AS AMENDED BY THE HOUSE

Passed Legislature - 2021 Regular Session

**State of Washington                      67th Legislature                      2021 Regular Session**

**By** Senate Law & Justice (originally sponsored by Senators Conway, Darneille, Nguyen, and Wilson, C.)

READ FIRST TIME 02/12/21.

1            AN ACT Relating to creating a partnership model that facilitates  
2 community engagement with law enforcement; adding a new section to  
3 chapter 43.330 RCW; creating a new section; and providing an  
4 expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6            NEW SECTION.        **Sec. 1.**    The legislature finds that community  
7 engagement is a foundational principle of successful community  
8 policing practices. When individuals and neighborhood groups are  
9 encouraged to partner with law enforcement, a powerful alliance can  
10 be built on mutual trust and respect and mitigate polarization  
11 between police departments and community groups. A successful  
12 community-police partnership leads to the achievement of shared goals  
13 of improving safety and quality of life and ensuring that public  
14 safety services are tailored to the needs of local communities.

15            The legislature recognizes current efforts in Washington to  
16 mobilize communities to insist on equitable and accountable practices  
17 that will result in community participation in public safety efforts  
18 as well as establish cooperative lines of communication between  
19 civilians and law enforcement. Laudable community engagement models  
20 such as the safe streets campaign in Pierce county, safe Yakima in  
21 Yakima county, and the Okanogan county community coalition are

1 recognized to mitigate crime trends by engaging the community and law  
2 enforcement in cooperative efforts to improve public safety.

3 The department of commerce intends to foster community engagement  
4 with law enforcement officers through the creation of a community  
5 engagement project in 15 communities across the state of Washington  
6 with a mix of urban, rural, and suburban areas to facilitate  
7 community-law enforcement partnerships and improve police-community  
8 relations. The department will implement a project evaluation to  
9 measure and examine the impact of local initiatives on community  
10 engagement, neighborhood safety, and positive community-police  
11 relations.

12 The funded projects will facilitate the empowerment of  
13 communities to engage in crime prevention efforts through  
14 neighborhood organizing, law enforcement-community partnerships,  
15 youth mobilization, and business engagement.

16 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.330  
17 RCW to read as follows:
