HEALTH CARE AUTHORITY

[Filed July 27, 2017, 4:09 p.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 17-0037 Birthing Center Facility Rate.

Effective Date: August 1, 2017.

Description: The health care authority (the agency) intends to submit medicaid SPA 17-0037 to update reim-

bursament information for birthing centers. The amendment will eliminate outdated references to average wholesale price (AWP) for drugs and describe a new basis of payment for the birthing center facility fee as directed by the Washington state legislature per SSB 5883. The facility fee paid to birthing centers will now be based on ninety percent of the average hospital facility rate for an uncomplicated delivery and will increase from \$605.48 to \$1,742.00.

The agency estimates that SPA 17-0037 may increase the annual aggregate fee-for-service payments to birthing centers by \$65,969 in state fiscal year 2018.

SPA 17-0037 is in the development process; therefore a copy is not yet available for review. The agency would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below. To submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

NOTE: Effective March 20, 2017, official public notice of proposed medicaid SPAs is published on the agency's web site at the Public Notices link. As a convenience, the agency will continue to publish copies of SPA notices in the Washington State Register.
