## STYLE AND FORMAT OF THE WASHINGTON STATE REGISTER

### 1. ARRANGEMENT OF THE REGISTER

Documents are arranged within each issue of the Register according to the order in which they are filed in the code reviser's office during the pertinent filing period. The three part number in the heading distinctively identifies each document, and the last part of the number indicates the filing sequence within an issue's material.

### 2. PROPOSED, ADOPTED, AND EMERGENCY RULES OF STATE AGENCIES AND INSTITUTIONS OF HIGHER EDUCATION

The three types of rule-making actions taken under the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW) may be distinguished by the size and style of type in which they appear.

- (a) **Proposed rules** are those rules pending permanent adoption by an agency and set forth in eight point type.
- (b) **Adopted rules** have been permanently adopted and are set forth in ten point type.
- (c) **Emergency rules** have been adopted on an emergency basis and are set forth in ten point oblique type.

### 3. PRINTING STYLE—INDICATION OF NEW OR DELETED MATTER

RCW 34.04.058 requires the use of certain marks to indicate amendments to existing agency rules. This style quickly and graphically portrays the current changes to existing rules as follows:

- (a) In amendatory sections—
  - (i) underlined matter is new matter;
  - (ii) deleted matter is (~~lined out and bracketed between double parentheses~~);
- (b) Complete new sections are prefaced by the heading **NEW SECTION**;
- (c) The repeal of an entire section is shown by listing its WAC section number and caption under the heading **REPEALER**.

### 4. EXECUTIVE ORDERS, COURT RULES, NOTICES OF PUBLIC MEETINGS

Material contained in the Register other than rule-making actions taken under the APA or the HEAPA does not necessarily conform to the style and format conventions described above. The headings of these other types of material have been edited for uniformity of style; otherwise the items are shown as nearly as possible in the form submitted to the code reviser's office.

### 5. EFFECTIVE DATE OF RULES

- (a) Permanently adopted agency rules take effect thirty days after the rules and the agency order adopting them are filed with the code reviser. This effective date may be delayed, but not advanced, and a delayed effective date will be noted in the promulgation statement preceding the text of the rule.
- (b) Emergency rules take effect upon filing with the code reviser and remain effective for a maximum of ninety days from that date.
- (c) Rules of the state Supreme Court generally contain an effective date clause in the order adopting the rules.

### 6. EDITORIAL CORRECTIONS

Material inserted by the code reviser for purposes of clarification or correction or to show the source or history of a document is enclosed in brackets [ ].

### 7. INDEX AND TABLES

A combined subject matter and agency index and a table of WAC sections affected may be found at the end of each issue.

**EMERGENCY RULES**  
**DEPARTMENT OF AGRICULTURE**  
 [Order 1739—Filed May 14, 1981]

I, M. Keith Ellis, director of the Washington State Department of Agriculture, do promulgate and adopt at Olympia, Washington, the annexed rules relating to application and fees, amending WAC 16-316-474, 16-316-530, 16-316-700 and 16-316-910.

I, M. Keith Ellis, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to public interest. A statement of the facts constituting such emergency is the Washington State Crop Improvement Association's costs have increased to such an extent that they are not able to fully complete seed certification inspections without raising fees for such inspections. Emergency regulations are necessary to implement this increase for the current season which begins in June. This fee increase has been agreed to by the Washington State Crop Improvement Association.

Such rules are therefore adopted as emergency rules to take effect upon filing with the code reviser.

This rule is promulgated pursuant to chapter 15.49 RCW and is intended to administratively implement that statute.

The undersigned hereby declares that he has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW), as appropriate, and the State Register Act (chapter 34.08 RCW).

**STATEMENT OF PURPOSE**

Chapter 478-276 WAC: Rules and regulations for the University of Washington governing access to public records.

Statutory Authority: Chapter 1, Laws of 1973, Disclosure—Campaign—Finances—Lobbying—Records, and in particular sections 25-32 dealing with public records.

Chapter 478-276 WAC provides the procedures by which the University of Washington complies with the provisions of chapter 1, Laws of 1973, in regard to the release and copying of the university's public records.

A major revision has been made in WAC 478-276-130 stating why the University of Washington no longer maintains a current

index of its public records, and minor alterations have been made to certain sections to bring them up-to-date.

Names and addresses of university personnel who are responsible for drafting, implementation and enforcement of the rule: Virginia (Polly) Clark, Public Records Officer, Visitors Information Center, HI-22, University of Washington, 4014 University Way N.E., Seattle, WA 98105; Mary Lou La Pierre, Director, University Information Center, University Relations and Development Office, AI-10, University of Washington, Seattle, WA 98195; and Stanton E. Schmid, Director, University Relations and Development Office, AI-10, University of Washington, Seattle, WA 98195.

The primary revision which has been made in WAC 478-276-130, University Records, states that the university has issued a formal order through the Board of Regents indicating why it would be unduly burdensome to maintain a current index of all university records and to provide in its place the indexing devices maintained for university use. The proposed changes do not result from federal law or federal or state court action.

(b) Those statements of policy and interpretations of policy, statute and the constitution which have been adopted by the agency;
(c) Administrative staff manuals and instructions to staff that affect a member of the public;
(d) Planning policies and goals, and interim and final planning decisions;
(e) Factual staff reports and studies, factual consultant's reports and studies, scientific reports and studies, and any other factual information derived from tests, studies, reports or surveys, whether conducted by public employees or others; and
(f) Correspondence, and materials referred to therein, by and with the agency relating to any regulatory, supervisory or enforcement responsibilities of the agency; whereby the agency determines, or opines upon, or is asked to determine or opine upon, the rights of the state; the public, a subdivision of state government, or of any private party.

(2) Availability. The current index promulgated by the department shall be available to all persons under the same rules and on the same conditions as are applied to public records available for inspection:)) (1) The department finds that it would be unduly burdensome and would interfere with agency operations to maintain an index of records as specified in RCW 42.17.260(3) because of the complexity and diversity of its operations and the resulting volume of manuals, correspondence, reports, surveys, staff studies and other materials.

(2) The department will make available for public disclosure all indices which may at a future time be developed for agency use.

### AMENDATORY SECTION (Amending Order 1618, filed 3/4/81)

WAC 388-15-208 DEFINITIONS. (1) "Chore services" consist of light household tasks and/or personal care, as defined by the department, which eligible persons are unable to do for themselves.

(2) "Protective supervision" is a service provided through the chore program when it is dangerous for a client to be left alone. Protective supervision does not include responsibilities that a legal guardian should assume.

(3) "Contracted program" denotes that method of chore service delivery where the contractor is responsible for recruiting, supervising, training, and paying the chore provider.

(4) "Individual-provider-program" denotes that method of chore service delivery where the client employs and supervises the chore provider. Payment is made to the client, who in turn pays the provider.

(5) "Own home" shall mean the individual's present or intended place of residence whether that is in a building rented or owned by the client or in the home of another person. Chore services are provided within the confines of the home property except for essential shopping and errands and transportation necessary for the completion of authorized tasks. An adult family home or children's foster home is not considered own home for purposes of the chore program, except as provided in WAC 388-15-215(2).

(6) The "Client Review Questionnaire" is an adult assessment form which determines the amount and type of chore services to be provided. The form is used by

department staff to identify, document and score the allowable chore service needs of all eligible persons.

(7) The "CRQ Authorization Ceiling Chart" indicates the maximum number of hours that can be authorized for a client's score.

(8) "Personal care" shall mean such tasks as dressing/undressing, care of appearance, body care, bed transfer, ambulation, wheelchair transfer, bathing, toileting, and reminding to take medicines which a person would normally provide for himself/herself and are necessary to maintain a person in his/her own home. Sterile procedures and administering medications by injection are not authorized personal care tasks, unless the individual provider program worker is a licensed health practitioner or a member of the client's immediate family.

(9) "Attendant care" is the service provided to a client who requires assistance with unscheduled tasks, i.e., toileting, ambulation, and wheelchair transfer, and is authorized a monthly rate payment in the individual-provider-program.

(10) "Shared living arrangement" occurs when two or more adults share expenses and live together in their own home with common facilities, such as living, cooking and eating areas.

#### AMENDATORY SECTION (Amending Order 1618, filed 3/4/81)

WAC 388-15-212 SERVICE DETERMINATIONS. (1) Chore services need and amount determination for all applicants and recipients of chore services will be made by using the Client Review Questionnaire on each adult.

(2) Department staff will administer the Client Review Questionnaire.

(3) When administering the Client Review Questionnaire, department staff will take into account the client's ability to perform activities of daily living, living conditions and arrangements, and the availability and use of alternative resources, including immediate family, other relatives, neighbors, friends and community programs.

(4)(a) The Client Review Questionnaire is a series of questions designed to determine the client's need for the tasks which are available from the chore program. In answering each question, either "N", "M", "S", or "T" is circled to indicate the extent of assistance the client needs from the chore program for each task. "N", "M", "S", or "T" are defined as:

(i) N = Needs No Assistance: The client is either able to perform this task without help or is already receiving all the help needed from other sources.

(ii) M = Needs Minimal Assistance: The client cannot perform this task without help and needs a minimal amount of assistance from the chore program in addition to whatever help may or may not be received from other sources.

(iii) S = Needs Substantial Assistance: The client cannot perform this task without help and needs a substantial amount of assistance from the chore program in addition to whatever help may or may not be received from other sources.

(iv) T = Needs Total Assistance: Client is completely unable to perform this task and is not now receiving any help and needs total assistance from the chore program.

(b) Points are awarded for each task based on the degree of assistance needed from the chore services program. The number of points available for each task is set forth in subsection (5) of this section. The point total is converted into maximum allowable hours using the table set forth in subsection (6) of this section. For clients needing protective supervision or attendant care, as defined in subsection (5) of this section, the amount of services authorized is based on the total number of hours per month the chore provider must be with the client.

(5) The allowable chore services program tasks, as defined by the department, are scored as follows:

(a) Escort/Transport to Medical Services. The scoring is as follows, based on the need and frequency of service: N = 0, M = 1, S = 2, T = 3.

(b) Essential Shopping and Errands. The scoring is based on need and frequency of service: N = 0, M = 5, S = 10, T = 15. When the chore provider must perform these tasks for the client because the client is unable to go along, the scoring is N = 0, M = 1, S = 3, and T = 5.

~~((c) Essential Telephoning. The scoring is N = 0, M = 1, S = 2, T = 3. When there is no telephone in the home where the client lives, additional points are allowed so that the chore provider or client may use a telephone elsewhere. The additional scoring is N = 0, M = 1, S = 2, and T = 3.~~

~~(d) Essential Writing. The scoring is N = 0, M = 1, S = 2, and T = 3.~~

~~(e) Noncosmetic Yard Care. The scoring is N = 0, M = 1, S = 2, and T = 3.~~

~~(f)) (c) Splitting/Stacking/Carrying Wood. The scoring is N = 0, M = 3, S = 5, and T = 7. This task is available only to persons who use wood as their sole source of fuel for heat and/or cooking.~~

~~((g) Simple Household Maintenance. The scoring is N = 0, M = 1, S = 2, and T = 3.~~

~~(h)) (d) Laundry. The scoring is N = 0, M = 1, S = 2, and T = 3. If there are no laundry facilities in the client's own home, additional points are awarded. The scoring for the additional points is N = 0, M = 3, S = 5, and T = 7.~~

~~((i)) (e) Housework. Housework is limited to tasks necessary to protect the client's health and safety and to those areas of the home actually used by the client, i.e., kitchen, bathroom, bedroom, living room, and dining room. The scoring is N = 0, M = ((3)) 1, S = ((5)) 2, and T = ((7)) 3. ~~((An additional three points is awarded if the client lives in a house which is unusually difficult to maintain and/or lacks housecleaning equipment necessary to keep the home clean.~~~~

~~(j)) (f) Cooking. The scoring is based on the preparation of three meals, as follows:~~

~~(i) Breakfast N = 0, M = 4, S = 7, T = 10.~~

~~(ii) Light Meal N = 0, M = 4, S = 7, T = 10.~~

~~(iii) Main Meal N = 0, M = 5, S = 10, T = 15.~~

~~((k)) (g) Feeding. The scoring is based on feeding three meals, as follows:~~

~~(i) Breakfast N = 0, M = 4, S = 7, T = 10.~~

- (ii) Light Meal N = 0, M = 4, S = 7, T = 10.
- (iii) Main Meal N = 0, M = 5, S = 10, T = 15.
- ((†)) (h) Dressing/Undressing. The scoring is N = 0, M = 4, S = 7, and T = 10.
- ((†)) (i) Care of Appearance. The scoring is N = 0, M = 1, S = 3, and T = 5.
- ((†)) (j) Body Care. The scoring is N = 0, M = 5, S = 10, and T = 15.
- ((†)) (k) Bed Transfer. The scoring is N = 0, M = 1, S = 3, and T = 5.
- ((†)) (l) Ambulation. The scoring is N = 0, M = 4, S = 7, and T = 10.
- ((†)) (m) Wheelchair Transfer. The scoring is N = 0, M = 1, S = 3, and T = 5.
- ((†)) (n) Bathing. The scoring is N = 0, M = 4, S = 7, and T = 10.
- ((†)) (o) Toileting. The scoring is N = 0, M = 5, S = 10, and T = 15.
- ((†)) (p) Remind to Take Medicines. The scoring for reminding to take medication is N = 0, M = 1, S = 2, and T = 3.
- ((†)) (q) Family Care. The family care question has four parts. Each part considers the ages, number, and level of responsibility of the children and the presence of a spouse when determining the need for chore services.

(i) Part one determines the need for additional help cleaning the household because of the presence of children. The scoring is N = 0, M = 4, S = 7, and T = 10.

(ii) Part two determines the need for escort and transportation, laundry services, meal preparation and shopping, and bathing and dressing for the client's children. The scoring is N = 0, M = 5, S = 10, and T = 15

(iii) Part three determines the need for physical supervision of the children. When the client is in the home, but unable to supervise, the scoring is N = 0, M = 5, S = 10, and T = 15.

(iv) Part four determines the need for supervision of children when the client is temporarily absent from the home because of hospitalization. This question is not scored. The number of days and the number of hours per day that the children need supervision is recorded. The monthly authorization is the total number of hours required for supervision. The chore provider performs household and personal care tasks for the children during the hours of supervision. Supervision of children when the client is absent from the home must not exceed two weeks.

((†)) (r) Protective Supervision/Attendant Care. The chore provider supervises or watches the client when he/she cannot safely be left alone. Protective supervision may be necessary when a person:

- (i) May hurt himself/herself, others, or damage property if left alone, or
- (ii) Is confused and may wander away, turns on a stove and forgets to turn it off, becomes easily disoriented, or forgets to take necessary medication.

The chore provider performs any household or personal care tasks or gives assistance with activities of daily living during the hours of supervision. The scoring is based on the number of days per month and hours per

day during which the chore provider must be with a client in need of protective supervision. The authorization is the total number of protective supervision hours required by the client each month. In attendant care, the chore provider is available to help a client who requires assistance with such unscheduled tasks as toileting, ambulation, and wheelchair transfer. The chore provider performs any household or personal care tasks or gives assistance with activities of daily living during the hours of attendance to the client. The scoring is based on the number of days per month and hours per day during which the chore provider must be with a client in need of attendant care. The authorization is the total number of attendant care hours required by the client each month.

(6) Except for cases where protective supervision, attendant care, or supervision of children when the client is temporarily absent are required, as defined in subsection (5)((†)) (r) of this section, the amount of hours of chore services authorized per month shall be determined by translating the total number of points awarded on the Client Review Questionnaire into a monthly authorization, utilizing the following CRQ Authorization Ceiling Chart:

| CRQ SCORE | CEILINGS HOURS PER MONTH |
|-----------|--------------------------|
| 1-4       | 5                        |

AMENDATORY SECTION (Amending Order 1529, filed 8/6/80)

WAC 388-54-630 APPLICATION AND PARTICIPATION—VERIFICATION. (1) Mandatory verifications shall include:

(a) Gross nonexempt income. Where verification is not possible because either the person or organization providing the income has failed to cooperate or is unavailable, the department shall determine the amount to be used for certification purposes based on the best available information.

(b) Alien status. The department shall verify the alien status of those household members identified as aliens on the application by the use of INS documents, court orders or other appropriate documentations in possession of the household member. The department shall not contact the INS to obtain information about the alien's correct status without the alien's written consent.

(c) Social security number (SSN) for each household member eighteen years and over and children receiving countable income (effective June 1, 1980).

(i) Certification shall not be delayed solely for the verification of SSNs, even if the thirty-day processing period has not expired.

(ii) A verified SSN shall be reverified only if the SSN or the identity of the individual becomes questionable.

(iii) If verification of SSN is not completed at initial certification, it shall be completed at the time of or prior to the household's recertification.

(iv) If verification is not completed within ninety days of initial certification, only the individual whose SSN is not verified shall be disqualified if he/she is unable to show "good cause" for failure to acquire or apply for the SSN. (See WAC 388-54-687).

(d) Identity. The department shall verify the identity of the person making the application. When an authorized representative applies for a household, the identity of the authorized representative and the head of household shall be verified.

(e) Residency. The residency requirements in WAC 388-54-685 shall be verified except in unusual cases (such as migrant households or households newly arrived in the area) where verification of residency cannot reasonably be accomplished.

(f) Continuing shelter expenses. Shelter costs, other than utilities, shall be verified if allowing the expense could potentially result in a deduction. Verification will be on a one-time basis unless the household has moved, reported an increase in cost which would affect the level of the deduction (only the changed cost shall be verified) or unless questionable.

~~((d))~~ (g) Utility expenses. The department shall verify ~~((the))~~ utility expenses ~~((only if the household~~

wishes to claim expenses in excess of the utility standard and the expense would actually result in a deduction):

(i) If the ~~((utility expense cannot be verified in the thirty days application period, the standard utility allowance shall be used:))~~ household is entitled to the utility standard (one qualifying utility shall be verified on a one-time basis unless the household has moved, changed its utilities or the information is questionable), or

(ii) ~~((Expenses claimed for an unoccupied home will be the actual expenses incurred))~~ If the household wishes to claim expenses in excess of the utility standard and the expense would actually result in a deduction.

(iii) The utility standard shall be used if the utility expense cannot be verified in the thirty-day application period.

(iv) Utility expenses claimed for an unoccupied home will be the actual expenses incurred.

Be it resolved by the undersigned, Frank R. Lockard, Director, Washington State Department of Game, that I promulgate and adopt at Olympia, Washington, as emergency rule of this governing body, the annexed rule modification of 1981 "Selective Fishery (catch and release) Waters" regulations for the Wind River System, Skamania County, Washington, beginning May 23, 1981, WAC 232-28-60303.

I, Frank R. Such rules are therefore adopted as emergency rules to take effect upon filing with the Code Reviser.

This rule is promulgated under the authority of the Director of Game as authorized in RCW 77.12.150 with the approval of the Game Commission as provided in that statute.

The undersigned hereby declares that he has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), or the Administrative Procedure Act (chapter 34.04 RCW), as appropriate, and the State Register Act (chapter 34.08 RCW).

#### STATEMENT OF PURPOSE

This statement is filed pursuant to RCW 34.04.045.

Re: Amending WAC 388-96-223, 388-96-713, 388-96-716, 388-96-719, 388-96-722, 388-96-727, 388-96-735 and 388-96-743 and repealing WAC 388-96-701.

The purpose of the rule change is to establish new formulas for setting Medicaid nursing home reimbursement rates effective July 1, 1981.

The reason these rules are necessary is to implement SSB 3765 enacted in the 1981 legislative session.

Statutory authority: RCW 74.09.120.

Summary of the rule change:

WAC 388-96-223: Current version: Allows unlimited shifting between patient care and food cost centers, and shifting of up to 10 percent of the rate between administration and operations-wage and administration and operations-nonwage cost centers. No other shifting is allowed. Amended version: Allows shifting out of any cost center into any cost center except return on equity and property. Shifting may not exceed 20% of the rate in the cost center into which the shift is made.

WAC 388-96-713: Wording changed to correspond with other amendments.

WAC 388-96-716: Current version: Cost centers are patient care, food, administration and operations-wage, administration and operations-nonwage, and property. Amended version: Single administration and operations cost center established. Return on equity defined as separate cost center.

WAC 388-96-719: Current version: Adjustments for inflation depend on economic indices. Amended version: Adjustments for inflation specified as 5.0% for July 1, 1981 rate setting, 5.2% for January 1, 1982 rate setting, and 4.35% for July 1, 1982 and January 1, 1983 rate setting.

WAC 388-96-722: Current version: Patient care rate set by multiplying standard hours and 90% parity wages. Amended version: Patient care rate sum of following components: January 1, 1981 rate adjusted for inflation; a patient care enhancement of \$3 million for July 1, 1981 rate setting, and \$5 million for July 1, 1982 rate setting will be distributed among facilities proportionately based on the patient care cost center for each facility; and as reimbursement for nursing assistant certification, \$.30 per patient day for July 1, 1981 rate setting, and \$.33 per patient day for July 1, 1982 rate setting.

WAC 388-96-727: Current version: Food rate set at 115% of the statewide average cost. Amended version: Rate set at the January 1, 1981 rate, adjusted for inflation.

WAC 388-96-735: Current version: Two administration and operations cost areas. Wage rate set as standard hours times 90% parity wages. Nonwage rate set on basis of costs, limited at 85th percentile. Amended version: One administration and operations cost area. Wage component set at January 1, 1981 rate, adjusted for inflation. Nonwage component set in same manner as before, except that amounts shifted into administration and operations cost area will be subtracted from nonwage costs. A formula allocates savings between wage and nonwage costs.

WAC 388-96-743: Grandfathering provisions extended to use higher of June 30, 1979 or July 1, 1979 property rate.

WAC 388-96-701: Repealed because specifies rate-setting principles inapplicable to amended system.

Person responsible for the drafting, implementation, and enforcement of the rule: Taylor Dennen, Manager, Rate Management Program, Bureau of Nursing Home Affairs, MS OB-31, 753-3477, SCAN 234-3477.

These rules were proposed by DSHS.

These rules are not necessary as a result of federal laws, federal court decision or state court decision.

Agency comments: The department expects to implement these rules after a hearing on an emergency basis to be effective July 1, 1981. The department has given the 60 days public notice required by 42 CFR 447.205.

AMENDATORY SECTION (Amending Order 1561, filed 10/22/80)

WAC 388-96-223 SHIFTING. (1) In determining a contractor's settlement, if allowable costs were less than the rate in ((the patient care)) any cost area, savings will be shifted (or "transferred") to cover any deficit in ((the food)) another cost area. ((If allowable costs were less than the rate in the food cost area, savings will be shifted to cover any deficit in the patient care cost area. For settlement periods beginning January 1, 1980, if savings occur in the administration and operations cost areas, up to ten percent of the administration and operations wage rate may be shifted to cover a deficit in the administration and operations-nonwage area, or up to ten percent of the administration and operations-nonwage rate may be shifted to cover a deficit in the administration and operations-wage area. No other shifting will be done.))

(2) The amount shifted may not exceed twenty percent of the rate in the cost area into which the shift is made.

(3) No money may be shifted into the property or return on equity cost areas.

AMENDATORY SECTION (Amending Order 1510, filed 5/30/80)

WAC 388-96-713 RATE DETERMINATION. (1) Each contractor's reimbursement rate will be determined prospectively at least once each calendar year to be effective July 1 and will be adjusted for inflation January 1 using the factors specified in WAC 388-96-719(3). Rates may be adjusted more frequently to take into account program changes ((or economic conditions)).

(2) Where the contractor participated in the program during all or part of the prior fiscal period, its ((prospective)) property and return on equity rates, and the nonwage component of its administration and operations rate, will be determined based on the contractor's allowable costs in the prior period.

AMENDATORY SECTION (Amending Order 1510, filed 5/30/80)

WAC 388-96-716 COST AREAS. A contractor's overall reimbursement rate for medical care recipients consists of the total of five component rates, each covering one cost area. The five cost areas are:

- (1) Patient care;
- (2) Food;
- (3) Administration and operations(=wage);
- (4) ((Administration and operations-nonwage, and
- (5)) Property(=); and
- (5) Return on equity.

AMENDATORY SECTION (Amending Order 1510, filed 5/30/80)

WAC 388-96-719 METHOD OF RATE DETERMINATION. (1) Data used in determining rates will be taken from the most recent complete, desk-reviewed annual cost report and from certified quarterly reports submitted by ((each)) contractors.

(2) Data containing obvious errors, data for facilities which are out of compliance with any condition at any time during the reporting period, and data for facilities with average occupancy ratios of less than eighty-five percent for the report period, will be excluded from the determination of predicted costs and rate upper limits for WAC 388-96-743 and 388-96-735(3).

((3) Each contractor's reported cost data used in rate computations for the patient care, food, administration and operations=wage and administration and operations-nonwage cost areas will be adjusted for economic trends based on component indices of the consumer price index issued by the United States department of labor, bureau of labor statistics, except that for the period July 1, 1980, through June 30, 1981, employee wages will be adjusted for economic trends by an annual rate of eight and one-half percent based upon guidelines issued by the President's Council on Wage and Price Stability. The national consumer price index component averages for the most recent twelve-month period will be applied in rate computations for the cost areas in subdivisions (a), (b) and (c) of subsection (3):

(a) Patient care="medical care-other professional services" index, except that for the period July 1, 1980, through June 30, 1981, this cost area will be adjusted for economic trends by an annual rate of eight and one-half percent based upon guidelines issued by the President's Council on Wage and Price Stability;

(b) Administration and operations=wage=Average of the "commodities less food" and "services less medical care" indices, except that for the period July 1, 1980, through June 30, 1981, this cost area will be adjusted for economic trends by an annual rate of eight and one-

half percent based upon guidelines issued by the President's Council on Wage and Price Stability.

(c) Administration and operations-nonwage=Average of the "commodities less food" and "services less medical care" indices;

(d) For the food cost area, the Seattle consumer price index for food at home over the most recent twelve-month period will be used.))

(3)(a) Adjustments for inflation will be:

(i) 5.0 percent for July 1, 1981 rate setting;

(ii) 5.2 percent for January 1, 1982 rate setting; and

(iii) 4.35 percent for July 1, 1982 and January 1, 1983 rate setting.

(b) Property and return on equity rates will not be adjusted for inflation.

(4) Where new standards are imposed, or the department wishes to encourage additional services or otherwise change the program, a cost-related adjustment will be made to the appropriate cost area rates of each contractor affected by the program change. Adjustments will be made until reported costs used in setting rates reflect the new standards or program changes.

AMENDATORY SECTION (Amending Order 1613, filed 2/25/81)

WAC 388-96-722 PATIENT CARE COST AREA RATE. (1) The patient care cost area reimbursement rate will ((be computed to cover)) reimburse for the necessary and ordinary costs of providing routine nursing and related services to recipients in accordance with WAC 388-88-050 and 388-88-051.

(2)((a) Beginning July 1, 1980, regression analysis will be used to determine the relationship between patient care staff hours per patient day and the functional status of medical recipients. Staff data from recent cost reports or certified quarterly reports provided by the contractor will be used as the dependent variable in the regression analysis. The independent variable will be the functional status of medical recipients in the facility as determined by the facility's mean Katz ADL score in the calendar year corresponding to the reporting year. The regression analysis will be used to calculate the predicted staffing in the following equation:  $y = a + bx$  where  $y$  is the predicted staff hours for the reporting period;  $x$  is the mean Katz score in the calendar year corresponding to the reporting period;  $a$  is the intercept of the regression equation; and  $b$  is the slope of the regression equation which measures the change in predicted staff level per unit of change in Katz score.

(b) For each facility, the base period patient care staff hours and base period Katz score will be determined. The base period patient care staff hours are the patient care staff hours reimbursed during the period October 1, 1979 through June 30, 1980. The base period Katz score is the Katz score used in determining patient care staff ceilings effective October 1, 1979.

(c) The department will identify facilities which have experienced a substantial change in Katz score between the base year and the reporting year. A substantial change will be determined as follows:

(i) The difference between the Katz score in the reporting period and the base year will be computed for all facilities;

(ii) The standard deviation of the differences specified in (2)(c)(i) above will be determined;

(iii) For each facility, the difference determined in (2)(c)(i) above will be divided by the standard deviation of the differences determined in (2)(c)(ii) above. This ratio is defined as the standardized change in Katz score;

(iv) A substantial decrease in a facility's Katz score is defined to occur when the standardized change in Katz score specified in (2)(c)(iii) above is less than -1.645;

(v) A substantial increase in a facility's Katz score is defined to occur when the standardized change in Katz score specified in (2)(c)(iii) above is greater than 2.326;

(vi) Facilities not meeting the definition of substantial change in (2)(c)(iv) above or (2)(c)(v) above will be defined as not having a substantial change in Katz score.

(d) Patient care standard hours will be determined as follows:

(i) If there has not been a substantial change in a facility's Katz score as defined in (2)(c) above, standard hours will be the lesser of reporting period patient care staff hours or base period patient care staff hours;

(ii) If there has been a substantial change in a facility's Katz score as defined in (2)(c) above, standard hours will be the lesser of reporting period patient care staff hours or base period patient care staff hours plus the factor  $b$  defined in (2)(a) above multiplied times the facility's Katz score in the base period minus the facility's Katz score in

the reporting period as shown in the following relation:  $b \times$  (base period Katz score - reporting period Katz score).

(c) The wages for patient care personnel shall be the sum of the product of ninety percent of the prevailing wages for the categories of nursing assistants, licensed practical nurses, registered nurses, and noncontractual therapists and related restorative employees, expressed as an hourly rate, based upon the state-wide salary survey conducted pursuant to RCW 41.06.160. For the period July 1, 1979 through December 31, 1979 hourly wages for categories of employees covered within this cost center will be averaged as follows:

|                                 |        |
|---------------------------------|--------|
| Registered nurses .....         | \$6.60 |
| Licensed Practical Nurses ..... | \$5.30 |
| Nursing assistants .....        | \$3.69 |

For other employees, actual reported wages plus annual inflation will be used. Subsequent increases in the amount set forth in this section shall not be set forth by rule change, but will be available for inspection and examination in the Bureau of Nursing Home Affairs. Rates received by the application of the formula set forth in this section which are not devoted to meeting the wages set forth above are not allowable costs.

(f) The standard hours calculated above will be multiplied by the wages calculated above to determine a rate.

(g) An add-on to this rate will be calculated to recognize contractual patient care consultants and therapists based upon recent cost reports:

(3) In addition to its reimbursement rate, each contractor may be assigned a range of nursing service hours which represent the maximum and minimum number of hours the department will purchase. For purposes of this hour range for IMR facilities, nursing services include residential living services. The range will depend on the characteristics of the patients in each facility. From January 1, 1978 through December 31, 1978, it will be computed based on the ratio of the number of SNF, ICF and IMR patients of each level, respectively, to the total number of patients in the facility, assuming a range of 1-2 hours for ICF patients, 1.75-3 hours for SNF patients, 3.1-6.1 for IMR level A patients, 2.7-5.4 for IMR level B patients, 2.1-3.6 for IMR level C patients, and 1.2-2.4 for IMR level D patients. On and after January 1, 1979, this range will be derived using a uniform patient assessment performed by the department. When the certification of a contractor is changed to add or eliminate a level of care, the range will be adjusted using the ratio of patients in each level of care at the time the new certification becomes effective. When the department requires new standards or makes program changes which require more or less nursing service, the range will be adjusted as of the effective date of the new standard or program change.)) Patient care reimbursement will be the sum of the following components:

(a) The January 1, 1981 reimbursement rate, adjusted for inflation.

(b) A patient care enhancement of three million dollars for July 1, 1981 rate setting, and five million dollars for July 1, 1982 rate setting, will be distributed among facilities proportionately based on the patient care cost center for each facility. These sums will not be adjusted for inflation.

(c) As reimbursement for nursing assistant certification, thirty cents per medicaid patient day for July 1, 1981 rate setting, and thirty-three cents per medicaid patient day for July 1, 1982 rate setting. These sums will not be adjusted for inflation.

Hours of support staff per patient day will be calculated. Base period staff hours per patient day also will be calculated, where base period hours are defined as hours reimbursed during the period October 1, 1979 through June 30, 1980. Standard hours for support staff will be determined as the lesser of reported support staff hours per patient day or base period hours per patient day.

$$AS = RS \times DR \quad \text{where}$$

(i) "AS" is the amount to be subtracted from administration and operations nonwage costs;

(ii) "RS" is the amount of the rate shifted into the administration and operations cost area; and

(iii) "DR" is the deficiency ratio, defined as the ratio of:

(A) Administration and operations nonwage costs minus the nonwage component of the administration and operations prospective rate;

to

(B) Total administration and operations costs minus the total administration and operations prospective rate.

**AMENDATORY SECTION** (Amending Order 9, filed 1/12/81)

**WAC 289-13-110. AUTHORIZATION TO PROCEED—TIME LIMITS.** (1) Schematic drawings. Issuance of the commission's decision to encumber funds for specific projects under WAC 28913100 shall constitute formal authorization to the specified governing units to proceed to prepare schematic drawings and adjusted cost estimates based thereon which shall be submitted to the director for approval within four months or such longer period as shall be designated in the authorization, for good cause shown. At the time schematic drawings are submitted, the director shall be authorized to adjust the prior funding decisions by no greater than three percent. Requests for greater adjustments and requests for increases which are denied by the director shall be submitted to the commission for review.

(2) Final plans and specifications. Following approval of schematic drawings and adjusted cost estimates as provided in subsection (1) of this section, the director shall issue authorization to governing units for which funds have been encumbered to proceed to prepare final plans and specifications, and each such governing unit shall submit final plans for review and approval by the director within six months of such authorization or such longer period as may be set at the time the project

budget was established and authorization to proceed given by the director. Failure to meet such schedule shall result in removal of the project from those for which existing funding is encumbered: **PROVIDED**, That upon showing of good cause, the director may extend such deadline by no longer than six months: **PROVIDED FURTHER**, That the director may adjust the last previously authorized level of funding at this stage (~~only within the three percent design contingency allowance~~) by an amount which shall not cause the total contingency adjustment to date to exceed six percent, and any larger requests or any requests for increases which are denied by the director will be submitted to the commission for review: **PROVIDED FURTHER**, That the director may authorize a project to proceed to bid notwithstanding submission of a dispute with regard to contingency adjustment to the commission for determination.

(3) Bidding. Any governing unit for which funds have been encumbered hereunder shall advertise for bids for construction of the project within two months of the issuance date of the document approving its final plans and authorizing it to proceed. In the event of failure by a governing unit to advertise for bids within the time limit herein specified, the authorization herein described shall be declared null and void and the funds reserved thereunder shall revert to the state fund from which the reservation was made and become available for reservation or allotment toward the financing of such other jail project or projects as the commission shall determine: **PROVIDED**, That an extension of time may be granted by the director when failure to act within the specified time is due to conditions judged by him to be beyond the control of the governing unit: **PROVIDED FURTHER**, That in the event final plans and specifications for the project have been completed and advancement of the project is precluded by conditions beyond the control of the governing unit, it nonetheless may request consideration of state assistance in costs of architectural and engineering services incurred through preparation of final plans and specifications, pending the availability of additional state jail cond moneys: **PROVIDED**, That such reimbursement shall be subject to the provisions of WAC 28913070(2)(a).

(4) Further adjustments to budget or timetable. Following receipt, review, and acceptance of a bid for jail construction work in accordance with state law and local ordinances, the governing unit shall submit such bid to the director for authorization to proceed to construction should such bid require any adjustment of the project timetable or budget. At this time the director is authorized to grant extensions or modifications of the project timetable and to adjust the project budget up to (~~three percent from~~) the full amount of the project contingency allowance established at the time of the original funding notice. Any dispute with regard to the director's determination of allowable contingency adjustment (~~or any request for more than a three percent adjustment in the project budget~~) shall be submitted to the commission for determination. When the bid does require any such adjustment, the governing unit shall provide a copy of the accepted bid and proceed to construction of the

project without further review by the director. Any request for timetable adjustment which would extend commencement of construction of a project beyond eighteen months will be referred to the commission for approval.

(5) Construction review. During the course of construction, any substantial change from the construction drawings shall be submitted to the director for review and approval whenever compliance with state physical plant standards is affected or any further adjustment in the previously approved budget may be sought as a result of such change. The director is authorized to approve adjustments in the project budget during the course of construction based upon appropriate documentation of the necessity therefor not to exceed the remaining balance within the twelve percent contingency allowance established at the time of the notice of funding: PROVIDED, That submission of change orders which do not substantially alter the project as approved and which do not require adjustment of the approved project budget will be submitted to the director but will not require specific approval: PROVIDED FURTHER, That the failure to submit a change order for approval prior to completion of the work in question shall not preclude later approval and, when appropriate, adjustment of the project budget.

Such allotment may include all or part of the designated contingency allowance: PROVIDED, That such allotment and authorization shall be subject to the conditions and regulations herein in subsections (1), (2) and (3) set forth:

(1) Negotiation of jail building contracts. The director shall approve for financing only those contracts where the original contract price for the construction has been established by competitive bids and where the contract contains an acceptable affirmative action plan as required by WAC 289-13-170.

(2) Any part of a final allotment of state funds not required for completion of a jail building project in accordance with the financial program as set forth in the authorization document shall revert to the state fund from which the allotment was made and used for other approved projects.

(3) Award of contract or contracts.

(a) Upon receipt of authorization by the director, the governing unit may proceed with award of contract or contracts for construction of the designated project, which contract or contracts shall be in conformity with the analysis of bids as set forth in the authorization document and in accordance with the bids received on approved plan and specification for the project.

(b) Once such authorization has been given, the governing unit shall have forty-five days within which to enter into said contract in order to retain its allotment status.

(c) Immediately following the awarding of contract or contracts, governing unit shall forward one signed or certified copy of each such construction contract to the commission.

<sup>3</sup>RCW 34.04.150 as last amended by ((+1971 ex.s. c 57 § 17)) § 90, chapter 158, Laws of 1979 provides:

"This chapter shall not apply to the state militia, or the board of prison terms and paroles, or any institution of higher education as defined in RCW 28B.19-.020. The provisions of RCW 34.04.090 through 34.04.130 shall not apply to the board of industrial insurance appeals or the board of tax appeals unless an election is made pursuant to RCW 82.03.140 or 82.03.190. The provisions of RCW 34.04.090 through 34.04.130 and the provisions of RCW 34.04.170 shall not apply to the denial, suspension or revocation of a driver's license by the department of licensing. All other agencies, whether or not formerly specifically excluded from the provisions of all or any part of the administrative procedure act, shall be subject to the entire act."

#### NOTES:

<sup>1</sup>RCW 34.04.010 as last amended by ((+1967 c 237 § 1)) § 2, chapter 324, Laws of 1981 provides in part:

"(1) . . .

(2) "Rule" means any agency order, directive, or regulation of general applicability (a) the violation of which subjects a person to a penalty or administrative sanction; (b) which establishes, alters, or revokes any procedure, practice, or requirement relating to agency hearings; (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law; (d) which establishes, alters, or revokes any qualifications or standards for the issuance, suspension, or revocation of licenses to pursue any commercial activity, trade, or profession; or (e) which establishes, alters, or revokes any mandatory standards for any product or material which must be met before distribution or sale. The term includes the amendment or repeal of a prior rule, but does not include (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, (ii) declaratory rulings issued pursuant to RCW 34.04.080, as now or hereafter amended, or (iii) speed restrictions for motor vehicles established by the state transportation commission.

(3) . . .

(4) "License" includes the whole or part of any agency permit, certificate, approval, registration, charter, or any form of permission required by law, including agency rule, to engage in any activity, but does not include a license required solely for revenue purposes.

(5) "Licensing" includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal, or modification of a license."

<sup>2</sup>RCW 34.04.020 as last amended by ((+1967 c 237)) § 2, chapter 237, Laws of 1967 provides:

"In addition to other rule-making requirements imposed by law:

(1) Each agency shall adopt rules governing the formal and informal procedures prescribed or authorized by this chapter and rules of practice before the agency, together with forms and instructions: PROVIDED, That RCW 34.04.022 shall apply to agencies which have not adopted comprehensive rules of practice and procedure, in accordance with the provisions of this chapter, prior to July 1, 1967.

(2) To assist interested persons dealing with it, each agency shall adopt as a rule a description of its organization, stating the general course and method of its operations and the methods whereby the public may obtain information and make submissions or requests. No person shall be required to comply with agency procedure not adopted as a rule as herein required.

(3) To the extent not prohibited by federal law or regulation, nor prohibited for reasons of confidentiality by state law, each agency shall keep on file for public inspection all final orders, decisions and opinions in contested cases and any digest or index to those orders, decisions or opinions prepared by the agency for its own use. No agency order, decision or opinion is valid or effective against any person, nor may it be invoked by the agency for any purpose, unless it is available for public inspection as herein required. This provision is not applicable in favor of any person who has actual knowledge thereof."

<sup>3</sup>RCW 34.04.022 provides:

"On or before July 1, 1967, the code reviser shall add to Title 1 of the Washington Administrative Code a new chapter to be known as chapter 1-08 WAC—Uniform Procedural Rules, which shall become effective July 1, 1967, and shall govern the administrative practice and procedure in and before all agencies which have not adopted comprehensive rules of practice and procedure prior to that date. Except for the numbering thereof, such rules shall be identical with the rules contained in WAC 308-08-010 through 308-08-590 as the same existed on January 3, 1966: PROVIDED, That in publishing chapter 1-08 WAC the reviser may revise such terms as are used in chapter 308-08 WAC to describe "agency", "department", "board", "commission", and like terms, so as to enable the use of such rules by multiple agencies.

This section shall not prohibit any such agency from hereafter adopting its own rules of practice and procedure in the manner provided by this chapter, if such agency shall elect to promulgate comprehensive rules on this subject and shall, in the order of adoption, expressly negative any further applicability to such agency of the rules contained in chapter 1-08 WAC."

#### AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-12-030 NOTICES OF INTENTION TO ADOPT RULES. (1) Statutory notice requirements; see RCW 34.04.025<sup>1</sup>, 34.04.045, and 34.08.020.<sup>3</sup>

(2) Failure to comply with twenty days notice requirement—Code reviser not to publish rule and rule not effective for any purpose; see RCW 34.04.027.<sup>2</sup>

(3) Form of notice. Notice shall be filed on forms provided by the code reviser's office (Form CR-1). No other form will be accepted for filing. The notice shall also include the full text of any proposed new or amendatory rule and the citation and caption of any existing rule to be repealed. Such proposal shall be done according to the bill drafting

style requirements of WAC 1-12-125 through 1-12-160. The rule purpose statement required by RCW 34.04.045 shall also be included with the notice. (See WAC ~~((+12-065))~~ 1-12-032.)

(4) Number of copies; Notice numbers.

(a) Agencies shall file in the code reviser's office an original and three copies of the notice and rule purpose statement whereupon the date of filing and the notice number will be affixed and a copy returned to the filing agency. Such notice number or numbers shall in the event of one or more continuances, be entered in paragraph (7) of all subsequent notices relating to the original notice (Form CR-1). The notice number and date (or the latest such number and date if due to continuances there be more than one) shall be entered by the agency on the administrative order and transmittal form by which the rules are adopted and transmitted for filing.

(b) The agency shall also file copies of the notice with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committee in such numbers as those officials or the committee requires.

(5) Computation of time with respect to the twenty-day rule. The effect of RCW 34.04.025 and 34.04.027 is to require the code reviser to ascertain agency compliance with the twenty-day rule. Such compliance will be determined as follows:

(a) The code reviser's office construes the twenty-day notice requirement of RCW 34.04.025 and 34.04.027 as relating to the date upon which the first action will be taken by the agency upon the proposed rule changes; thus if the agency provides for a public hearing upon the matter, the twenty-day requirement applies to the date of such hearing, otherwise it will apply to the date upon which the agency convenes to adopt, amend, or repeal the rules in question. The dates of the hearing, if any, and of the decision shall be inserted in parts (2) and (3), respectively, of the notice form (CR-1), and such dates may, of course, be coincidental.

(Attention is also directed to the additional requirement embodied in RCW 34.04.025(1)~~((b))~~(c) which provides that "Prior to the adoption, amendment, or repeal of any rule, each agency shall: . . . Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing . . .")

(b) The twenty-day notice requirement applies to the publication of the notice and text of the proposal in the state register and begins with the distribution date of the register in which the notice has been published (or a notice regarding the omission of a rule has been published pursuant to RCW 34.04.050(3)). If "substantial changes" are made in the proposal after its publication in the register, a new notice is required under RCW 34.04.025(2) and (3). This new notice is subject to the full twenty-day waiting period and is also subject to the register closing date schedule of WAC 1-12-035. Consider the distribution date of the pertinent register as day twenty; count down to day zero to find the first day on which action may be taken (hearing or meeting, whichever occurs first); cf. RCW 1.12.040 and State ex rel. Earley v. Batchelor, 15 Wn.2d 149.

(c) The distribution dates of registers ~~(shall be)~~ are the first and third Wednesdays of each month. If a distribution date falls on a state holiday as determined by RCW 1.16.050, the distribution date of that register shall be delayed until Thursday, which will also delay the start of the twenty-day notice count. The last day to file material in the code reviser's office for inclusion in any particular register will be established according to WAC 1-12-035.

(d) If upon convening on any of the dates announced in parts (2) and (3) of the notice form (Form CR-1) the agency desires to continue either the hearing or the decision meeting, or both, to a future time certain but does not desire to file a new notice which would be subject to the twenty-day rule such agency may, if it has complied with the twenty-day rule as to its original notice and has convened at the time and place specified in such notice, announce a continuance to a date certain and forthwith file with the code reviser a continuation notice (Form CR-1) containing in part (1) thereof the same terms, substance, or description as was contained in the original notice (or if some of the matters have been disposed of, then such portions thereof as remain applicable) and supplying the additional information required by part (7) of such form. In the event of one or more such continuances, the compliance of the original notice with the twenty-day rule will be deemed to relate to the continuation notices, and the text of the proposal need not be submitted with a notice of continuance. If an agency determines in advance of a hearing or adoption that it desires to continue either or both actions, ~~((it))~~ or if action of the rules review committee necessitates an extension of the rule-making proceedings, the agency may file notice of a continuance in advance of the

action if the notice will appear in a register with a distribution date at least ten days before the first action date of the previous notice.

#### NOTES:

<sup>1</sup>RCW 34.04.025 as last amended by § ((7, chapter 240, Laws of 1977 ex. sess. (effective January 1, 1978))) 3, chapter 324, Laws of 1981 (effective July 26, 1981) provides:

"(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committee, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the rules review committee, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refile the notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

(4) No proceeding may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(5) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, unless it is an emergency rule designated as such and is adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule."

<sup>2</sup>RCW 34.04.027 provides:

"When twenty days notice of intended action to adopt, amend or repeal a rule has not been filed with the code reviser, as required in RCW 34.04.025, the code reviser shall not publish such rule and such rule shall not be effective for any purpose."

<sup>3</sup>RCW 34.08.020 as amended by § 15, chapter 186, Laws of 1980 provides: "There is hereby created a state publication to be called the Washington State Register, which shall be published on no less than a monthly basis. The register shall contain, but is not limited to, the following materials received by the code reviser's office during the pertinent publication period:

(1) The full text of any proposed new or amendatory rules, as defined in RCW 34.04.010, and the citation of any existing rules the repeal of which is proposed, prior to the public hearing on such proposal. Such material shall be considered, when published, to be the official notification of the intended action, and no state agency or official thereof may take action on any such rule except on emergency rules adopted in accordance with RCW 34.04.030, until twenty days have passed since the distribution date of the register in which the rule and hearing notice have been published or a notice regarding the omission of the rule has been published pursuant to RCW 34.04.050(3) as now or hereafter amended;

(2) The full text of any new or amendatory rule adopted, and the citation of any existing rule repealed, on a permanent or emergency basis;

(3) Executive orders and emergency declarations of the governor;

(4) Public meeting notices of any and all agencies of state government, including state elected officials whose offices are created by Article III of the state Constitution or RCW 48.02.010;

(5) Rules of the state supreme court which have been adopted but not yet published in an official permanent codification; and

(6) Summaries of attorney general opinions and letter opinions, noting the number, date, subject, and other information, and prepared by the attorney general for inclusion in the register."

AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-12-032 RULE PURPOSE AND IMPLEMENTATION STATEMENT. RCW 34.04.045<sup>1</sup> requires that when notice of any proposed rule is filed with the code reviser it shall be accompanied by a statement generally describing the rule's purpose and how it is to be implemented. Such statement shall also contain, as a minimum, the other items required by that statute. One copy of the purpose statement shall be attached to each copy of the notice filed with the code reviser's office. Also note that it is the responsibility of the adopting agency to transmit three copies each of the statement to the secretary of the senate and the chief clerk of the house of representatives. Filing the rule purpose statement with the rules review committee would also appear to meet the requirement of RCW 34.04.025(1)(b) for "a statement of the reasons supporting the proposed action."

NOTE:

- RCW 34.04.045, as amended by 1980 c 186 § 10, provides:
(1) For the purpose of legislative review of agency rules filed pursuant to this chapter, any new or amendatory rule proposed after June 12, 1980, shall be accompanied by a statement prepared by the adopting agency which generally describes the rule's purpose and how the rule is to be implemented. Such statement shall be on the agency's stationery or a form bearing the agency's name and shall contain, but is not limited to, the following:
(a) A title, containing a description of the rule's purpose, the statutory authority for the rule, and any other information which may be of assistance in identifying the rule or its purpose;
(b) A summary of the rule and a statement of the reasons supporting the proposed action;
(c) The agency personnel, with their office location and telephone number, who are responsible for the drafting, implementation, and enforcement of the rule;
(d) The name of the person or organization, whether private, public, or governmental, proposing the rule;
(e) Agency comments or recommendations, if any, regarding statutory language, implementation, enforcement, and fiscal matters pertaining to the rule;
(f) Whether the rule is necessary as the result of federal law or federal or state court action, and if so, a copy of such law or court decision shall be attached to the purpose statement.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting agency shall have copies of the statement on file and available for public inspection and shall forward three copies each of the statement to the secretary of the senate and the chief clerk of the house of representatives, who will in turn forward the statement to the majority and minority caucuses and to the appropriate legislative committees.

AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-12-033 WITHDRAWAL OF PROPOSED RULE. Pursuant to RCW ((34.04..... (1980 c 186 § 11))) 34.04.048 a proposed rule may be withdrawn by the proposing agency at any time before adoption. Notice of withdrawal shall be provided to the code reviser's office in the form of a letter or memorandum from the proposing agency signed by the person signing the notice of proposal or by a designee of that person.

NEW SECTION

WAC 1-12-034 REVIEW OF PREVIOUSLY ADOPTED RULES. RCW 34.04. (1981 c 324 § 7) requires that within thirty days of the receipt of a notice from the rules review committee that certain existing rules of the agency are either "not within the intent of the legislature" or were not "adopted in accordance with all applicable provisions of law," the agency "shall file notice of a hearing on the rule in question with the code reviser. . . ." Notice of such review hearing shall be given on Form CR-11 of the code reviser's office (WAC 1-12-950). This applies to all previously adopted rules, whether permanent or emergency rules.

AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-12-035 TIME FOR FILING MATERIAL FOR INCLUSION IN REGISTER. To permit sufficient lead time for the editorial, data capture, and printing process, material to be published under RCW 34.08.020 in a particular register and notices and statements relating to action of the rules review committee shall be in the actual physical possession of and filed in the code reviser's office according to the following schedule:

- (1) If the material has been prepared and completed by the order typing service (OTS) of the code reviser's office; by 5:00 p.m. on the fourteenth day prior to the distribution date of that period's register; or
(2) If the material has been prepared other than by the code reviser's order typing service (OTS) and:

(a) Contains no more than ten pages in conformance with WAC 1-12-170; by 5:00 p.m. on the fourteenth day prior to the distribution date of that period's register; or

(b) Contains more than ten but less than thirty pages in conformance with WAC 1-12-170; by 5:00 p.m. on the twenty-eighth day prior to the distribution date of that period's register; or

(c) Contains thirty or more pages in conformance with WAC 1-12-170; by 5:00 p.m. on the forty-second day prior to the distribution date of that period's register.

AMENDATORY SECTION (Amending Order 15, filed 10/31/77)

WAC 1-12-190 EMERGENCY RULES. (1) With respect to emergency rules filed by an agency pursuant to RCW 34.04.030, compliance with WAC 1-12-030 is not required.

(2) Emergency rules shall be transmitted to the code reviser's office in the same manner as permanent rules((-)); see WAC 1-12-050. Note that RCW 34.04.030 also requires emergency rules to be filed with the rules review committee.

(3) The finding of emergency and statement of reasons therefor required by RCW 34.04.030 shall appear in the administrative order, which is considered to be a part of the rules.

(4) Since an emergency rule is effective only for ninety days from its filing with the code reviser, upon the expiration of such period an existing WAC section reverts to its permanent form prior to the emergency action affecting it. Such temporary changes in the WAC are not codified, and an emergency amendment of an existing WAC section should always be to the current permanently adopted version of that section. If an intervening emergency amendment is still within its ninety day effective period, the subsequent emergency amendment either should specifically supersede the previous emergency order or part thereof which amended the section or should incorporate the previous emergency amendment if that is the effect desired by the agency.

AMENDATORY SECTION (Amending Order 15, filed 10/31/77)

WAC 1-12-210 OFFICIAL FORMS SUPPLIED UPON REQUEST. The following official forms may be obtained upon request from the office of the code reviser:

(a) The most specific reference shall be to a section of law which the rule is implementing, and shall be quoted as follows: "This rule is promulgated pursuant to RCW and is intended to administratively implement that statute."
(b) The next specific reference, and one which shall be used only if paragraph

(a) of this subsection is not applicable, shall be to that portion of an act which directs an agency to adopt rules and regulations as necessary to implement the act, and shall be quoted as follows: "This rule is promulgated pursuant to RCW ... which directs that the (agency) has authority to implement the provisions of (name of act or RCW citation)."

(c) The least specific reference, and one which shall be used only if paragraphs (a) and (b) of this subsection are not applicable, is one which indicates that the rule is promulgated under the agency's broad rule-making authority—either in the agency enabling legislation or chapter 34.04 RCW, and shall be quoted as follows: "This rule is promulgated under the general rule-making authority of the (agency) as authorized in RCW ..."

(2) The code reviser is directed to develop a format for placing such specific language in each rule, and agencies shall then comply with the code reviser's direction, and shall include the same in the final rule.

(3) During the promulgation hearings process the public may question whether such rule should have a more specific reference, and the agency shall, pursuant to RCW 34.04.025(1)(b), give consideration to such requests."

NOTES:

<sup>1</sup>RCW 28B.19.020(2) ((1971 ex.s. c 57 § 2(2))) provides:  
 "(2) "Rule" means any order, directive, or regulation of any institution of higher education which affects the relationship of the general public with the institution, or the relationship of particular segments of the particular educational community such as students, faculty, or other employees, with the institution or with each other, (a) the violation of which subjects a person to a penalty or administrative sanction; or (b) which establishes, alters, or revokes any procedures, practice, or requirement relating to institutional hearings; or (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law. The term includes the amendment or repeal of a prior rule but does not include rules, regulations, orders, statements, or policies relating primarily to the following: Standards for admission; academic advancement, academic credits, graduation and the granting of degrees; tuition and fees, scholarships, financial aids, and similar academic matters; employment relationships; fiscal processes; or matters concerning only the internal management of an institution and not affecting private rights or procedures available to the general public; and such matters need not be established by rule adopted under this chapter unless otherwise required by law."

<sup>2</sup>RCW 28B.19.090 ((1971 ex.s. c 57 § 9)) provides:  
 "After the rules of institutions of higher education have been published by the code reviser all institution of higher education orders amending or rescinding such rules, or creating new rules, shall be formulated in accordance with the style, format, and numbering system of the Washington administrative code."

**AMENDATORY SECTION** (Amending Order 21, filed 6/12/80)

**WAC 1-13-005 DECLARATION OF PURPOSE.** The creation and maintenance of the Washington Administrative Code is a task of considerable magnitude. In recognition of the amount of total effort involved, and in order to effect overall economies in this important function of state government, the legislature has placed responsibilities upon the individual institutions of higher education by requiring (RCW 28B.19.090 and ((28B.19.077) (1980 c 186 § 27))) 28B.19.077 that they formulate both newly created and amendatory rules in the bill drafting style of the legislature and further in accordance with the style, format, and numbering system of the code.

This chapter is promulgated by the code reviser pursuant to the authority granted by RCW 1.08.110, 28B.19.080, and 34.08.030 in the interest of assisting the agencies in preparing, promulgating, and disseminating their administrative rules in an expeditious, orderly, and uniform manner so as to produce a state register and an administrative code which shall be as concise and accurate as possible, and at minimum overall expense to the state. The format standards imposed by this chapter are necessary to enable the inclusion of the rules as part of the register and the code in an orderly and efficient manner.

The code reviser's office will be pleased to afford such advice and assistance to requesting agencies regarding this chapter as its time and resources will permit.

The code reviser expressly reserves the power to create new code titles, chapters, and sections of the Washington Administrative Code, or otherwise revise the title, chapter, and sectional organization of the code, all as may be required from time to time, to effectuate the orderly and logical arrangement of the rules published therein.

Chapter 28B.19 RCW, the State Higher Education Administrative Procedure Act, established separate procedures for institutions of higher education, and the provisions of this chapter apply only to those institutions.

**AMENDATORY SECTION** (Amending Order 21, filed 6/12/80)

**WAC 1-13-030 NOTICES OF INTENTION TO ADOPT RULES.** (1) Statutory notice requirements; see RCW 28B.19.030<sup>1</sup>, ((28B.19.033) (1980 c 186 § 23)) 28B.19.033, and 34.08.020.<sup>3</sup>

(2) Failure to comply with twenty days notice requirement—Code reviser not to publish rules and rule not effective for any purpose; see RCW 28B.19.030(3).<sup>2</sup>

(3) Form of notice. Notices shall be filed on forms provided by the code reviser's office (Form CR-4). No other form will be accepted for filing. The notice shall also include the full text of any proposed new or amendatory rule and the citation and caption of any existing rule to be repealed. Such proposal shall be done according to the bill drafting style requirements of WAC 1-13-125 through 1-13-160. The rule purpose statement required by RCW ((28B.19.033) (1980 c 186 § 23)) 28B.19.033 shall also be included with the notice. (See WAC 1-13-032.)

(4) Number of copies; Notice numbers. ((Agencies)) (a) Institutions of higher education shall file in the code reviser's office an original and three copies of the notice and rule purpose statement whereupon the date of filing and the notice number will be affixed and a copy returned to the filing ((agency)) institution. Such notice number or numbers shall in the event of one or more continuances, be entered in paragraph (7) of all subsequent notices relating to the original notice (Form CR-4). The notice number and date (or the latest such number and date if due to continuances there be more than one) shall be entered by the ((agency)) institution on the administrative order and transmittal form by which the rules are adopted and transmittal form transmitted for filing. (b) The institution shall also file copies of the notice with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committee in such numbers as those officials or the committee requires.

(5) Computation of time with respect to the twenty-day rule. The effect of RCW 28B.19.030 is to require the code reviser to ascertain ((agency)) institution compliance with the twenty-day rule. Such compliance will be determined as follows:

(a) The code reviser's office construes the twenty-day notice requirement of RCW 28B.19.030 as relating to the date upon which the first action will be taken by the ((agency)) institution upon the proposed rule changes; thus if the ((agency)) institution provides for a public hearing upon the matter, the twenty-day requirement applies to the date of such hearing, otherwise it will apply to the date upon which the ((agency)) institution convenes to adopt, amend, or repeal the rules in question. The dates of the hearing, if any, and of the decision shall be inserted in parts (2) and (3), respectively, of the notice form (CR-4), and such dates may, of course, be coincidental.

(Attention is also directed to the additional requirement embodied in RCW 28B.19.030(1)((b)) (d) which provides that "Prior to the adoption, amendment, or repeal of any rule, each institution. . . shall: . . . Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing . . .")

(b) The twenty-day notice requirement applies to the publication of the notice and the text of the proposal in the state register and begins with the distribution date of the register in which the notice has been published (or a notice regarding the omission of a rule has been pub-

**WAC 1-13-010 WHO MUST FILE RULES.** (1) "Institutions of higher education" defined; see RCW 28B.19.020(1) ((1971 ex.s. c 57 § 2(1))).<sup>1</sup>

(2) Filing required; see RCW 28B.19.050 ((1971 ex.s. c 57 § 5)).<sup>2</sup>

NOTES:

<sup>1</sup>RCW 28B.19.020(1) ((1971 ex.s. c 57 § 2(1))) provides:

"(1) "Institutions of higher education" are the University of Washington, Washington State University, Central Washington University, Eastern Washington University, Western Washington University, The Evergreen State College, the various community colleges, and the governing boards of each of the above, and the various colleges, divisions, departments, or offices authorized by the governing board of the institution involved to act for the institution, all of which are sometimes referred to in this chapter as "institutions." The various state community colleges are sometimes referred to in this chapter as "community colleges."

<sup>2</sup>RCW 28B.19.050 ((1971 ex.s. c 57 § 5)) provides:

"(1) Any rules adopted after September 1, 1971 shall be filed forthwith with the office of the code reviser. The code reviser shall keep a permanent register of such rules open to public inspection.

(2) Emergency rules adopted under RCW 28B.19.040 shall become effective upon filing. All other rules hereafter adopted shall become effective upon the expiration of thirty days after the date of filing, unless a later date is required by statute or specified in the rule.

(3) The code reviser shall report to each regular session of the legislature during an odd-numbered year on the state of compliance of the institutions of higher education with this section. For this purpose, all institutions of higher education shall supply the code reviser with such information as he may request."

**AMENDATORY SECTION** (Amending Order 5, filed 10/4/71)

**WAC 1-13-020 WHAT RULES MUST BE FILED.** (1) "Rule" defined; see RCW 28B.19.020(2) ((1971 ex.s. c 57 § 2(2))).<sup>1</sup>

(2) Orders adopting, amending, or repealing rules must be in accordance with style, format, and numbering system of WAC; see RCW 28B.19.090 ((1971 ex.s. c 57 § 9)).<sup>2</sup>

lished pursuant to RCW 28B.19.070). If "substantial changes" are made in the proposal after its publication in the register, a new notice is required under RCW 28B.19.030(2) and (3). This new notice is subject to the full twenty-day waiting period and is also subject to the register closing date schedule of WAC 1-13-035. Consider the distribution date of the pertinent register as day twenty; count down to day zero to find the first day on which action may be taken (hearing or meeting, whichever occurs first); cf. RCW 1.12.040 and State ex rel. Earley v. Batchelor, 15 Wn.2d 149.

(c) The distribution dates of registers (~~shall be~~) are the first and third Wednesdays of each month. If a distribution date falls on a state holiday as determined by RCW 1.16.050, the distribution date of that register shall be delayed until Thursday, which will also delay the start of the twenty-day notice count. The last day to file material in the code reviser's office for inclusion in any particular register will be established according to WAC 1-13-035.

(d) If upon convening on any of the dates announced in parts (2) and (3) of the notice form (Form CR-4) the ((agency)) institution desires to continue either the hearing or the decision meeting, or both, to a future time certain but does not desire to file a new notice which would be subject to the twenty-day rule such ((agency)) institution may, if it has complied with the twenty-day rule as to its original notice and has convened at the time and place specified in such notice, announce a continuance to a date certain and forthwith file with the code reviser a continuation notice (Form CR-4) containing in part (1) thereof the same terms, substance, or description as was contained in the original notice (or if some of the matters have been disposed of, then such portions thereof as remain applicable) and supplying the additional information required by part (7) of such form. In the event of one or more such continuances, the compliance of the original notice with the twenty-day rule will be deemed to relate to the continuation notices, and the text of the proposal need not be submitted with a notice of continuance. If an ((agency)) institution determines in advance of a hearing or adoption that it desires to continue either or both actions, ((it)) or if action of the rules review committee necessitates an extension of the rule-making proceeding, the institution may file a notice of continuance in advance of the action if the notice will appear in a register with a distribution date at least ten days before the first action date of the previous notice.

#### NOTES:

<sup>1</sup> & <sup>2</sup> RCW 28B.19.030 as last amended by § ((10, chapter 240, Laws of 1977 ex. sess. (effective January 1, 1978))) 12, chapter 324, Laws of 1981 (effective July 26, 1981) provides:

"(1) Prior to the adoption, amendment, or repeal of any rule adopted under this chapter, each institution, college, division, department, or official thereof exercising rule-making authority delegated by the governing board or the president, shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committee, and mail the notice to all persons who have made timely request of the institution or related board for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Provide notice to the campus or standard newspaper of the institution involved and to a newspaper of general circulation in the area at least seven days prior to the date of the rule-making proceeding. The notice shall state the time when, place where, and manner in which interested persons may present their views thereon and the general subject matter to be covered;

(d) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. An opportunity for oral hearing must be granted if requested by twenty-five persons or by the rules review committee.

(2) The institution shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the institution's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The institution shall consider fully all written and oral statements respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refile the notice required by this section.

(4) No proceeding may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(5) No rule adopted under this chapter is valid unless adopted in substantial compliance with this section, unless it is an emergency rule designated as such and is adopted in substantial compliance with RCW 28B.19.040, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 28B.19.040, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

(6) When twenty days notice of intended action to adopt, amend, or repeal a rule has not been filed with the code reviser, as required by subsection (4) of this section, the code reviser may not publish such rule and such rule may not be effective for any purpose."

<sup>3</sup>RCW 34.08.020 as amended by § 15, chapter 186, Laws of 1980 provides: "There is hereby created a state publication to be called the Washington State Register, which shall be published on no less than a monthly basis. The register shall contain, but is not limited to, the following materials received by the code reviser's office during the pertinent publication period:

(1) The full text of any proposed new or amendatory rules, as defined in RCW 34.04.010, and the citation of any existing rules the repeal of which is proposed, prior to the public hearing on such proposal. Such material shall be considered, when published, to be the official notification of the intended action, and no state agency or official thereof may take action on any such rule except on emergency rules adopted in accordance with RCW 34.04.030, until twenty days have passed since the distribution date of the register in which the rule and hearing notice have been published or a notice regarding the omission of the rule has been published pursuant to RCW 34.04.050(3) as now or hereafter amended;

(2) The full text of any new or amendatory rule adopted, and the citation of any existing rule repealed, on a permanent or emergency basis;

(3) Executive orders and emergency declarations of the governor;

(4) Public meeting notices of any and all agencies of state government, including state elected officials whose offices are created by Article III of the state Constitution or RCW 48.02.010;

(5) Rules of the state supreme court which have been adopted but not yet published in an official permanent codification; and

(6) Summaries of attorney general opinions and letter opinions, noting the number, date, subject, and other information, and prepared by the attorney general for inclusion in the register."

#### AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-13-032 RULE PURPOSE AND IMPLEMENTATION STATEMENT. RCW ((28B.19.033)) ((1980 c 186 § 23)) 28B.19.033<sup>1</sup> requires that when notice of any proposed rule is filed with the code reviser it shall be accompanied by a statement generally describing the rule's purpose and how it is to be implemented. Such statement shall also contain, as a minimum, the other items required by that statute. One copy of the purpose statement shall be attached to each copy of the notice filed with the code reviser's office. Also note that it is the responsibility of the adopting institution to transmit three copies of the statement to the secretary of the senate and the chief clerk of the house of representatives. Filing the rule purpose statement with the rules review committee would also appear to meet the requirements of RCW 28B.19.030(1)(b) for "a statement of the reasons supporting the proposed action."

#### NOTES:

<sup>1</sup>RCW ((28B.19.033)) ((1980 c 186 § 23)) 28B.19.033 provides:

Such statement shall be on the institution's stationery or a form bearing the institution's name and shall contain, but is not limited to, the following:

(a) A title, containing a description of the rule's purpose, the statutory authority for the rule, and any other information which may be of assistance in identifying the rule or its purpose;

(b) A summary of the rule and a statement of the reasons supporting the proposed action;

(c) The institution personnel, with their office location and telephone number, who are responsible for the drafting, implementation, and enforcement of the rule;

(d) The name of the person or organization, whether private, public, or governmental, proposing the rule, if any;

(e) Institution comments or recommendations, if any, regarding statutory language, implementation, enforcement, and fiscal matters pertaining to the rule;

(f) Whether the rule is necessary as the result of federal law or federal or state court action, and if so, a copy of such law or court decision shall be attached to the purpose statement.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting institution shall have copies of the statement on file and available for public inspection and shall forward three copies each of the statement to the secretary of

the senate and the chief clerk of the house of representatives, who will in turn forward the statement to the majority and minority caucuses and to the appropriate legislative committees."

WAC 1-13-033 WITHDRAWAL OF PROPOSED RULE. Pursuant to RCW ((~~28B.19.037~~ (~~1980 c 186 § 24~~))) 28B.19.037 a proposed rule may be withdrawn by the proposing institution at any time before adoption. Notice of withdrawal shall be provided to the code reviser's office in the form of a letter or memorandum from the proposing institution signed by the person signing the notice of proposal or by a designee of that person.

#### NEW SECTION

WAC 1-13-034 REVIEW OF PREVIOUSLY ADOPTED RULES. RCW 28B.19.\_\_\_\_ (1981 c 324 § 15) requires that within thirty days of the receipt of a notice from the rules review committee that certain existing rules of the institution are either "not within the intent of the legislature" or were not "adopted in accordance with all applicable provisions of law," the institution "shall file notice of a hearing on the rule in question with the code reviser. . . ." Notice of such review hearing shall be given on Form CR-12 of the code reviser's office (WAC 1-13-950). This applies to all previously adopted rules, whether permanent or emergency rules.

#### AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-13-035 TIME FOR FILING MATERIAL FOR INCLUSION IN REGISTER. To permit sufficient lead time for the editorial, data capture, and printing process, material to be published under RCW 34.08.020 in a particular register and notices and statements relating to action of the rules review committee shall be in the actual physical possession of and filed in the code reviser's office according to the following schedule:

(1) If the material has been prepared and completed by the order typing service (OTS) of the code reviser's office; by 5:00 p.m. on the fourteenth day prior to the distribution date of that period's register; or

(2) If the material has been prepared other than by the code reviser's order typing service (OTS) and:

(a) Contains no more than ten pages in conformance with WAC 1-13-170; by 5:00 p.m. on the fourteenth day prior to the distribution date of that period's register; or

(b) Contains more than ten but less than thirty pages in conformance with WAC 1-13-170; by 5:00 p.m. on the twenty-eighth day prior to the distribution date of that period's register; or

(c) Contains thirty or more pages in conformance with WAC 1-13-170; by 5:00 p.m. on the forty-second day prior to the distribution date of that period's register.

#### AMENDATORY SECTION (Amending Order 21, filed 6/12/80)

WAC 1-13-130 DRAFTING INSTRUCTIONS—AMENDATORY SECTIONS. (1) Both proposed and adopted rules which amend a section or sections of existing rules shall set forth the full text of the most current version of the section or sections including the WAC citation number, caption, text of the section, and associated agency explanatory notes and shall indicate by use of deletion and/or addition marks the amendment being made (RCW ((~~28B.19.037~~ (~~1980 c 186 § 27~~))) 28B.19.077).

(2) Amendments shall be to the most current permanent version of a WAC section and shall be drafted in the following manner only:

(a) Language added to an existing WAC section shall be underlined;

(b) Language to be deleted from an existing WAC section shall be

(i) preceded by two left parentheses,

(ii) struck over with hyphens, and

(iii) followed by two right parentheses;

(c) New language which replaces deleted language shall follow the deleted language.

(3) Each amendatory section shall be headed "AMENDATORY SECTION" followed by reference to the agency order number and filing date of the latest permanent order affecting that section. (See WAC 1-13-155 for style of this reference.)

(4) Special care must be taken to make sure that punctuation is not neglected. Addition and deletion of punctuation must be indicated in the above manner also. Existing punctuation should, however, be utilized to the extent possible. For example, if new language is to follow the last word of a sentence, insert the new language (underlined) be-

tween the existing last word and the existing period.

(5) The code reviser's office will be pleased to afford such advice and assistance as its time and resources will permit to requesting institutions regarding the style in which rules amending existing WAC sections must be drafted. (See WAC 1-13-240.)

(6) Note that rules which amend existing WAC sections and which are not drafted in the required style cannot be accepted for filing by the code reviser, and any addition to or deletion from an existing WAC section not promulgated in the required style has no legal effect and is not enforceable by the institution (RCW ((~~28B.19.037~~ (~~1980 c 186 § 27~~))) 28B.19.077).

(7) In the event that any section to be amended is exempted from publication under the provisions of RCW 28B.19.070 and therefore not codified in the Washington Administrative Code, it shall be referred to by agency order and section number, or other appropriate description.

#### NOTES:

<sup>1</sup> RCW ((~~28B.19.037~~ (~~1980 c 186 § 27~~))) 28B.19.077 provides:

Any matter to be deleted from an existing section shall be indicated by setting such matter forth in full, enclosed by double parentheses, and such deleted matter shall be lined out with hyphens. In the case of a new section, such shall be designated "NEW SECTION" in upper case type and such designation shall be underlined, but the complete text of the section shall not be underlined. No rule may be forwarded by any institution to the code reviser, nor may the code reviser accept for filing any rule unless the format of such rule is in compliance with the provisions of this section.

(2) Once the rule has been formally adopted by the institution the code reviser need not, except with regard to the register published pursuant to RCW 28B.19.070(2), as now or hereafter amended, include the items enumerated in subsection (1) of this section in the official code.

(3) Any addition to or deletion from an existing code section not filed by the institution in the style prescribed by subsection (1) of this section shall in all respects be ineffectual, and shall not be shown in subsequent publications or codifications of that section unless the ineffectual portion of the rule is clearly distinguished and an explanatory note is appended thereto by the code reviser in accordance with RCW 28B.19.070, as now or hereafter amended, and RCW 28B.19.073."

#### AMENDATORY SECTION (Amending Order 15, filed 10/31/77)

WAC 1-13-190 EMERGENCY RULES. (1) With respect to emergency rules filed by an institution pursuant to RCW 28B.19.040, compliance with WAC 1-13-030 is not required.

(2) Emergency rules shall be transmitted to the code reviser's office in the same manner as permanent rules; see WAC 1-13-050. Note that RCW 34.04.030 also requires emergency rules to be filed with the rules review committee.

(3) The finding of emergency and statement of reasons therefor required by RCW 28B.19.040 shall appear in the administrative order, which is considered to be a part of the rules.

(4) Since an emergency rule is effective only for ninety days from its filing with the code reviser, upon the expiration of such period an existing WAC section reverts to its permanent form prior to the emergency action affecting it. Such temporary changes in the WAC are not codified, and an emergency amendment of an existing WAC section should always be to the current permanently adopted version of that section. If an intervening emergency amendment is still within its ninety day effective period, the subsequent emergency amendment either should specifically supersede the previous emergency order or part thereof which amended the section or should incorporate the previous emergency amendment if that is the effect desired by the institution.
