SENATE BILL 5798

---

State of Washington                      60th Legislature                      2007 Regular Session

By Senators Swecker and Haugen

Read first time 02/01/2007. Referred to Committee on Transportation.

1            AN ACT Relating to design-build construction for transportation  
2 projects; and amending RCW 47.20.780.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            **Sec. 1.** RCW 47.20.780 and 2001 c 226 s 2 are each amended to read  
5 as follows:

6            The department of transportation shall develop a process for  
7 awarding competitively bid highway construction contracts for projects  
8 over ten million dollars that may be constructed using a design-build  
9 procedure. As used in this section and RCW 47.20.785, "design-build  
10 procedure" means a method of contracting under which the department of  
11 transportation contracts with another party for the party to both  
12 design and build the structures, facilities, and other items specified  
13 in the contract.

14            The process developed by the department must, at a minimum, include  
15 the scope of services required under the design-build procedure,  
16 contractor prequalification requirements, criteria for evaluating  
17 technical information and project costs, contractor selection criteria,

1 and issue resolution procedures.
