13 physicians, with at least one of the physicians working in a
14 supervisory capacity, and who is academically and clinically prepared
15 to provide health care services and perform diagnostic, therapeutic,
16 preventative, and health maintenance services.

17 (4) "Practice medicine" has the meaning defined in RCW 18.71.011

31 training program. The requirements shall include completion of an
32 accredited physician assistant training program approved by the

37 granted by the department of health for one year provided the
38 applicant meets all other requirements. Physician assistants licensed

1 by the board of medical examiners, or the commission as of July 1,
2 1999, shall continue to be licensed.

12 and

13 (ii) That each physician assistant shall practice medicine only
14 under ~~((the supervision and control of a))~~ the terms of one or more
15 practice agreements, each signed by one or more supervising
16 physicians licensed in this state~~((, but such supervision and~~

21 place where services are rendered.

22 (3) Applicants for licensure shall file an application with the
23 commission on a form prepared by the secretary with the approval of
24 the commission, detailing the education, training, and experience of

38 (c) That the applicant is physically and mentally capable of
39 practicing medicine as a physician assistant with reasonable skill
40 and safety. The commission may require an applicant to submit to such

1 examination or examinations as it deems necessary to determine an
2 applicant's physical or mental capability, or both, to safely
3 practice as a physician assistant.

5 disciplinary action upon the application for license as provided in
6 the Uniform Disciplinary Act, chapter 18.130 RCW.

7 (b) The license shall be renewed as determined under RCW
8 43.70.250 and 43.70.280. The commission shall request licensees to
9 submit information about their current professional practice at the
10 time of license renewal and licensees must provide the information
11 requested. This information may include practice setting, medical
12 specialty, or other relevant data determined by the commission.

37 competent to perform based on their education, training, and
38 experience and that are consistent with their ~~((commission-approved~~

1 ~~delegation~~) practice agreement. The supervising physician and the
2 physician assistant shall determine which procedures may be performed
3 and the (~~degree of~~) supervision under which the procedure is
4 performed. Physician assistants may practice in any area of medicine
5 or surgery as long as the practice is not beyond the supervising
6 physician's own scope of expertise and clinical practice and the
7 practice agreement.

8 NEW SECTION. **Sec. 6.** A new section is added to chapter 18.71A
9 RCW to read as follows:

10 (1) Prior to commencing practice, a physician assistant licensed
11 in Washington state must enter into a practice agreement with a
12 physician or group of physicians, at least one of whom must be
13 working in a supervisory capacity.

14 (a) Entering into a practice agreement is voluntary for the
15 physician assistant and the supervising physician. A physician may
16 not be compelled to participate in a practice agreement as a
17 condition of employment.

18 (b) Prior to entering into the practice agreement, the physician,
19 physicians, or their designee must verify the physician assistant's
20 credentials.

21 (c) The protections of RCW 43.70.075 apply to any physician who
22 reports to the commission acts of retaliation or reprisal for
23 declining to sign a practice agreement.

24 (d) The practice agreement must be maintained by the physician
25 assistant's employer or at his or her place of work and must be made
26 available to the commission upon request.

27 (e) The commission shall develop a model practice agreement.

28 (f) The commission shall establish administrative procedures,
29 administrative requirements, and fees as provided in RCW 43.70.250
30 and 43.70.280.

31 (2) A practice agreement must include all of the following:

32 (a) The duties and responsibilities of the physician assistant,
33 the supervising physician, and alternate physicians. The practice
34 agreement must describe supervision requirements for specified
35 procedures or areas of practice. The practice agreement may only
36 include acts, tasks, or functions that the physician assistant and
37 supervising physician or alternate physicians are qualified to
38 perform by education, training, or experience and that are within the
39 scope of expertise and clinical practice of both the physician

1 assistant and the supervising physician or alternate physicians,
2 unless otherwise authorized by law, rule, or the commission;

3 (b) A process between the physician assistant and supervising
4 physician or alternate physicians for communication, availability,
5 and decision making when providing medical treatment to a patient or
6 in the event of an acute health care crisis not previously covered by
7 the practice agreement, such as a flu pandemic or other unforeseen
8 emergency. Communications may occur in person, electronically, by
9 telephone, or by an alternate method;

10 (c) If there is only one physician party to the practice
11 agreement, a protocol for designating an alternate physician for
12 consultation in situations in which the physician is not available;

13 (d) The signature of the physician assistant and the signature or
14 signatures of the supervising physician. A practice agreement may be
15 signed electronically using a method for electronic signatures
16 approved by the commission; and

17 (e) A termination provision. A physician assistant or physician
18 may terminate the practice agreement as it applies to a single
19 supervising physician without terminating the agreement with respect
20 to the remaining participating physicians. If the termination results
21 in no supervising physician being designated on the agreement, a new
22 supervising physician must be designated for the agreement to be
23 valid.

24 (i) Except as provided in (e)(ii) of this subsection, the
25 physician assistant or supervising physician must provide written
26 notice at least thirty days prior to the termination.

27 (ii) The physician assistant or supervising physician may
28 terminate the practice agreement immediately due to good faith
29 concerns regarding unprofessional conduct or failure to practice
30 medicine while exercising reasonable skill and safety.

31 (3) A practice agreement may be amended for any reason, such as
32 to add or remove supervising physicians or alternate physicians or to
33 amend the duties and responsibilities of the physician assistant.

34 (4) Whenever a physician assistant is practicing in a manner
35 inconsistent with the practice agreement, the commission may take
36 disciplinary action under chapter 18.130 RCW.

37 (5) Whenever a physician is subject to disciplinary action under
38 chapter 18.130 RCW related to the practice of a physician assistant,
39 the case must be referred to the appropriate disciplining authority.

1 (6) A physician assistant or physician may participate in more
2 than one practice agreement if he or she is reasonably able to
3 fulfill the duties and responsibilities in each agreement.

4 **Sec. 7.** RCW 18.71A.050 and 1994 sp.s. c 9 s 323 are each amended
5 to read as follows:

6 No physician who (~~supervises~~) enters into a practice agreement
7 with a licensed physician assistant in accordance with and within the
8 terms of any permission granted by the commission is considered as
9 aiding and abetting an unlicensed person to practice medicine. The
10 supervising physician and physician assistant shall each retain
11 professional and personal responsibility for any act which
12 constitutes the practice of medicine as defined in RCW 18.71.011 or
13 the practice of osteopathic medicine and surgery as defined in RCW
14 18.57.001 when performed by the physician assistant.

15 **Sec. 8.** RCW 18.71A.060 and 1994 sp.s. c 9 s 324 are each amended
16 to read as follows:

17 No health care services may be performed under this chapter in
18 any of the following areas:

19 (1) The measurement of the powers or range of human vision, or
20 the determination of the accommodation and refractive state of the
21 human eye or the scope of its functions in general, or the fitting or
22 adaptation of lenses or frames for the aid thereof.

23 (2) The prescribing or directing the use of, or using, any
24 optical device in connection with ocular exercises, visual training,
25 vision training, or orthoptics.

26 (3) The prescribing of contact lenses for, or the fitting or
27 adaptation of contact lenses to, the human eye.

28 (4) Nothing in this section shall preclude the performance of
29 routine visual screening.

30 (5) The practice of dentistry or dental hygiene as defined in
31 chapters 18.32 and 18.29 RCW respectively. The exemptions set forth
32 in RCW 18.32.030 (1) and (8), shall not apply to a physician
33 assistant.

34 (6) The practice of chiropractic as defined in chapter 18.25 RCW
35 including the adjustment or manipulation of the articulations of the
36 spine. Nothing in this subsection prohibits a physician assistant
37 from performing tasks within the scope of practice of a physician
38 licensed under chapter 18.57 RCW if one or more supervising

1 physicians in the physician assistant's practice agreement are
2 licensed under chapter 18.57 RCW.

3 (7) The practice of podiatric medicine and surgery as defined in
4 chapter 18.22 RCW.

5 **Sec. 9.** RCW 18.71A.090 and 2007 c 264 s 3 are each amended to
6 read as follows:

7 (1) A physician assistant may sign and attest to any
8 certificates, cards, forms, or other required documentation that the
9 physician assistant's supervising physician or physician group may
10 sign, provided that it is within the physician assistant's scope of
11 practice and is consistent with the terms of the physician
12 assistant's practice ((arrangement plan)) agreement as required by
13 this chapter.

14 (2) Notwithstanding any federal law, rule, or medical staff bylaw
15 provision to the contrary, a physician is not required to countersign
16 orders written in a patient's clinical record or an official form by
17 a physician assistant with whom the physician has a practice
18 agreement.

19 NEW SECTION. **Sec. 10.** A new section is added to chapter 18.71A
20 RCW to read as follows:

21 (1) The commission shall conduct an education and outreach
22 campaign to make license holders, health carriers, and the public
23 aware of the provisions of this act.

24 (2) This section expires August 1, 2023.

25 NEW SECTION. **Sec. 11.** A new section is added to chapter 18.71A
26 RCW to read as follows:

27 (1) On or after the effective date of this section, no new
28 licenses may be issued under chapter 18.57A RCW. The commission shall
29 license physician assistants licensed under chapter 18.57A RCW prior
30 to the effective date of this section as physician assistants under
31 this chapter when they renew their licenses.

32 (2) The board of osteopathic medicine and surgery remains the
33 disciplining authority under chapter 18.130 RCW for conduct occurring
34 while a physician assistant is licensed under chapter 18.57A RCW.

35 NEW SECTION. **Sec. 12.** A new section is added to chapter 18.71A
36 RCW to read as follows:

1 The commission and the board of osteopathic medicine and surgery
2 shall adopt any rules necessary to implement this act.

3 **Sec. 13.** RCW 7.68.030 and 2017 c 235 s 2 are each amended to
4 read as follows:

5 (1) It shall be the duty of the director to establish and
6 administer a program of benefits to innocent victims of criminal acts
7 within the terms and limitations of this chapter. The director may
8 apply for and, subject to appropriation, expend federal funds under
9 Public Law 98-473 and any other federal program providing financial
10 assistance to state crime victim compensation programs. The federal
11 funds shall be deposited in the state general fund and may be
12 expended only for purposes authorized by applicable federal law.

13 (2) The director shall:

14 (a) Establish and adopt rules governing the administration of
15 this chapter in accordance with chapter 34.05 RCW;

16 (b) Regulate the proof of accident and extent thereof, the proof
17 of death, and the proof of relationship and the extent of dependency;

18 (c) Supervise the medical, surgical, and hospital treatment to
19 the intent that it may be in all cases efficient and up to the
20 recognized standard of modern surgery;

21 (d) Issue proper receipts for moneys received and certificates
22 for benefits accrued or accruing;

23 (e) Designate a medical director who is licensed under chapter
24 18.57 or 18.71 RCW;

25 (f) Supervise the providing of prompt and efficient care and
26 treatment, including care provided by physician assistants governed
27 by the provisions of (~~chapters 18.57A and~~) chapter 18.71A RCW,
28 acting under a supervising physician, including chiropractic care,
29 and including care provided by licensed advanced registered nurse
30 practitioners, to victims at the least cost consistent with
31 promptness and efficiency, without discrimination or favoritism, and
32 with as great uniformity as the various and diverse surrounding
33 circumstances and locations of industries will permit and to that end
34 shall, from time to time, establish and adopt and supervise the
35 administration of printed forms, electronic communications, rules,
36 regulations, and practices for the furnishing of such care and
37 treatment. The medical coverage decisions of the department do not
38 constitute a "rule" as used in RCW 34.05.010(16), nor are such
39 decisions subject to the rule-making provisions of chapter 34.05 RCW

1 except that criteria for establishing medical coverage decisions
2 shall be adopted by rule. The department may recommend to a victim
3 particular health care services and providers where specialized
4 treatment is indicated or where cost-effective payment levels or
5 rates are obtained by the department, and the department may enter
6 into contracts for goods and services including, but not limited to,
7 durable medical equipment so long as statewide access to quality
8 service is maintained for injured victims;

9 (g) In consultation with interested persons, establish and, in
10 his or her discretion, periodically change as may be necessary, and
11 make available a fee schedule of the maximum charges to be made by
12 any physician, surgeon, chiropractor, hospital, druggist, licensed
13 advanced registered nurse practitioner, and physician assistants as
14 defined in (~~chapters 18.57A and~~) chapter 18.71A RCW, acting under a
15 supervising physician or other agency or person rendering services to
16 victims. The department shall coordinate with other state purchasers
17 of health care services to establish as much consistency and
18 uniformity in billing and coding practices as possible, taking into
19 account the unique requirements and differences between programs. No
20 service covered under this title, including services provided to
21 victims, whether aliens or other victims, who are not residing in the
22 United States at the time of receiving the services, shall be charged
23 or paid at a rate or rates exceeding those specified in such fee
24 schedule, and no contract providing for greater fees shall be valid
25 as to the excess. The establishment of such a schedule, exclusive of
26 conversion factors, does not constitute "agency action" as used in
27 RCW 34.05.010(3), nor does such a fee schedule constitute a "rule" as
28 used in RCW 34.05.010(16). Payments for providers' services under the
29 fee schedule established pursuant to this subsection (2) may not be
30 less than payments provided for comparable services under the
31 workers' compensation program under Title 51 RCW, provided:

32 (i) If the department, using caseload estimates, projects a
33 deficit in funding for the program by July 15th for the following
34 fiscal year, the director shall notify the governor and the
35 appropriate committees of the legislature and request funding
36 sufficient to continue payments to not less than payments provided
37 for comparable services under the workers' compensation program. If
38 sufficient funding is not provided to continue payments to not less
39 than payments provided for comparable services under the workers'
40 compensation program, the director shall reduce the payments under

1 the fee schedule for the following fiscal year based on caseload
2 estimates and available funding, except payments may not be reduced
3 to less than seventy percent of payments for comparable services
4 under the workers' compensation program;

5 (ii) If an unforeseeable catastrophic event results in
6 insufficient funding to continue payments to not less than payments
7 provided for comparable services under the workers' compensation
8 program, the director shall reduce the payments under the fee
9 schedule to not less than seventy percent of payments provided for
10 comparable services under the workers' compensation program, provided
11 that the reduction may not be more than necessary to fund benefits
12 under the program; and

13 (iii) Once sufficient funding is provided or otherwise available,
14 the director shall increase the payments under the fee schedule to
15 not less than payments provided for comparable services under the
16 workers' compensation program;

17 (h) Make a record of the commencement of every disability and the
18 termination thereof and, when bills are rendered for the care and
19 treatment of injured victims, shall approve and pay those which
20 conform to the adopted rules, regulations, established fee schedules,
21 and practices of the director and may reject any bill or item thereof
22 incurred in violation of the principles laid down in this section or
23 the rules, regulations, or the established fee schedules and rules
24 and regulations adopted under it.

25 (3) The director and his or her authorized assistants:

26 (a) Have power to issue subpoenas to enforce the attendance and
27 testimony of witnesses and the production and examination of books,
28 papers, photographs, tapes, and records before the department in
29 connection with any claim made to the department or any billing
30 submitted to the department. The superior court has the power to
31 enforce any such subpoena by proper proceedings;

32 (b) (i) May apply for and obtain a superior court order approving
33 and authorizing a subpoena in advance of its issuance. The
34 application may be made in the county where the subpoenaed person
35 resides or is found, or the county where the subpoenaed records or
36 documents are located, or in Thurston county. The application must
37 (A) state that an order is sought pursuant to this subsection; (B)
38 adequately specify the records, documents, or testimony; and (C)
39 declare under oath that an investigation is being conducted for a
40 lawfully authorized purpose related to an investigation within the

1 department's authority and that the subpoenaed documents or testimony
2 are reasonably related to an investigation within the department's
3 authority.

4 (ii) Where the application under this subsection (3)(b) is made
5 to the satisfaction of the court, the court must issue an order
6 approving the subpoena. An order under this subsection constitutes
7 authority of law for the agency to subpoena the records or testimony.

8 (iii) The director and his or her authorized assistants may seek
9 approval and a court may issue an order under this subsection without
10 prior notice to any person, including the person to whom the subpoena
11 is directed and the person who is the subject of an investigation.

12 (4) In all hearings, actions, or proceedings before the
13 department, any physician or licensed advanced registered nurse
14 practitioner having theretofore examined or treated the claimant may
15 be required to testify fully regarding such examination or treatment,
16 and shall not be exempt from so testifying by reason of the relation
17 of the physician or licensed advanced registered nurse practitioner
18 to the patient.

19 **Sec. 14.** RCW 18.06.140 and 2019 c 308 s 9 are each amended to
20 read as follows:

21 (1) When a person licensed under this chapter sees patients with
22 potentially serious disorders such as cardiac conditions, acute
23 abdominal symptoms, and such other conditions, the practitioner shall
24 immediately request a consultation or recent written diagnosis from a
25 primary health care provider licensed under chapter 18.71, 18.57,
26 (~~18.57A,~~) 18.36A, or 18.71A RCW or RCW 18.79.050. In the event that
27 the patient with the disorder refuses to authorize such consultation
28 or provide a recent diagnosis from such primary health care provider,
29 acupuncture or Eastern medicine treatments may only be continued
30 after the patient signs a written waiver acknowledging the risks
31 associated with the failure to pursue treatment from a primary health

14 **Sec. 19.** RCW 18.79.260 and 2012 c 164 s 407, 2012 c 13 s 3, and
15 2012 c 10 s 37 are each reenacted and amended to read as follows:

16 (1) A registered nurse under his or her license may perform for
17 compensation nursing care, as that term is usually understood, to
18 individuals with illnesses, injuries, or disabilities.

19 (2) A registered nurse may, at or under the general direction of
20 a licensed physician and surgeon, dentist, osteopathic physician and
21 surgeon, naturopathic physician, optometrist, podiatric physician and
22 surgeon, physician assistant, (~~osteopathic physician assistant,~~)
23 advanced registered nurse practitioner, or midwife acting within the
24 scope of his or her license, administer medications, treatments,
25 tests, and inoculations, whether or not the severing or penetrating
26 of tissues is involved and whether or not a degree of independent
27 judgment and skill is required. Such direction must be for acts which
28 are within the scope of registered nursing practice.

29 (3) A registered nurse may delegate tasks of nursing care to
30 other individuals where the registered nurse determines that it is in
31 the best interest of the patient.

32 (a) The delegating nurse shall:

33 (i) Determine the competency of the individual to perform the
34 tasks;

35 (ii) Evaluate the appropriateness of the delegation;

36 (iii) Supervise the actions of the person performing the
37 delegated task; and

38 (iv) Delegate only those tasks that are within the registered
39 nurse's scope of practice.

1 (b) A registered nurse, working for a home health or hospice
2 agency regulated under chapter 70.127 RCW, may delegate the
3 application, instillation, or insertion of medications to a
4 registered or certified nursing assistant under a plan of care.

5 (c) Except as authorized in (b) or (e) of this subsection, a
6 registered nurse may not delegate the administration of medications.
7 Except as authorized in (e) of this subsection, a registered nurse
8 may not delegate acts requiring substantial skill, and may not
9 delegate piercing or severing of tissues. Acts that require nursing
10 judgment shall not be delegated.

11 (d) No person may coerce a nurse into compromising patient safety
12 by requiring the nurse to delegate if the nurse determines that it is
13 inappropriate to do so. Nurses shall not be subject to any employer
14 reprisal or disciplinary action by the nursing care quality assurance
15 commission for refusing to delegate tasks or refusing to provide the
16 required training for delegation if the nurse determines delegation
17 may compromise patient safety.

18 (e) For delegation in community-based care settings or in-home
19 care settings, a registered nurse may delegate nursing care tasks
20 only to registered or certified nursing assistants or home care aides
21 certified under chapter 18.88B RCW. Simple care tasks such as blood
22 pressure monitoring, personal care service, diabetic insulin device
23 set up, verbal verification of insulin dosage for sight-impaired
24 individuals, or other tasks as defined by the nursing care quality
25 assurance commission are exempted from this requirement.

26 (i) "Community-based care settings" includes: Community
27 residential programs for people with developmental disabilities,
28 certified by the department of social and health services under
29 chapter 71A.12 RCW; adult family homes licensed under chapter 70.128
30 RCW; and assisted living facilities licensed under chapter 18.20 RCW.
31 Community-based care settings do not include acute care or skilled
32 nursing facilities.

33 (ii) "In-home care settings" include an individual's place of
34 temporary or permanent residence, but does not include acute care or
35 skilled nursing facilities, and does not include community-based care
36 settings as defined in (e)(i) of this subsection.

37 (iii) Delegation of nursing care tasks in community-based care
38 settings and in-home care settings is only allowed for individuals
39 who have a stable and predictable condition. "Stable and predictable
40 condition" means a situation in which the individual's clinical and

1 behavioral status is known and does not require the frequent presence
2 and evaluation of a registered nurse.

3 (iv) The determination of the appropriateness of delegation of a
4 nursing task is at the discretion of the registered nurse. Other than
5 delegation of the administration of insulin by injection for the
6 purpose of caring for individuals with diabetes, the administration
7 of medications by injection, sterile procedures, and central line
8 maintenance may never be delegated.

9 (v) When delegating insulin injections under this section, the
10 registered nurse delegator must instruct the individual regarding
11 proper injection procedures and the use of insulin, demonstrate
12 proper injection procedures, and must supervise and evaluate the
13 individual performing the delegated task weekly during the first four
14 weeks of delegation of insulin injections. If the registered nurse
15 delegator determines that the individual is competent to perform the
16 injection properly and safely, supervision and evaluation shall occur
17 at least every ninety days thereafter.

18 (vi)(A) The registered nurse shall verify that the nursing
19 assistant or home care aide, as the case may be, has completed the
20 required core nurse delegation training required in chapter 18.88A or
21 18.88B RCW prior to authorizing delegation.

22 (B) Before commencing any specific nursing tasks authorized to be
23 delegated in this section, a home care aide must be certified
24 pursuant to chapter 18.88B RCW and must comply with RCW 18.88B.070.

25 (vii) The nurse is accountable for his or her own individual
26 actions in the delegation process. Nurses acting within the protocols
27 of their delegation authority are immune from liability for any
28 action performed in the course of their delegation duties.

29 (viii) Nursing task delegation protocols are not intended to
30 regulate the settings in which delegation may occur, but are intended
31 to ensure that nursing care services have a consistent standard of
32 practice upon which the public and the profession may rely, and to
33 safeguard the authority of the nurse to make independent professional
34 decisions regarding the delegation of a task.

35 (f) The nursing care quality assurance commission may adopt rules
36 to implement this section.

37 (4) Only a person licensed as a registered nurse may instruct
38 nurses in technical subjects pertaining to nursing.

1 (5) Only a person licensed as a registered nurse may hold herself
2 or himself out to the public or designate herself or himself as a
3 registered nurse.

4 **Sec. 20.** RCW 18.79.270 and 2012 c 13 s 4 are each amended to
5 read as follows:

8 injured, or infirm, and in the course thereof may, under the
9 direction of a licensed physician and surgeon, osteopathic physician
10 and surgeon, dentist, naturopathic physician, podiatric physician and
11 surgeon, physician assistant, (~~osteopathic physician assistant,~~)
12 advanced registered nurse practitioner, or midwife acting under the
13 scope of his or her license, or at the direction and under the
14 supervision of a registered nurse, administer drugs, medications,
15 treatments, tests, injections, and inoculations, whether or not the
16 piercing of tissues is involved and whether or not a degree of
17 independent judgment and skill is required, when selected to do so by
18 one of the licensed practitioners designated in this section, or by a
19 registered nurse who need not be physically present; if the order
20 given is reduced to writing within a reasonable time and made a part
21 of the patient's record. Such direction must be for acts within the
22 scope of licensed practical nurse practice.

23 **Sec. 21.** RCW 18.89.020 and 2011 c 235 s 1 are each reenacted and

9 within this state may organize and become a shareholder or
10 shareholders of a professional corporation for pecuniary profit under

18 (viii) A social worker associate—advanced or social worker
19 associate—independent clinical licensed under chapter 18.225 RCW.

20 (b) The requirements in (a) of this subsection apply to a person
21 holding a retired active license for one of the professions in (a) of
22 this subsection.

23 (c) The training required by this subsection must be at least six
24 hours in length, unless a disciplining authority has determined,
25 under subsection (10)(b) of this section, that training that includes
26 only screening and referral elements is appropriate for the
27 profession in question, in which case the training must be at least
28 three hours in length.

29 (d) Beginning July 1, 2017, the training required by this
30 subsection must be on the model list developed under subsection (6)
31 of this section. Nothing in this subsection (1)(d) affects the

34 professional listed in subsection (1)(a) of this section must
35 complete the first training required by this section by the end of

39 (b) A professional listed in subsection (1)(a) of this section

4 years prior to the application for initial licensure.

5 (3) The hours spent completing training in suicide assessment,
6 treatment, and management under this section count toward meeting any
7 applicable continuing education or continuing competency requirements
8 for each profession.

9 (4)(a) A disciplining authority may, by rule, specify minimum
10 training and experience that is sufficient to exempt an individual
11 professional from the training requirements in subsections (1) and
12 (5) of this section. Nothing in this subsection (4)(a) allows a
13 disciplining authority to provide blanket exemptions to broad
14 categories or specialties within a profession.

15 (b) A disciplining authority may exempt a professional from the
16 training requirements of subsections (1) and (5) of this section if
17 the professional has only brief or limited patient contact.

18 (5)(a) Each of the following professionals credentialed under
19 Title 18 RCW shall complete a one-time training in suicide
20 assessment, treatment, and management that is approved by the

1 (~~(xi)~~) (x) A dental hygienist licensed under chapter 18.29 RCW;
2 (~~(xii)~~) (xi) An athletic trainer licensed under chapter 18.250
3 RCW; and

4 (~~(xiii)~~) (xii) A person holding a retired active license for

12 2016, or during the first full continuing education reporting period
13 after initial licensure, whichever is later. Training completed
14 between June 12, 2014, and January 1, 2016, that meets the
15 requirements of this section, other than the timing requirements of
16 this subsection (5)(b), must be accepted by the disciplining
17 authority as meeting the one-time training requirement of this
18 subsection (5).

19 (ii) A licensed pharmacist or a person holding a retired active
20 pharmacist license must complete the one-time training by the end of
21 the first full continuing education reporting period after January 1,
22 2017, or during the first full continuing education reporting period
23 after initial licensure, whichever is later.

24 (iii) A licensed dentist, a licensed dental hygienist, or a
25 person holding a retired active license as a dentist shall complete
26 the one-time training by the end of the full continuing education
27 reporting period after August 1, 2020, or during the first full
28 continuing education reporting period after initial licensure,
29 whichever is later. Training completed between July 23, 2017, and
30 August 1, 2020, that meets the requirements of this section, other
31 than the timing requirements of this subsection (5)(b)(iii), must be
32 accepted by the disciplining authority as meeting the one-time
33 training requirement of this subsection (5).

34 (c) The training required by this subsection must be at least six
35 hours in length, unless a disciplining authority has determined,
36 under subsection (10)(b) of this section, that training that includes
37 only screening and referral elements is appropriate for the
38 profession in question, in which case the training must be at least
39 three hours in length.

1 (d) Beginning July 1, 2017, the training required by this
2 subsection must be on the model list developed under subsection (6)
3 of this section. Nothing in this subsection (5)(d) affects the
4 validity of training completed prior to July 1, 2017.

5 (6)(a) The secretary and the disciplining authorities shall work
6 collaboratively to develop a model list of training programs in
7 suicide assessment, treatment, and management.

8 (b) The secretary and the disciplining authorities shall update
9 the list at least once every two years.

10 (c) By June 30, 2016, the department shall adopt rules
11 establishing minimum standards for the training programs included on
12 the model list. The minimum standards must require that six-hour
13 trainings include content specific to veterans and the assessment of
14 issues related to imminent harm via lethal means or self-injurious
15 behaviors and that three-hour trainings for pharmacists or dentists
16 include content related to the assessment of issues related to
17 imminent harm via lethal means. When adopting the rules required
18 under this subsection (6)(c), the department shall:

19 (i) Consult with the affected disciplining authorities, public
20 and private institutions of higher education, educators, experts in
21 suicide assessment, treatment, and management, the Washington
22 department of veterans affairs, and affected professional
23 associations; and

24 (ii) Consider standards related to the best practices registry of
25 the American foundation for suicide prevention and the suicide
26 prevention resource center.

27 (d) Beginning January 1, 2017:

28 (i) The model list must include only trainings that meet the
29 minimum standards established in the rules adopted under (c) of this
30 subsection and any three-hour trainings that met the requirements of
31 this section on or before July 24, 2015;

32 (ii) The model list must include six-hour trainings in suicide
33 assessment, treatment, and management, and three-hour trainings that
34 include only screening and referral elements; and

35 (iii) A person or entity providing the training required in this
36 section may petition the department for inclusion on the model list.
37 The department shall add the training to the list only if the
38 department determines that the training meets the minimum standards
39 established in the rules adopted under (c) of this subsection.

1 (7) The department shall provide the health profession training
2 standards created in this section to the professional educator
3 standards board as a model in meeting the requirements of RCW
4 28A.410.226 and provide technical assistance, as requested, in the
5 review and evaluation of educator training programs. The educator
6 training programs approved by the professional educator standards
7 board may be included in the department's model list.

8 (8) Nothing in this section may be interpreted to expand or limit
9 the scope of practice of any profession regulated under chapter
10 18.130 RCW.

11 (9) The secretary and the disciplining authorities affected by
12 this section shall adopt any rules necessary to implement this
13 section.

14 (10) For purposes of this section:

15 (a) "Disciplining authority" has the same meaning as in RCW
16 18.130.020.

17 (b) "Training in suicide assessment, treatment, and management"
18 means empirically supported training approved by the appropriate
19 disciplining authority that contains the following elements: Suicide
20 assessment, including screening and referral, suicide treatment, and
21 suicide management. However, the disciplining authority may approve
22 training that includes only screening and referral elements if
23 appropriate for the profession in question based on the profession's
24 scope of practice. The board of occupational therapy may also approve
25 training that includes only screening and referral elements if
26 appropriate for occupational therapy practitioners based on practice
27 setting.

28 (11) A state or local government employee is exempt from the
29 requirements of this section if he or she receives a total of at
30 least six hours of training in suicide assessment, treatment, and
31 management from his or her employer every six years. For purposes of
32 this subsection, the training may be provided in one six-hour block
33 or may be spread among shorter training sessions at the employer's
34 discretion.

35 (12) An employee of a community mental health agency licensed
36 under chapter 71.24 RCW or a chemical dependency program certified
37 under chapter 71.24 RCW is exempt from the requirements of this
38 section if he or she receives a total of at least six hours of
39 training in suicide assessment, treatment, and management from his or
40 her employer every six years. For purposes of this subsection, the

1 training may be provided in one six-hour block or may be spread among
2 shorter training sessions at the employer's discretion.

3 **Sec. 32.** RCW 43.70.470 and 2005 c 156 s 2 are each amended to
4 read as follows:

6 participation in the liability insurance program by retired health
7 care providers at clinics utilizing retired health care providers for

9 shall include, but not be limited to, the following:

14 advanced registered nurse practitioner under chapter 18.79 RCW, a
15 dentist under chapter 18.32 RCW, or other health professionals as may

34 compensation for providing health care services from patients served
35 pursuant to this section and RCW 43.70.460, nor from clinics serving
36 these patients. "Compensation" shall mean any remuneration of value
37 to the participating health care provider for services provided by
38 the health care provider, but shall not be construed to include any
39 nominal copayments charged by the clinic, nor reimbursement of

1 related expenses of a participating health care provider authorized

20 **Sec. 34.** RCW 46.61.506 and 2017 c 336 s 7 are each amended to
21 read as follows:

22 (1) Upon the trial of any civil or criminal action or proceeding
23 arising out of acts alleged to have been committed by any person
24 while driving or in actual physical control of a vehicle while under
25 the influence of intoxicating liquor or any drug, if the person's
26 alcohol concentration is less than 0.08 or the person's THC
27 concentration is less than 5.00, it is evidence that may be
28 considered with other competent evidence in determining whether the
29 person was under the influence of intoxicating liquor or any drug.

30 (2)(a) The breath analysis of the person's alcohol concentration
31 shall be based upon grams of alcohol per two hundred ten liters of
32 breath.

33 (b) The blood analysis of the person's THC concentration shall be
34 based upon nanograms per milliliter of whole blood.

35 (c) The foregoing provisions of this section shall not be
36 construed as limiting the introduction of any other competent
37 evidence bearing upon the question whether the person was under the
38 influence of intoxicating liquor or any drug.

1 (3) Analysis of the person's blood or breath to be considered
2 valid under the provisions of this section or RCW 46.61.502 or
3 46.61.504 shall have been performed according to methods approved by
4 the state toxicologist and by an individual possessing a valid permit
5 issued by the state toxicologist for this purpose. The state
6 toxicologist is directed to approve satisfactory techniques or
7 methods, to supervise the examination of individuals to ascertain
8 their qualifications and competence to conduct such analyses, and to
9 issue permits which shall be subject to termination or revocation at
10 the discretion of the state toxicologist.

11 (4)(a) A breath test performed by any instrument approved by the
12 state toxicologist shall be admissible at trial or in an
13 administrative proceeding if the prosecution or department produces
14 prima facie evidence of the following:

15 (i) The person who performed the test was authorized to perform
16 such test by the state toxicologist;

17 (ii) The person being tested did not vomit or have anything to
18 eat, drink, or smoke for at least fifteen minutes prior to
19 administration of the test;

20 (iii) The person being tested did not have any foreign
21 substances, not to include dental work or piercings, fixed or
22 removable, in his or her mouth at the beginning of the fifteen-minute
23 observation period;

24 (iv) Prior to the start of the test, the temperature of any
25 liquid simulator solution utilized as an external standard, as
26 measured by a thermometer approved of by the state toxicologist was
27 thirty-four degrees centigrade plus or minus 0.3 degrees centigrade;

28 (v) The internal standard test resulted in the message
29 "verified";

30 (vi) The two breath samples agree to within plus or minus ten
31 percent of their mean to be determined by the method approved by the
32 state toxicologist;

33 (vii) The result of the test of the liquid simulator solution
34 external standard or dry gas external standard result did lie
35 between .072 to .088 inclusive; and

36 (viii) All blank tests gave results of .000.

37 (b) For purposes of this section, "prima facie evidence" is
38 evidence of sufficient circumstances that would support a logical and
39 reasonable inference of the facts sought to be proved. In assessing
40 whether there is sufficient evidence of the foundational facts, the

1 court or administrative tribunal is to assume the truth of the
2 prosecution's or department's evidence and all reasonable inferences
3 from it in a light most favorable to the prosecution or department.

4 (c) Nothing in this section shall be deemed to prevent the
5 subject of the test from challenging the reliability or accuracy of
6 the test, the reliability or functioning of the instrument, or any
7 maintenance procedures. Such challenges, however, shall not preclude
8 the admissibility of the test once the prosecution or department has
9 made a prima facie showing of the requirements contained in (a) of
10 this subsection. Instead, such challenges may be considered by the
11 trier of fact in determining what weight to give to the test result.

12 (5) When a blood test is administered under the provisions of RCW
13 46.20.308, the withdrawal of blood for the purpose of determining its
14 alcohol or drug content may be performed only by a physician licensed
15 under chapter 18.71 RCW; an osteopathic physician licensed under
16 chapter 18.57 RCW; a registered nurse, licensed practical nurse, or
17 advanced registered nurse practitioner licensed under chapter 18.79
18 RCW; a physician assistant licensed under chapter 18.71A RCW; (~~an~~
19 ~~osteopathic physician assistant licensed under chapter 18.57A RCW;~~)
20 an advanced emergency medical technician or paramedic certified under
21 chapter 18.71 RCW; or a medical assistant-certified or medical
22 assistant-phlebotomist certified under chapter 18.360 RCW, a person
23 holding another credential under Title 18 RCW whose scope of practice
24 includes performing venous blood draws, or a forensic phlebotomist
25 certified under chapter 18.360 RCW. When the blood test is performed
26 outside the state of Washington, the withdrawal of blood for the
27 purpose of determining its alcohol or drug content may be performed
28 by any person who is authorized by the out-of-state jurisdiction to
29 perform venous blood draws. Proof of qualification to draw blood may
30 be established through the department of health's provider credential
31 search. This limitation shall not apply to the taking of breath
32 specimens.

33 (6) When a venous blood sample is performed by a forensic
34 phlebotomist certified under chapter 18.360 RCW, it must be done
35 under the following conditions:

36 (a) If taken at the scene, it must be performed in an ambulance
37 or aid service vehicle licensed by the department of health under
38 chapter 18.73 RCW.

39 (b) The collection of blood samples must not interfere with the
40 provision of essential medical care.

1 (c) The blood sample must be collected using sterile equipment
2 and the skin area of puncture must be thoroughly cleansed and
3 disinfected.

4 (d) The person whose blood is collected must be seated, reclined,
5 or lying down when the blood is collected.

6 (7) The person tested may have a licensed or certified health
7 care provider listed in subsection (5) of this section, or a
8 qualified technician, chemist, or other qualified person of his or
9 her own choosing administer one or more tests in addition to any
10 administered at the direction of a law enforcement officer. The test
11 will be admissible if the person establishes the general
12 acceptability of the testing technique or method. The failure or
13 inability to obtain an additional test by a person shall not preclude
14 the admission of evidence relating to the test or tests taken at the
15 direction of a law enforcement officer.

16 (8) Upon the request of the person who shall submit to a test or
17 tests at the request of a law enforcement officer, full information

15 (2) For purposes of this section and consistent with their lawful
16 scopes of practice, types of health care practitioners that provide

19 medical specialty of practitioners licensed under chapter 18.57 or
20 18.71 RCW who provides women's health care services; practitioners

28 gynecological care; general examination; and preventive care as
29 medically appropriate and medically appropriate follow-up visits for
30 the services listed in this subsection.

31 (4) Health care carriers shall ensure that enrolled female

33 health care services from the type of health care practitioner of
34 their choice in accordance with subsection (5) of this section.

1 the necessity of prior referral from another type of health care
2 practitioner.

3 (b) Health care carriers may comply with this section by
4 including all the types of health care practitioners listed in this
5 section for women's health care services for women patients.

6 (c) Nothing in this section shall prevent health care carriers
7 from restricting women patients to seeing only health care
8 practitioners who have signed participating provider agreements with
9 the health care carrier.

10 **Sec. 37.** RCW 48.43.094 and 2015 c 237 s 1 are each amended to
11 read as follows:

12 (1) For health plans issued or renewed on or after January 1,
13 2017:

14 (a) Benefits shall not be denied for any health care service
15 performed by a pharmacist licensed under chapter 18.64 RCW if:

16 (i) The service performed was within the lawful scope of such
17 person's license;

18 (ii) The plan would have provided benefits if the service had
19 been performed by a physician licensed under chapter 18.71 or 18.57
20 RCW, an advanced registered nurse practitioner licensed under chapter
21 18.79 RCW, or a physician's assistant licensed under chapter 18.71A
22 (~~or 18.57A~~) RCW; and

23 (iii) The pharmacist is included in the plan's network of
24 participating providers; and

25 (b) The health plan must include an adequate number of
26 pharmacists in its network of participating medical providers.

27 (2) The participation of pharmacies in the plan network's drug
28 benefit does not satisfy the requirement that plans include
29 pharmacists in their networks of participating medical providers.

30 (3) For health benefit plans issued or renewed on or after
31 January 1, 2016, but before January 1, 2017, health plans that
32 delegate credentialing agreements to contracted health care
33 facilities must accept credentialing for pharmacists employed or
34 contracted by those facilities. Health plans must reimburse
35 facilities for covered services provided by network pharmacists
36 within the pharmacists' scope of practice per negotiations with the
37 facility.

38 (4) This section does not supersede the requirements of RCW
39 48.43.045.

1 **Sec. 38.** RCW 48.43.115 and 2003 c 248 s 14 are each amended to
2 read as follows:

3 (1) The legislature recognizes the role of health care providers
4 as the appropriate authority to determine and establish the delivery
5 of quality health care services to maternity patients and their newly
6 born children. It is the intent of the legislature to recognize
7 patient preference and the clinical sovereignty of providers as they
8 make determinations regarding services provided and the length of
9 time individual patients may need to remain in a health care facility
10 after giving birth. It is not the intent of the legislature to
11 diminish a carrier's ability to utilize managed care strategies but
12 to ensure the clinical judgment of the provider is not undermined by
13 restrictive carrier contracts or utilization review criteria that
14 fail to recognize individual postpartum needs.

15 (2) Unless otherwise specifically provided, the following
16 definitions apply throughout this section:

17 (a) "Attending provider" means a provider who: Has clinical
18 hospital privileges consistent with RCW 70.43.020; is included in a
19 provider network of the carrier that is providing coverage; and is a
20 physician licensed under chapter 18.57 or 18.71 RCW, a certified
21 nurse midwife licensed under chapter 18.79 RCW, a midwife licensed
22 under chapter 18.50 RCW, a physician's assistant licensed under
23 chapter (~~(18.57A or)~~) 18.71A RCW, or an advanced registered nurse
24 practitioner licensed under chapter 18.79 RCW.

25 (b) "Health carrier" or "carrier" means disability insurers
26 regulated under chapter 48.20 or 48.21 RCW, health care services
27 contractors regulated under chapter 48.44 RCW, health maintenance
28 organizations regulated under chapter 48.46 RCW, plans operating
29 under the health care authority under chapter 41.05 RCW, the state
30 health insurance pool operating under chapter 48.41 RCW, and insuring
31 entities regulated under this chapter.

32 (3) (a) Every health carrier that provides coverage for maternity
33 services must permit the attending provider, in consultation with the
34 mother, to make decisions on the length of inpatient stay, rather
35 than making such decisions through contracts or agreements between
36 providers, hospitals, and insurers. These decisions must be based on
37 accepted medical practice.

38 (b) Covered eligible services may not be denied for inpatient,
39 postdelivery care to a mother and her newly born child after a

1 vaginal delivery or a cesarean section delivery for such care as
2 ordered by the attending provider in consultation with the mother.

3 (c) At the time of discharge, determination of the type and
4 location of follow-up care must be made by the attending provider in
5 consultation with the mother rather than by contract or agreement
6 between the hospital and the insurer. These decisions must be based
7 on accepted medical practice.

8 (d) Covered eligible services may not be denied for follow-up
9 care, including in-person care, as ordered by the attending provider
10 in consultation with the mother. Coverage for providers of follow-up
11 services must include, but need not be limited to, attending
12 providers as defined in this section, home health agencies licensed
13 under chapter 70.127 RCW, and registered nurses licensed under
14 chapter 18.79 RCW.

15 (e) This section does not require attending providers to
16 authorize care they believe to be medically unnecessary.

17 (f) Coverage for the newly born child must be no less than the
18 coverage of the child's mother for no less than three weeks, even if
19 there are separate hospital admissions.

20 (4) A carrier that provides coverage for maternity services may
21 not deselect, terminate the services of, require additional
22 documentation from, require additional utilization review of, reduce
23 payments to, or otherwise provide financial disincentives to any
24 attending provider or health care facility solely as a result of the
25 attending provider or health care facility ordering care consistent
26 with this section. This section does not prevent any insurer from
27 reimbursing an attending provider or health care facility on a
28 capitated, case rate, or other financial incentive basis.

29 (5) Every carrier that provides coverage for maternity services
30 must provide notice to policyholders regarding the coverage required
31 under this section. The notice must be in writing and must be
32 transmitted at the earliest of the next mailing to the policyholder,
33 the yearly summary of benefits sent to the policyholder, or January 1
34 of the year following June 6, 1996.

35 (6) This section does not establish a standard of medical care.

36 (7) This section applies to coverage for maternity services under
37 a contract issued or renewed by a health carrier after June 6, 1996,
38 and applies to plans operating under the health care authority under
39 chapter 41.05 RCW beginning January 1, 1998.

1 **Sec. 39.** RCW 51.04.030 and 2011 c 290 s 1 are each amended to

3 (1) The director shall supervise the providing of prompt and
4 efficient care and treatment, including care provided by physician
5 assistants governed by the provisions of (~~chapters 18.57A and~~)
6 chapter 18.71A RCW, acting under a supervising physician, including
7 chiropractic care, and including care provided by licensed advanced
8 registered nurse practitioners, to workers injured during the course
9 of their employment at the least cost consistent with promptness and
10 efficiency, without discrimination or favoritism, and with as great
11 uniformity as the various and diverse surrounding circumstances and
12 locations of industries will permit and to that end shall, from time
13 to time, establish and adopt and supervise the administration of
14 printed forms, rules, regulations, and practices for the furnishing
15 of such care and treatment: PROVIDED, That the medical coverage
16 decisions of the department do not constitute a "rule" as used in RCW
17 34.05.010(16), nor are such decisions subject to the rule-making
18 provisions of chapter 34.05 RCW except that criteria for establishing
19 medical coverage decisions shall be adopted by rule after
20 consultation with the workers' compensation advisory committee
21 established in RCW 51.04.110: PROVIDED FURTHER, That the department
22 may recommend to an injured worker particular health care services
23 and providers where specialized treatment is indicated or where cost-
24 effective payment levels or rates are obtained by the department: AND
25 PROVIDED FURTHER, That the department may enter into contracts for
26 goods and services including, but not limited to, durable medical
27 equipment so long as statewide access to quality service is
28 maintained for injured workers.

29 (2) The director shall, in consultation with interested persons,
30 establish and, in his or her discretion, periodically change as may
31 be necessary, and make available a fee schedule of the maximum
32 charges to be made by any physician, surgeon, chiropractor, hospital,
33 druggist, licensed advanced registered nurse practitioner,
34 physicians' assistants as defined in (~~chapters 18.57A and~~) chapter
35 18.71A RCW, acting under a supervising physician or other agency or
36 person rendering services to injured workers. The department shall
37 coordinate with other state purchasers of health care services to
38 establish as much consistency and uniformity in billing and coding
39 practices as possible, taking into account the unique requirements
40 and differences between programs. No service covered under this

1 title, including services provided to injured workers, whether aliens
2 or other injured workers, who are not residing in the United States
3 at the time of receiving the services, shall be charged or paid at a
4 rate or rates exceeding those specified in such fee schedule, and no
5 contract providing for greater fees shall be valid as to the excess.
6 The establishment of such a schedule, exclusive of conversion
7 factors, does not constitute "agency action" as used in RCW
8 34.05.010(3), nor does such a fee schedule and its associated billing
9 or payment instructions and policies constitute a "rule" as used in
10 RCW 34.05.010(16).

11 (3) The director or self-insurer, as the case may be, shall make
12 a record of the commencement of every disability and the termination
13 thereof and, when bills are rendered for the care and treatment of
14 injured workers, shall approve and pay those which conform to the
15 adopted rules, regulations, established fee schedules, and practices
16 of the director and may reject any bill or item thereof incurred in
17 violation of the principles laid down in this section or the rules,
18 regulations, or the established fee schedules and rules and
19 regulations adopted under it.

20 **Sec. 40.** RCW 51.28.100 and 2007 c 263 s 1 are each amended to
21 read as follows:

22 The department shall accept the signature of a physician
23 assistant on any certificate, card, form, or other documentation
24 required by the department that the physician assistant's supervising
25 physician or physicians may sign, provided that it is within the
26 physician assistant's scope of practice, and is consistent with the
27 terms of the physician assistant's practice (~~(arrangement plan)~~)
28 agreement as required by (~~chapters 18.57A and~~) chapter 18.71A RCW.
29 Consistent with the terms of this section, the authority of a
30 physician assistant to sign such certificates, cards, forms, or other
31 documentation includes, but is not limited to, the execution of the
32 certificate required in RCW 51.28.020. A physician assistant may not
33 rate a worker's permanent partial disability under RCW 51.32.055.

19 provided by the agreements to the extent consistent with the laws in
20 this state.

17 consumers as part of competitive telephone service, as defined in RCW
18 82.04.065; or

19 (vi) Purchases for the purpose of satisfying the person's
20 obligations under an extended warranty as defined in subsection (7)
21 of this section, if such tangible personal property replaces or
22 becomes an ingredient or component of property covered by the
23 extended warranty without intervening use by such person.

24 (b) The term includes every sale of tangible personal property
25 that is used or consumed or to be used or consumed in the performance
26 of any activity defined as a "sale at retail" or "retail sale" even
27 though such property is resold or used as provided in (a)(i) through
28 (vi) of this subsection following such use.

29 (c) The term also means every sale of tangible personal property
30 to persons engaged in any business that is taxable under RCW
31 82.04.280(1) (a), (b), and (g), 82.04.290, and 82.04.2908.

32 (2) The term "sale at retail" or "retail sale" includes the sale
33 of or charge made for tangible personal property consumed and/or for
34 labor and services rendered in respect to the following:

35 (a) The installing, repairing, cleaning, altering, imprinting, or
36 improving of tangible personal property of or for consumers,
37 including charges made for the mere use of facilities in respect
38 thereto, but excluding charges made for the use of self-service
39 laundry facilities, and also excluding sales of laundry service to

1 nonprofit health care facilities, and excluding services rendered in
2 respect to live animals, birds and insects;

3 (b) The constructing, repairing, decorating, or improving of new
4 or existing buildings or other structures under, upon, or above real
5 property of or for consumers, including the installing or attaching
6 of any article of tangible personal property therein or thereto,

8 virtue of installation, and also includes the sale of services or

10 excepting the mere leveling of land used in commercial farming or
11 agriculture;

12 (c) The constructing, repairing, or improving of any structure
13 upon, above, or under any real property owned by an owner who conveys
14 the property by title, possession, or any other means to the person
15 performing such construction, repair, or improvement for the purpose
16 of performing such construction, repair, or improvement and the
17 property is then reconveyed by title, possession, or any other means
18 to the original owner;

33 rooming house, tourist court, motel, trailer camp, and the granting
34 of any similar license to use real property, as distinguished from
35 the renting or leasing of real property, and it is presumed that the
36 occupancy of real property for a continuous period of one month or
37 more constitutes a rental or lease of real property and not a mere
38 license to use or enjoy the same. For the purposes of this
39 subsection, it is presumed that the sale of and charge made for the
40 furnishing of lodging for a continuous period of one month or more to

1 a person is a rental or lease of real property and not a mere license
2 to enjoy the same;

3 (g) The installing, repairing, altering, or improving of digital
4 goods for consumers;

5 (h) Persons taxable under (a), (b), (c), (d), (e), (f), and (g)

7 and services which are used or consumed in whole or in part by such
8 persons in the performance of any activity defined as a "sale at
9 retail" or "retail sale" even though such property, labor and
10 services may be resold after such use or consumption. Nothing
11 contained in this subsection may be construed to modify subsection
12 (1) of this section and nothing contained in subsection (1) of this
13 section may be construed to modify this subsection.

14 (3) The term "sale at retail" or "retail sale" includes the sale
15 of or charge made for personal, business, or professional services
16 including amounts designated as interest, rents, fees, admission, and

20 (b) Credit bureau services;

21 (c) Automobile parking and storage garage services;

32 (g) (i) Operating an athletic or fitness facility, including all
33 charges for the use of such a facility or for any associated services
34 and amenities, except as provided in (g) (ii) of this subsection.

35 (ii) Notwithstanding anything to the contrary in (g) (i) of this
36 subsection (3), the term "sale at retail" and "retail sale" under
37 this subsection does not include:

38 (A) Separately stated charges for the use of an athletic or
39 fitness facility where such use is primarily for a purpose other than
40 engaging in or receiving instruction in a physical fitness activity;

1 (B) Separately stated charges for the use of a discrete portion
2 of an athletic or fitness facility, other than a pool, where such

5 (C) Separately stated charges for services, such as advertising,
6 massage, nutritional consulting, and body composition testing, that
7 do not require the customer to engage in physical fitness activities

9 (3)(g)(ii)(C) does not apply to personal training services and
10 instruction in a physical fitness activity;

11 (D) Separately stated charges for physical therapy provided by a
12 physical therapist, as those terms are defined in RCW 18.74.010, or
13 occupational therapy provided by an occupational therapy
14 practitioner, as those terms are defined in RCW 18.59.020, when
15 performed pursuant to a referral from an authorized health care
16 practitioner or in consultation with an authorized health care
17 practitioner. For the purposes of this subsection (3)(g)(ii)(D), an
18 authorized health care practitioner means a health care practitioner
19 licensed under chapter 18.83, 18.25, 18.36A, 18.57, (~~18.57A,~~)
20 18.71, or 18.71A RCW;

21 (E) Rent or association fees charged by a landlord or residential
22 association to a tenant or residential owner with access to an
23 athletic or fitness facility maintained by the landlord or
24 residential association, unless the rent or fee varies depending on
25 whether the tenant or owner has access to the facility;

28 the employer for use without charge by its employees or their family

31 an educational institution to its students and staff. However,
32 charges made by an educational institution to its alumni or other
33 members of the public for the use of any of the educational
34 institution's athletic or fitness facilities are a retail sale under
35 this subsection (3)(g). For purposes of this subsection
36 (3)(g)(ii)(G), "educational institution" has the same meaning as in
37 RCW 82.04.170;

38 (H) Yoga, chi gong, or martial arts classes, training, or events
39 held at a community center, park, school gymnasium, college or
40 university, hospital or other medical facility, private residence, or

1 any other facility that is not operated within and as part of an
2 athletic or fitness facility.

3 (iii) Nothing in (g)(ii) of this subsection (3) may be construed
4 to affect the taxation of sales made by the operator of an athletic
5 or fitness facility, where such sales are defined as a retail sale
6 under any provision of this section other than this subsection (3).

7 (iv) For the purposes of this subsection (3)(g), the following
8 definitions apply:

9 (A) "Athletic or fitness facility" means an indoor or outdoor
10 facility or portion of a facility that is primarily used for:
11 Exercise classes; strength and conditioning programs; personal
12 training services; tennis, racquetball, handball, squash, or
13 pickleball; or other activities requiring the use of exercise or
14 strength training equipment, such as treadmills, elliptical machines,
15 stair climbers, stationary cycles, rowing machines, pilates
16 equipment, balls, climbing ropes, jump ropes, and weightlifting
17 equipment.

18 (B) "Martial arts" means any of the various systems of training
19 for physical combat or self-defense. "Martial arts" includes, but is
20 not limited to, karate, kung fu, tae kwon do, Krav Maga, boxing,
21 kickboxing, jujitsu, shootfighting, wrestling, aikido, judo, hapkido,
22 Kendo, tai chi, and mixed martial arts.

23 (C) "Physical fitness activities" means activities that involve
24 physical exertion for the purpose of improving or maintaining the
25 general fitness, strength, flexibility, conditioning, or health of
26 the participant. "Physical fitness activities" includes participating
27 in yoga, chi gong, or martial arts.

28 (4)(a) The term also includes the renting or leasing of tangible
29 personal property to consumers.

30 (b) The term does not include the renting or leasing of tangible
31 personal property where the lease or rental is for the purpose of
32 sublease or subrent.

33 (5) The term also includes the providing of "competitive
34 telephone service," "telecommunications service," or "ancillary
35 services," as those terms are defined in RCW 82.04.065, to consumers.

36 (6)(a) The term also includes the sale of prewritten computer
37 software to a consumer, regardless of the method of delivery to the
38 end user. For purposes of (a) and (b) of this subsection, the sale of
39 prewritten computer software includes the sale of or charge made for
40 a key or an enabling or activation code, where the key or code is

1 required to activate prewritten computer software and put the
2 software into use. There is no separate sale of the key or code from
3 the prewritten computer software, regardless of how the sale may be
4 characterized by the vendor or by the purchaser.

5 (b) The term "retail sale" does not include the sale of or charge
6 made for:

7 (i) Custom software; or

8 (ii) The customization of prewritten computer software.

9 (c)(i) The term also includes the charge made to consumers for
10 the right to access and use prewritten computer software, where
11 possession of the software is maintained by the seller or a third
12 party, regardless of whether the charge for the service is on a per
13 use, per user, per license, subscription, or some other basis.

14 (ii)(A) The service described in (c)(i) of this subsection (6)
15 includes the right to access and use prewritten computer software to
16 perform data processing.

17 (B) For purposes of this subsection (6)(c)(ii), "data processing"
18 means the systematic performance of operations on data to extract the
19 required information in an appropriate form or to convert the data to
20 usable information. Data processing includes check processing, image
21 processing, form processing, survey processing, payroll processing,
22 claim processing, and similar activities.

23 (7) The term also includes the sale of or charge made for an
24 extended warranty to a consumer. For purposes of this subsection,
25 "extended warranty" means an agreement for a specified duration to
26 perform the replacement or repair of tangible personal property at no
27 additional charge or a reduced charge for tangible personal property,
28 labor, or both, or to provide indemnification for the replacement or
29 repair of tangible personal property, based on the occurrence of
30 specified events. The term "extended warranty" does not include an
31 agreement, otherwise meeting the definition of extended warranty in
32 this subsection, if no separate charge is made for the agreement and
33 the value of the agreement is included in the sales price of the
34 tangible personal property covered by the agreement. For purposes of
35 this subsection, "sales price" has the same meaning as in RCW
36 82.08.010.

37 (8)(a) The term also includes the following sales to consumers of
38 digital goods, digital codes, and digital automated services:

39 (i) Sales in which the seller has granted the purchaser the right
40 of permanent use;

1 (ii) Sales in which the seller has granted the purchaser a right
2 of use that is less than permanent;

3 (iii) Sales in which the purchaser is not obligated to make
4 continued payment as a condition of the sale; and

5 (iv) Sales in which the purchaser is obligated to make continued
6 payment as a condition of the sale.

7 (b) A retail sale of digital goods, digital codes, or digital
8 automated services under this subsection (8) includes any services
9 provided by the seller exclusively in connection with the digital
10 goods, digital codes, or digital automated services, whether or not a
11 separate charge is made for such services.

12 (c) For purposes of this subsection, "permanent" means perpetual
13 or for an indefinite or unspecified length of time. A right of
14 permanent use is presumed to have been granted unless the agreement
15 between the seller and the purchaser specifies or the circumstances
16 surrounding the transaction suggest or indicate that the right to use
17 terminates on the occurrence of a condition subsequent.

18 (9) The term also includes the charge made for providing tangible
19 personal property along with an operator for a fixed or indeterminate
20 period of time. A consideration of this is that the operator is
21 necessary for the tangible personal property to perform as designed.
22 For the purpose of this subsection (9), an operator must do more than
23 maintain, inspect, or set up the tangible personal property.

24 (10) The term does not include the sale of or charge made for
25 labor and services rendered in respect to the building, repairing, or
26 improving of any street, place, road, highway, easement, right-of-
27 way, mass public transportation terminal or parking facility, bridge,
28 tunnel, or trestle which is owned by a municipal corporation or
29 political subdivision of the state or by the United States and which
30 is used or to be used primarily for foot or vehicular traffic
31 including mass transportation vehicles of any kind.

32 (11) The term also does not include sales of chemical sprays or
33 washes to persons for the purpose of postharvest treatment of fruit
34 for the prevention of scald, fungus, mold, or decay, nor does it
35 include sales of feed, seed, seedlings, fertilizer, agents for
36 enhanced pollination including insects such as bees, and spray
37 materials to: (a) Persons who participate in the federal conservation
38 reserve program, the environmental quality incentives program, the
39 wetlands reserve program, and the wildlife habitat incentives
40 program, or their successors administered by the United States

1 department of agriculture; (b) farmers for the purpose of producing
2 for sale any agricultural product; (c) farmers for the purpose of
3 providing bee pollination services; and (d) farmers acting under
4 cooperative habitat development or access contracts with an
5 organization exempt from federal income tax under 26 U.S.C. Sec.
6 501(c)(3) of the federal internal revenue code or the Washington
7 state department of fish and wildlife to produce or improve wildlife
8 habitat on land that the farmer owns or leases.

9 (12) The term does not include the sale of or charge made for
10 labor and services rendered in respect to the constructing,
11 repairing, decorating, or improving of new or existing buildings or
12 other structures under, upon, or above real property of or for the
13 United States, any instrumentality thereof, or a county or city
14 housing authority created pursuant to chapter 35.82 RCW, including
15 the installing, or attaching of any article of tangible personal
16 property therein or thereto, whether or not such personal property
17 becomes a part of the realty by virtue of installation. Nor does the
18 term include the sale of services or charges made for the clearing of
19 land and the moving of earth of or for the United States, any
20 instrumentality thereof, or a county or city housing authority. Nor
21 does the term include the sale of services or charges made for
22 cleaning up for the United States, or its instrumentalities,
23 radioactive waste and other by-products of weapons production and
24 nuclear research and development.

25 (13) The term does not include the sale of or charge made for
26 labor, services, or tangible personal property pursuant to agreements
27 providing maintenance services for bus, rail, or rail fixed guideway
28 equipment when a regional transit authority is the recipient of the
29 labor, services, or tangible personal property, and a transit agency,
30 as defined in RCW 81.104.015, performs the labor or services.

31 (14) The term does not include the sale for resale of any service
32 described in this section if the sale would otherwise constitute a
33 "sale at retail" and "retail sale" under this section.

34 (15)(a) The term "sale at retail" or "retail sale" includes
35 amounts charged, however labeled, to consumers to engage in any of
36 the activities listed in this subsection (15)(a), including the
37 furnishing of any associated equipment or, except as otherwise
38 provided in this subsection, providing instruction in such
39 activities, where such charges are not otherwise defined as a "sale
40 at retail" or "retail sale" in this section:

1 (i)(A) Golf, including any variant in which either golf balls or
2 golf clubs are used, such as miniature golf, hitting golf balls at a
