**HEALTH CARE AUTHORITY**

[Filed June 12, 2017, 1:23 p.m.]

**NOTICE**

Title or Subject: Medicaid State Plan Amendment (SPA) 17-0032 Hospice Services.

Effective Date: July 1, 2017.

Description: The health care authority (the agency) intends to submit medicaid state plan amendment (SPA) 17-0032 in order to reflect the policy in 42 U.S.C. 1396d (o)(1)(C) and current agency policy regarding hospice concurrent care. The agency recently revised WAC 182-551-1860 (adopted under WSR 17-12-082) to update the state's policy regarding hospice and concurrent care, and remove the prior authorization requirement for enrollment in a concurrent care plan, including curative treatment. SPA 17-0032 will remove the requirement in the medicaid state plan for prior authorization to reflect these updated policies.

SPA 17-0032 is expected to have no effect on annual aggregate expenditures for this service; provider rates have not changed as a result of the updated policy.

SPA 17-0032 is in the development process; therefore a copy is not yet available for review. The agency would appreciate

ciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below. To submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

**NOTE:** Effective March 20, 2017, official public notice of proposed medicaid SPAs is published on the agency's web site at the Public Notices link. As a convenience, the agency will continue to publish copies of SPA notices in the Washington State Register through June 30, 2017.

**AGENDA**  
**DEPARTMENT OF**  
**FINANCIAL INSTITUTIONS**

[Filed June 13, 2017, 3:31 p.m.]

**Semi-Annual Agenda for Rules Under Development**  
**July 1 - December 31, 2017**

**AGENCY ADJUDICATIVE PROCEDURES**

- Finalize adoption of rules under chapter 208-08 WAC to modernize the chapter and make it more procedurally efficient. This chapter of rules applies to all divisions within the agency. Additional changes to the rules will be made for need, clarity and consistency, and to guide participants. Examples include a rule to provide for electronic submission of documents; application of the Washington rules of professional conduct to participant behavior; a requirement to provide contact information for represented parties; the administrative law judge's authority under the chapter; expansion of the discovery rule; and a rule on the validity of an unsworn declaration.

**DIVISION OF BANKS**

- Amend chapter 208-536 WAC for technical cleanup and compatibility with the enabling provisions of Title 30B RCW, Washington Trust Institutions Act, which became effective on January 5, 2015. Contemplated revisions include additional clarification on:
  - o Frequency of trust company examinations.
  - o Insurance requirements.
  - o Background check requirements for officers, directors, and principal shareholders.
  - o Additional "outside" director requirements.
  - o Call report definitions and submission requirements.
  - o Capital requirements.
  - o Dividends.
  - o Pledging prohibitions and exceptions.
  - o Patriot Act, Bank Secrecy Act, and antimoney laundering requirements.
- Currently amending chapter 208-512 WAC to modernize securities investment standards rules. Section 939A of the Dodd-Frank Act authorized federal banking regulators to eliminate statutory protections for national credit rating agencies associated with investments (i.e., Standard & Poor's, Moody's, and Fitch) and to establish new standards of credit-worthiness. In reviewing its compliance with Section 939A of the Dodd-Frank Act, the division of banks identified one or more sections of chapter 208-512 WAC which need modernization to conform to the Dodd-Frank Act and to also assure "parity" for Washington state-chartered banks and savings banks with national banks in relation to securities investment standards.
- Currently amending "lending limits" rule regarding derivatives and securities lending, chapter 208-512A WAC. Making some revisions that are congruent to the Office of the Comptroller of the Currency, which are necessary to be adopted for Titles 30A and 32 RCW banks. This is necessary to bring Titles 30A and 32 RCW banks into parity with national banks.
- Currently drafting and proposing to adopt rules for a technical cleanup, modernization, or repeal of certain outdated or inapplicable sections of the above-mentioned chapters 208-512 and 208-512A WAC. Amendments will be made to change citations from "Title 30" to "Title 30A" stemming from recodification of the Commercial Bank Act, 2014 c 37 § 1-701. Other miscellaneous changes include changing over to gender-neutral language, updating internal citations to RCW and WAC, and any other technical cleanup, as needed.

**DIVISION OF CONSUMER SERVICES**

- Consumer Loan Act. Begin rule making under chapter 208-620 WAC to allocate the residential mortgage loan servicing requirements in the act between investors, master servicers and subservicers.
- Uniform Money Services Act. Begin rule making under chapter 208-690 WAC to implement chapter 30, Laws of 2017. Examples include clarifying, if necessary, the new definition of virtual currency; further clarifying the pay-

ment processing and other exemptions; delineating when a currency exchange company must have a bond for their online activity; further clarifying the new time frame by which companies must identify and report their authorized delegates to the department; further clarifying the permissible investment requirements for companies that transmit virtual currency; and further clarifying the disclosure requirements for virtual currency transmitters.

#### DIVISION OF CREDIT UNIONS

- Resume rule making to update chapter 208-460 WAC, Member business loans (MBL), to be more consistent with the federal MBL rule in 12 C.F.R. 723, which federal amendments became effective on January 1, 2017, and to modernize the state MBL rule which has not been amended since June 1, 2001.

#### DIVISION OF SECURITIES

- Amendments to the crowdfunding rules contained in chapter 460-99C WAC. On October 31, 2016, the Securities and Exchange Commission adopted amendments to federal Rule 147 and federal Rule 504. In addition, on April 25, 2017, Governor Inslee signed into law HB 1593, chapter 113, Laws of 2017, which amends the state crowdfunding exemption in the Securities Act of Washington. The rules contained in chapter 460-99C WAC implement the state crowdfunding exemption. The department of financial institutions, in the interest of facilitating capital formation, proposes to amend these rules to ensure coordination of our rules with federal regulations and the new state laws.
- Amendments to the rules relating to the Washington small business retirement marketplace contained in chapter 208-710 WAC. Governor Inslee recently signed a bill (SB [SSB] 5675, chapter 69, Laws of 2017) amending the Washington small business retirement marketplace (codified at RCW 43.330.730 through 43.330.750, and 43.320.180). The division is responsible for verifying that the retirement plans that apply to be listed on the marketplace meet the requirements set forth in RCW 43.330.732(7) and 43.330.735. The division intends to amend its rules in chapter 208-710 WAC in order to reflect the recent legislative amendments.
- Amendments to WAC 460-16A-205, which sets forth the North American Securities Administrators Association (NASAA) statements of policy adopted by the securities administrator. Since the rule was last amended, NASAA has recently amended or promulgated statements of policy in connection with state-registered securities offerings. The division intends to amend its rules to reference the updated statements of policy and incorporate a reference to a new statement of policy relating to electronic offering documents and electronic signatures in connection with registered securities offerings.

**INTERPRETIVE OR POLICY STATEMENT  
UTILITIES AND TRANSPORTATION  
COMMISSION**

[Filed June 14, 2017, 1:26 p.m.]

**NOTICE OF INTERPRETIVE OR POLICY STATEMENT**

Document Title: Policy and Interpretive Statement Concerning Commission Regulation of Electric Vehicle Charging Services, Docket UE-160799.

Subject: In the matter of the commission's policies relating to electric vehicle charging services and implementation of RCW 80.28.360.

Effective Date: June 14, 2017.

Document Description: The Washington utilities and transportation commission (commission) clarifies its jurisdiction and regulation of electric vehicle charging services offered by electrical companies. The commission adopts policies supporting transformation of the electric vehicle market through utility provision of electric vehicle charging services, and a framework for regulating these services. Utilities may offer a portfolio of electric vehicle charging services on a regulated basis, consistent with commission interests and policies promoting load management and system benefits, consumer protection, service quality, direct benefits to low-income customers, interoperability, stakeholder engagement, regular reporting, and education and outreach. The portfolio approach is also meant to support consumer choice, and allow a competitive market for these services to continue to develop.

Finally, the commission recognizes that utilities have access to information that will help align transportation electrification goals with electric system grid needs. The commission stands ready to work with statewide and regional planning organizations to facilitate efficient electrification of the transportation system to meet state policy goals.

To receive a copy of the interpretive and policy statement, go to the rule-making web site at [www.utc.wa.gov/160799](http://www.utc.wa.gov/160799), or contact the commission by phone (360) 664-1160, or email [records@utc.wa.gov](mailto:records@utc.wa.gov).

**HEALTH CARE AUTHORITY**

[Filed June 14, 2017, 2:19 p.m.]

**NOTICE**

Title or Subject: Medicaid State Plan Amendments (SPA) 17-0014 FQHC and 17-0015 RHC Alternative Payment Methodology (APM).

Effective Date: July 1, 2017.

Description: The health care authority (the agency) previously published notice of its intent to submit two medicaid state plan amendments (SPA) - 16-0027 for federally qualified health centers (FQHC) and 16-0028 for rural health centers (RHC) - under WSR 16-15-088. These SPAs were to be submitted as directed by the state legislature in E2SHB 2572 and as supported by the agency's center for medicare and medicaid innovation state innovation model grant. The agency delayed submission of these SPAs in order to work with FQHCs and RHCs to develop an alternative payment methodology. The agency has renumbered these SPAs and now intends to submit SPA 17-0014 regarding FQHCs and SPA 17-0015 regarding RHCs.

Both SPAs will establish an optional new alternative payment methodology (APM) for FQHCs (SPA 17-0014) and RHCs (SPA 17-0015). The new APM is intended to increase the use of value-based contracting, alternative quality contracting, and other payment incentives that promote quality, efficiency, cost-savings, and health improvement.

The APM will establish a budget-neutral, baseline per-member-per-month (PMPM) payment amount for each participating facility. PMPM payment amount will be applicable for medicaid managed care clients assigned to the facility by the managed care organization (MCO). MCOs will pay participating FQHCs and RHCs for each eligible client they assign to the facility, and the agency will pay enhancements to bring FQHCs and RHCs up to their baseline payment amounts, with adjustments for certain factors. The agency will perform reconciliations to ensure participating facilities receive no less than they would have under previous reimbursement methods. For both SPAs, the agency will ask the Centers for Medicare and Medicaid Services for an effective date of July 1, 2017.

The new APM is completely voluntary; FQHCs and RHCs will not be required to participate in the new APM if they do not wish to.

These SPAs are anticipated to have no effect on annual aggregate expenditures; participating facilities will receive no less than they would have under previous reimbursement methods.

The SPAs are in the development process; therefore copies are not yet available for review. To contact the agency for additional information and copies of the SPAs when they become available, please contact the agency in your county listed below, or the person listed below.

**NOTE:** Effective March 20, 2017, official public notice of proposed medicaid SPAs is published on the agency's web site at the Public Notices link. As a convenience, the agency will continue to publish copies of SPA notices in the Washington State Register.

[Filed June 14, 2017, 3:03 p.m.]

**NOTICE**

Title or Subject: Medicaid State Plan Amendment (SPA) 17-0033 July 1, 2017, Conversion Factors and Dental Services Fee Schedule Updates.

Effective Date: July 1, 2017.

Description: The health care authority (the agency) intends to submit medicaid SPA 17-0033 in order to update the effective date of the conversion factors used to set payment rates for the following medicaid programs: EPSDT; family planning services; home health services; mental health services; optometric services; physician-related services; physical, occupational and speech therapy; school-based services; telemedicine services; and tobacco cessation services.

The rate setting methodology for these programs uses the resource based relative value scale method, which uses conversion factors that are informed by various sources, including the Centers for Medicare and Medicaid Services (CMS), medicaid, and others to remain budget neutral. This SPA is a regular annual update to keep rates and billing codes in alignment with the coding and coverage changes from CMS, medicaid, and other sources.

The dental program fee schedule is being updated by the addition of a column to indicate prior authorization requirements, which is designed to assist providers in identifying codes with prior authorization. There is no change to dental rates or the requirements described in the *Dental-Related Services Billing Guide*.

See <http://www.hca.wa.gov/billers-providers/claims-and-billing/professional-rates-and-billing-guides>.

The agency anticipates that updating the effective date of the conversion factors and adding a column to the dental program fee schedule will have no effect on annual aggregate expenditures; provider rates will not be affected.

SPA 17-0033 is in the development process; therefore a copy is not yet available for review. The agency would appreciate any input or concerns regarding this SPA. To request a

copy when it becomes available or submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

**NOTE:** Effective March 20, 2017, official public notice of proposed medicaid SPAs is published on the agency's web site at the Public Notices link. As a convenience, the agency will continue to publish copies of SPA notices in the Washington State Register.

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION  
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

If you are interested in commenting on a request listed in this volume of the register, you should notify the attorney general's office of your interest by July 12, 2017. This is not the due date by which comments must be received, and we will consider any comments we receive before we complete our opinion. However, if you do not notify the attorney general's office of your interest in commenting on an opinion request by this date, the opinion may be issued before your comments have been received. You may notify the attorney general's office of your intention to comment by email to [OpinionComments@atg.wa.gov](mailto:OpinionComments@atg.wa.gov) or by writing to the Office of the Attorney General, Solicitor General Division, Attention Jeff Even, Deputy Solicitor General, P.O. Box 40100,

Olympia, WA 98504-0100. When you notify the office of your intention to comment, you may be provided with a copy of the opinion request in which you are interested, information about the attorney general's opinion process, information on how to submit your comments, and a due date by which your comments must be received to ensure that they are fully considered.

If you are interested in receiving notice of new formal opinion requests via email, you may visit the attorney general's web site at <http://www.atg.wa.gov/ago%E2%80%99opinions> for more information on how to join our AGO opinions list.
