**RCW 88.32.010 Districts authorized.** Every county in this state is hereby authorized and empowered, by and through its county commissioners, whenever the government of the United States is intending or proposing the construction or operation of any river, lake, canal or harbor improvement, partly or wholly within such county, and whenever said board of county commissioners shall adjudge, upon a petition therefor filed with it and signed by at least one hundred freeholders of said county who each own realty of the assessed valuation of not less than five thousand dollars, situated within the limits of the improvement district sought to be created, that it is for the general benefit and welfare of the people of the county, that such river, lake, canal or harbor improvement be made and completed to define and establish an assessment district within such county and to levy an assessment upon so much of the taxable real estate of such county as shall be specially benefited by such improvement as hereinafter provided, for the purpose of paying the expenses of such improvement, or so much thereof as said board of county commissioners shall determine, not in any instance exceeding one percent of the taxable valuations of all real and personal property in the entire county as appearing on the then last assessment roll. Such improvement shall be known as river and harbor improvement. [1907 c 236 s 1; RRS s 9669. Prior: 1903 c 143 ss 1, 2.]

Limitation of levies: RCW 84.52.050 through 84.52.056.

**RCW 88.32.020 Improvement commission—Appointment—Oath.**

Whenever the board of county commissioners of any such county shall have adjudged as provided in RCW 88.32.010, said board shall thereupon apply to the person, who, for the time being, shall be judge of the United States district court, for the district within which the county shall be situated, to name eleven reputable citizens and freeholders of such county and file a list thereof with said board of county commissioners. The persons so named, or a majority of them, shall act as a commission, and be known as the "river and harbor improvement commission of . . . . . county", and shall receive no compensation, except their actual necessary expenses, including necessary clerical assistance, to be audited by the board of county commissioners; and they shall be deemed the agents of the county in the performance of the duties imposed upon them by RCW 88.32.010 through 88.32.220. Each member of such commission shall, before entering upon his or her duties, take and subscribe an oath, substantially as follows:

"State of Washington  
County of . . . . . } ss.

I, the undersigned, a member of the river and harbor improvement commission of . . . . . county, to define and establish the

assessment district and assess the costs of the following improvement (here give the general description of the improvement), do solemnly swear (or affirm, as the case may be), that I will well and truly discharge my duties as a member of said commission." In case the person who is United States judge shall be unable or decline to act, the board of county commissioners shall name the eleven persons to act as such commission. [2013 c 23 s 537; 1907 c 236 s 2; RRS s 9670.]

**RCW 88.32.030 Improvement commission—Notification of appointment—Organization.** The board of county commissioners of the county, or of the oldest county in case of counties joining, shall cause the persons named for the commission to be notified of their appointment in a notice that shall name all such persons and shall designate the time and place of the first meeting of the commission. The commission, having come together pursuant to such notice, and its members having taken the oath hereinbefore prescribed, shall have full powers to organize and proceed with its business as a deliberative body. [1907 c 236 s 18; RRS s 9686.]

**RCW 88.32.040 Establishment of assessment district—Assessments—State lands.** It shall be the duty of such commission to define and establish an assessment district, within such county, comprising all the taxable real property, and also (with the limitations hereinafter expressed) the state shorelands, which shall be specially benefited by said river, lake, canal, or harbor improvement, and to apportion and assess the amount of separate, special, and particular benefits against each lot, block, parcel, or tract of land or shoreland within such district, by reason of such improvement. The commission in making the assessment shall include in the properties upon which the assessment is laid, all shorelands of the state, whether unsold or under contract of sale and subject to sale by it and as against all purchasers from the state or under contract to purchase such lands, the assessment shall be a charge upon such land and the purchaser's interest therein. The county auditor shall certify to the state commissioner of public lands a schedule of the state shorelands so assessed and of the assessment thereon, and the purchaser shall from time to time pay to the proper county treasurer the sums due and unpaid under such assessment, and at the time of such payment the county treasurer shall give him or her, in addition to a regular receipt for such payment, a certificate that such payment has been made, which certificate the purchaser shall immediately file with the commissioner of public lands, and no patent from the state nor deed shall issue to such purchaser, nor shall any assignment of his or her contract to purchase be approved by the commissioner of public lands until every matured installment of such assessment shall have first been fully paid and satisfied: PROVIDED, HOWEVER, That no such assessment shall create any charge against such shoreland or affect the title thereof as against the state, and the state shall be as free to forfeit or annul such contract and again sell such land as if the assessment had never been made, and in case of such forfeiture or annulment the state shall be free to sell again such land entirely disencumbered and unencumbered of all right and claim of such former purchaser, and such purchaser shall have no right, interest, or claim upon or against such land or the state or such new purchaser or at

all, but every such sum paid by such former purchaser upon such assessment shall be utterly forfeited as against him or her, his or her personal representatives and assigns, and shall inure to the benefit of such new purchaser. [2013 c 23 s 538; 1907 c 236 s 3; RRS s 9671. Formerly RCW 88.32.040 and 88.32.050.]

**RCW 88.32.060 Assessment roll.** Such commission shall also make, or cause to be made, an assessment roll, in which shall appear the names of the owners of the property assessed, so far as known, the description of each lot, block, parcel or tract of land within such assessment district, and the amount assessed against the same, as separate, special or particular benefits, and certify such assessment roll to the board of county commissioners, of such county, within ten weeks after their appointment, or within such further time as may be allowed by the board of county commissioners of such county. [1907 c 236 s 4; RRS s 9672. Prior: 1905 c 104 s 1; 1903 c 143 s 21.]

**RCW 88.32.070 Hearing on roll—Date—Notice.** After the return of the assessment roll to the county legislative authority it shall make an order setting a day for the hearing upon any objections to the assessment roll by any parties affected thereby who shall be heard by the county legislative authority as a board of equalization, which date shall be at least twenty days after the filing of such roll. It shall be the duty of the county legislative authority to give, or cause to be given, notice of such assessment, and of the day fixed for the hearing, as follows:

(1) They shall send or cause to be sent, by mail, to each owner of premises assessed, whose name and place of residence is known to them, a notice, substantially in this form, to wit:

" . . . . .  
"Your property (here describe the property) is assessed  
\$. . . . . for river and harbor improvement to be made in this  
county.  
"Hearing on the assessment roll will be had before the  
undersigned, at the office of the county commissioners, on the . . . .  
day of . . . . . (year) . . . .

.....  
.....  
.....  
"Board of county commissioners."

But failure to send, or cause to be sent, such notice, shall not be fatal to the proceedings herein prescribed.

(2) They shall cause at least ten days' notice of the hearing to be given by posting notice in at least ten public places in the county, three of which shall be in the neighborhood of the proposed improvement, and by publishing the same at least once a week for two consecutive weeks in the official newspaper of the county which notice shall be signed by the county legislative authority, and shall state the day and place of the hearing of objections to the assessment roll, and the nature of the improvement, and that all interested parties

will be heard as to any objections to said assessment roll. [2016 c 202 s 51; 1985 c 469 s 95; 1907 c 236 s 5; RRS s 9673.]

**RCW 88.32.080 Hearing on roll—Objections—Certification for collection.** Any person interested in any real estate affected by such assessment may appear and file objections to the assessment roll, and the board of county commissioners may make an order regarding the time of filing such objections, as to them seems proper. As to all parcels, lots or blocks as to which no objections are filed within the time so fixed, the assessment thereon shall be confirmed. On the hearing, each party may offer proof and the board shall then have authority to affirm, modify, change and determine the assessment in such sum as to them appears just and right. When the assessment is finally equalized and fixed by the board of county commissioners, the clerk thereof shall certify the same to the county treasurer for collection, or if appeal has been taken from any part thereof, then so much thereof, as has not been appealed from, shall be certified. [1907 c 236 s 6; RRS s 9674.]

**RCW 88.32.090 Appeal from final assessment.** Any person who feels aggrieved by the final assessment made against any lot, block, or parcel of land owned by him or her may appeal therefrom to the superior court of such county. Such appeal shall be taken within the time, and substantially in the manner prescribed by the laws of this state for appeals from justice's courts. All notices of appeal shall be filed with the board of county commissioners, and served upon the prosecuting attorney of the county. The clerk of the board of county commissioners shall at appellant's expense certify to the superior court so much of the record, as appellant may request, and the cause shall be tried in the superior court de novo.

Any person aggrieved by any final order or judgment, made by the superior court concerning any assessment authorized by RCW 88.32.010 through 88.32.220, may seek appellate review of the order or judgment in accordance with the laws of this state relative to such review, except that review shall be sought within thirty days after the entry of such judgment. [2013 c 23 s 539; 1988 c 202 s 90; 1971 c 81 s 175; 1907 c 236 s 7; RRS s 9675.]

**Severability—1988 c 202:** See note following RCW 2.24.050.

**RCW 88.32.100 Lien of assessment—Collection—Payment—Interest.** The final assessment shall be a lien, paramount to all other liens, except liens for taxes and other special assessments, upon the property assessed, from the time the assessment roll shall be approved by said board of county commissioners and placed in the hands of the county treasurer, as collector. After said roll shall have been delivered to the county treasurer for collection, he or she shall proceed to collect the same, in the manner as other taxes are collected: PROVIDED, That such treasurer shall give at least ten days' notice in the official newspaper (and shall mail a copy of such notice to the owner of the property assessed, when the post office address of such owner is known, but failure to mail such notice shall not be fatal when publication thereof is made), that such roll has been

certified to him or her for collection, and that unless payment be made within thirty days from the date of such notice, that the sum charged against each lot or parcel of land shall be paid in not more than ten equal annual payments, with interest upon the whole sum so charged at a rate not to exceed seven percent per annum. Said interest shall be paid semiannually, and the county treasurer shall proceed to collect the amount due each year by the publication of notice as hereinabove provided. [2013 c 23 s 540; 1907 c 236 s 8; RRS s 9676. Formerly RCW 88.32.100 and 88.32.110.]

**RCW 88.32.130 Local improvement fund—Disbursements.** All moneys paid or collected on account of any assessments made pursuant to RCW 88.32.010 through 88.32.220, shall be kept by the county treasurer in the county depository separate and apart from the other funds of the county, in a fund to be established by the board of county commissioners and to be known as "Local Improvement Fund, District No. . . . . of . . . . . County"; and said money shall at all times be subject to the order of the United States government engineer, having said river and harbor improvement in said county in charge, and the county treasurer shall pay said money out upon drafts, drawn upon said fund, for the cost of said improvement, by said United States government engineer. If such government engineer is unable or unauthorized to act in the premises, then the county treasurer shall pay out said money for the costs of said improvement, upon the order of the board of county commissioners. Such bonds shall be called "Local Improvement Bonds, District No. . . . ., County of . . . . ., State of Washington," and shall be payable not more than ten years after date, and shall be subject to annual call by the county treasurer, in such manner and amounts as he or she may have cash on hand to pay the same in the respective local improvement fund from which such bonds are payable, interest to be paid at the office of the county treasurer. Such bonds shall be issued and delivered to the contractor for the work from month to month in such amounts as the engineer of the government, in charge of the improvement, shall certify to be due on account of work performed, or, if said county legislative authority resolves so to do, such bonds may be offered for sale after thirty days public notice thereof given, to be delivered to the highest bidder therefor, but in no case shall such bonds be sold for less than par, the proceeds to be applied in payment for such improvement: PROVIDED, That unless the contractor for the work shall agree to take such bonds in payment for his or her work at par, such work shall not be begun until the bonds shall have been sold and the proceeds shall have been paid into a fund to be called "Local Improvement Fund No. . . . ., County of . . . . .," and the owner or owners of such bonds shall look only to such fund for the payment of either the principal or interest of such bonds.
