

HB 1309 - DIGEST

Increases the fee, from five dollars to one hundred dollars, on the retail sale of each new tire sold that contains studs.

Decreases the amount, from ten percent to one percent, that the seller can retain.

Prohibits a person, firm, or corporation from selling or offering for sale a studded tire or a stud for installation in a tire.

Prohibits the use of metal studs imbedded within a tire on any vehicle on public highways.
