverage the person was  
5 continuously covered under the immediately preceding health plan toward  
6 the waiting period of the new health plan. For the purposes of this  
7 subsection, a preceding health plan includes an employer-provided self-  
8 funded health plan.

9 (b) The pool shall waive any preexisting condition waiting period  
10 for a person who is an eligible individual as defined in section  
11 2741(b) of the federal health insurance portability and accountability  
12 act of 1996 (42 U.S.C. 300gg-41(b)).

13 ~~((+8))~~ (10) If an application is made for the pool policy as a  
14 result of rejection by a carrier, then the date of application to the  
15 carrier, rather than to the pool, should govern for purposes of  
16 determining preexisting condition credit.

17 (11) The pool shall contract with organizations that provide care  
18 management that has been demonstrated to be effective and shall  
19 encourage enrollees who are eligible for care management services to  
20 participate.

21 **Sec. 3.** RCW 48.41.160 and 1987 c 431 s 16 are each amended to read  
22 as follows:

23 ~~(1) ((A pool policy offered under this chapter shall contain~~  
24 ~~provisions under which the pool is obligated to renew the policy until~~  
25 ~~the day on which the individual in whose name the policy is issued~~  
26 ~~first becomes eligible for medicare coverage. At that time, coverage~~  
27 ~~of dependents shall terminate if such dependents are eligible for~~  
28 ~~coverage under a different health plan. Dependents who become eligible~~  
29 ~~for medicare prior to the individual in whose name the policy is~~  
30 ~~issued, shall receive benefits in accordance with RCW 48.41.150.~~

31 ~~(2))~~ (2)) Any pool plan shall contain or incorporate by endorsement a  
32 guarantee of the continuity of coverage of the plan until the day on  
33 which the individual in whose name the policy is issued first becomes  
34 eligible for medicare coverage. For the purposes of this section, a  
35 plan is "renewed" when it is continued beyond the earliest date upon  
36 which, at the pool's sole option, the plan could have been terminated

1 for other than nonpayment of premium. The pool may consider the  
2 individual's anniversary date as the renewal date for purposes of  
3 complying with the provisions of this section.

4 (2) The guarantee of continuity of coverage required in health  
5 plans shall not prevent the pool from canceling or nonrenewing a health  
6 plan for:

7 (a) Nonpayment of premium;

8 (b) Violation of published policies of the pool;

9 (c) Covered persons entitled to become eligible for medicare  
10 benefits by reason of age who fail to apply for a medicare supplement  
11 plan or medicare cost, risk, or other plan offered by the pool pursuant  
12 to federal laws and regulations;

13 (d) Covered persons who fail to pay any deductible or copayment  
14 amount owed to the pool and not the provider of health care services;

15 (e) Covered persons committing fraudulent acts as to the pool;

16 (f) Change or implementation of federal or state laws that no  
17 longer permit the continued offering of such coverage.

18 (3) The provisions of this section do not apply in the following  
19 cases:

20 (a) The pool has zero enrollment on a product;

21 (b) The pool replaces a product and the replacement product is  
22 provided to all covered persons within that class or line of business,  
23 includes all of the services covered under the replaced product, and  
24 does not significantly limit access to the kind of services covered  
25 under the replaced product. The pool may also allow unrestricted  
26 conversion to a fully comparable product;

27 (c) The pool discontinues offering a particular type of health  
28 benefit plan and: (i) The pool provides notice to each individual of  
29 the discontinuation at least ninety days prior to the date of the  
30 discontinuation; (ii) the pool offers to each individual provided  
31 coverage of this type the option to enroll in any other individual  
32 product for which the individual is otherwise eligible and which is  
33 currently being offered by the pool; and (iii) in exercising the option  
34 to discontinue coverage of this type and in offering the option of  
35 coverage under (c)(ii) of this subsection, the pool acts uniformly  
36 without regard to any health status-related factor of enrolled  
37 individuals or individuals who may become eligible for this coverage.

1        (4) The pool may not change the rates for pool policies except on  
2 a class basis, with a clear disclosure in the policy of the pool's  
3 right to do so.

4        (~~(3)~~) (5) A pool policy offered under this chapter shall provide  
5 that, upon the death of the individual in whose name the policy is  
6 issued, every other individual then covered under the policy may elect,  
7 within a period specified in the policy, to continue coverage under the  
8 same or a different policy.

9        **Sec. 4.** RCW 48.41.200 and 2000 c 79 s 17 are each amended to read  
10 as follows:

11        (1) The pool shall determine the standard risk rate by calculating  
12 the average individual standard rate charged for coverage comparable to  
13 pool coverage by the five largest members, measured in terms of  
14 individual market enrollment, offering such coverages in the state. In  
15 the event five members do not offer comparable coverage, the standard  
16 risk rate shall be established using reasonable actuarial techniques  
17 and shall reflect anticipated experience and expenses for such coverage  
18 in the individual market.

19        (2) Subject to subsection (3) of this section, maximum rates for  
20 pool coverage shall be as follows:

21        (a) Maximum rates for a pool indemnity health plan shall be one  
22 hundred fifty percent of the rate calculated under subsection (1) of  
23 this section;

24        (b) Maximum rates for a pool care management plan shall be one  
25 hundred twenty-five percent of the rate calculated under subsection (1)  
26 of this section; and

27        (c) Maximum rates for a person eligible for pool coverage pursuant  
28 to RCW 48.41.100(1)(a) who was enrolled at any time during the sixty-  
29 three day period immediately prior to the date of application for pool  
30 coverage in a group health benefit plan or an individual health benefit  
31 plan other than a catastrophic health plan as defined in RCW 48.43.005,  
32 where such coverage was continuous for at least eighteen months, shall  
33 be:

34        (i) For a pool indemnity health plan, one hundred twenty-five  
35 percent of the rate calculated under subsection (1) of this section;  
36 and

1 (ii) For a pool care management plan, one hundred ten percent of  
2 the rate calculated under subsection (1) of this section.

3 (3)(a) Subject to (b) and (c) of this subsection:

4 (i) The rate for any person (~~((aged fifty to sixty four))~~) whose  
5 current gross family income is less than two hundred fifty-one percent  
6 of the federal poverty level shall be reduced by thirty percent from  
7 what it would otherwise be;

8 (ii) The rate for any person (~~((aged fifty to sixty four))~~) whose  
9 current gross family income is more than two hundred fifty but less  
10 than three hundred one percent of the federal poverty level shall be  
11 reduced by fifteen percent from what it would otherwise be;

12 (iii) The rate for any person who has been enrolled in the pool for  
13 more than thirty-six months shall be reduced by five percent from what  
14 it would otherwise be.

15 (b) In no event shall the rate for any person be less than one  
16 hundred ten percent of the rate calculated under subsection (1) of this  
17 section.

18 (c) Rate reductions under (a)(i) and (ii) of this subsection shall  
19 be available only to the extent that funds are specifically  
20 appropriated for this purpose in the omnibus appropriations act.

21 **Sec. 5.** RCW 48.41.037 and 2000 c 79 s 36 are each amended to read  
22 as follows:

23 The Washington state health insurance pool account is created in  
24 the custody of the state treasurer. All receipts from moneys  
25 specifically appropriated to the account must be deposited in the  
26 account. Expenditures from this account shall be used to cover  
27 deficits incurred by the Washington state health insurance pool under  
28 this chapter in excess of the threshold established in this section.  
29 To the extent funds are available in the account, funds shall be  
30 expended from the account to offset that portion of the deficit that  
31 would otherwise have to be recovered by imposing an assessment on  
32 members in excess of a threshold of seventy cents per insured person  
33 per month. The commissioner shall authorize expenditures from the  
34 account, to the extent that funds are available in the account, upon  
35 certification by the pool board that assessments will exceed the  
36 threshold level established in this section. The account is subject to

1 the allotment procedures under chapter 43.88 RCW, but an appropriation  
2 is not required for expenditures.

3 Whether the assessment has reached the threshold of seventy cents  
4 per insured person per month shall be determined by dividing the total  
5 aggregate amount of assessment by the proportion of total assessed  
6 members. Thus, stop loss members shall be counted as one-tenth of a  
7 whole member in the denominator given that is the amount they are  
8 assessed proportionately relative to a fully insured medical member.

9 **Sec. 6.** RCW 48.41.100 and 2001 c 196 s 3 are each amended to read  
10 as follows:

11 (1) The following persons who are residents of this state are  
12 eligible for pool coverage:

13 (a) Any person who provides evidence of a carrier's decision not to  
14 accept him or her for enrollment in an individual health benefit plan  
15 as defined in RCW 48.43.005 based upon, and within ninety days of the  
16 receipt of, the results of the standard health questionnaire designated  
17 by the board and administered by health carriers under RCW 48.43.018;

18 (b) Any person who continues to be eligible for pool coverage based  
19 upon the results of the standard health questionnaire designated by the  
20 board and administered by the pool administrator pursuant to subsection  
21 (3) of this section;

22 (c) Any person who resides in a county of the state where no  
23 carrier or insurer eligible under chapter 48.15 RCW offers to the  
24 public an individual health benefit plan other than a catastrophic  
25 health plan as defined in RCW 48.43.005 at the time of application to  
26 the pool, and who makes direct application to the pool; and

27 (d) Any medicare eligible person upon providing evidence of  
28 rejection for medical reasons, a requirement of restrictive riders, an  
29 up-rated premium, or a preexisting conditions limitation on a medicare  
30 supplemental insurance policy under chapter 48.66 RCW, the effect of  
31 which is to substantially reduce coverage from that received by a  
32 person considered a standard risk by at least one member within six  
33 months of the date of application.

34 (2) The following persons are not eligible for coverage by the  
35 pool:

36 (a) Any person having terminated coverage in the pool unless (i)  
37 twelve months have lapsed since termination, or (ii) that person can

1 show continuous other coverage which has been involuntarily terminated  
2 for any reason other than nonpayment of premiums. However, these  
3 exclusions do not apply to eligible individuals as defined in section  
4 2741(b) of the federal health insurance portability and accountability  
5 act of 1996 (42 U.S.C. Sec. 300gg-41(b));

6 (b) Any person on whose behalf the pool has paid out (~~one~~) two  
7 million dollars in benefits;

8 (c) Inmates of public institutions and persons whose benefits are  
9 duplicated under public programs. However, these exclusions do not  
10 apply to eligible individuals as defined in section 2741(b) of the  
11 federal health insurance portability and accountability act of 1996 (42  
12 U.S.C. Sec. 300gg-41(b));

13 (d) Any person who resides in a county of the state where any  
14 carrier or insurer regulated under chapter 48.15 RCW offers to the  
15 public an individual health benefit plan other than a catastrophic  
16 health plan as defined in RCW 48.43.005 at the time of application to  
17 the pool and who does not qualify for pool coverage based upon the  
18 results of the standard health questionnaire, or pursuant to subsection  
19 (1)(d) of this section.

20 (3) When a carrier or insurer regulated under chapter 48.15 RCW  
21 begins to offer an individual health benefit plan in a county where no  
22 carrier had been offering an individual health benefit plan:

23 (a) If the health benefit plan offered is other than a catastrophic  
24 health plan as defined in RCW 48.43.005, any person enrolled in a pool  
25 plan pursuant to subsection (1)(c) of this section in that county shall  
26 no longer be eligible for coverage under that plan pursuant to  
27 subsection (1)(c) of this section, but may continue to be eligible for  
28 pool coverage based upon the results of the standard health  
29 questionnaire designated by the board and administered by the pool  
30 administrator. The pool administrator shall offer to administer the  
31 questionnaire to each person no longer eligible for coverage under  
32 subsection (1)(c) of this section within thirty days of determining  
33 that he or she is no longer eligible;

34 (b) Losing eligibility for pool coverage under this subsection (3)  
35 does not affect a person's eligibility for pool coverage under  
36 subsection (1)(a), (b), or (d) of this section; and

37 (c) The pool administrator shall provide written notice to any  
38 person who is no longer eligible for coverage under a pool plan under

1 this subsection (3) within thirty days of the administrator's  
2 determination that the person is no longer eligible. The notice shall:  
3 (i) Indicate that coverage under the plan will cease ninety days from  
4 the date that the notice is dated; (ii) describe any other coverage  
5 options, either in or outside of the pool, available to the person;  
6 (iii) describe the procedures for the administration of the standard  
7 health questionnaire to determine the person's continued eligibility  
8 for coverage under subsection (1)(b) of this section; and (iv) describe  
9 the enrollment process for the available options outside of the pool.

10 (4) The board shall ensure that an independent analysis of the  
11 eligibility standards is conducted, with emphasis on those populations  
12 identified in subsection (2) of this section and the impacts on the  
13 pool and the state budget. The board shall report the findings to the  
14 legislature by December 1, 2007.

15 **Sec. 7.** RCW 48.43.005 and 2006 c 25 s 16 are each amended to read

31 (5) "Catastrophic health plan" means:
