RCW 59.21.005 Declaration—Purpose. The legislature recognizes that it is quite costly for tenants who own homes in manufactured/mobile home parks to relocate when the park in which they reside is closed or converted to another use. Many such tenants need financial assistance in order to relocate from a manufactured/mobile home park. The purpose of this chapter is to provide a mechanism for assisting manufactured/mobile home tenants to relocate their manufactured/mobile homes to suitable alternative sites or demolish and dispose of their homes and secure alternative housing of their choice. [2021 c 28 s 1; 2019 c 390 s 1; 1995 c 122 s 2; 1991 c 327 s 8.]

Finding—Intent—2019 c 390: "The legislature finds that manufactured housing communities provide significant opportunity for affordable housing, but at the same time, vacancy rates in established communities are very low. Siting a replacement manufactured home on a manufactured housing community lot is basic to a landlord's right to continue in business and to provide opportunity for housing that is needed. Imposing undue burdens and new restrictions for the siting of replacement manufactured homes may deem lots unusable as home sites thus, exacerbating the low vacancy rates and reducing affordable housing opportunities. The legislature intends to provide protection for manufactured housing communities by not prohibiting the siting of a manufactured/mobile home on an existing lot based solely on lack of compliance with the existing separation and setback requirements that regulate distance between such homes." [2019 c 390 s 13.]

See note following RCW 84.36.560.

RCW 59.21.006 Declaration—Intent—Purpose—1995 c 122. The legislature recognizes that, in the decision of *Guimont et al. v. Clarke*, 121 Wn.2d (1993), the Washington supreme court held the mobile home relocation assistance program of chapter 59.21 RCW invalid for its monetary burden on mobile home park-owners. However, during the program's operation, substantial funds were validly collected from mobile home owners and accumulated in the mobile home park relocation fund, created under the program. The legislature intends to utilize those funds for the purposes for which they were collected. The legislature also recognizes that, for a period of almost three years since this state's courts invalidated the program, no such assistance was available. The most needy tenants may have been forced to sell or abandon rather than relocate their homes in the face of park closures. Because the purpose of the program was to assist relocation, those persons should be compensated in a like manner to those who could afford to pay for relocation without assistance. To that end, the legislature has: (1) Repealed RCW 59.21.020, 59.21.035, 59.21.080, 59.21.085, 59.21.095, 59.21.900, 59.21.901, 59.21.902, and 59.21.903; (2) amended RCW 59.21.010, 59.21.030, 59.21.040, 59.21.050, 59.21.070, *59.21.100, 59.21.110, and 43.84.092; (3) reenacted without amendment RCW 59.21.005 and **59.21.105; and (4) added new sections to chapter 59.21 RCW. [1995 c 122 s 1.]

Reviser's note: *(1) RCW 59.21.100 and 59.21.110 were not amended by 1995 c 122.

** (2) RCW 59.21.105 was reenacted and amended by 1995 c 122.

RCW 59.21.105 Existing older mobile homes—Forced relocation—Code waiver. (1) The legislature finds that existing older mobile homes provide affordable housing to many persons, and that requiring these homes that are legally located in mobile home parks to meet new fire, safety, and construction codes because they are relocating due to the closure or conversion of the mobile home park, compounds the economic burden facing these tenants.

(2) Mobile homes that are relocated due to either the closure or conversion of a mobile home park, may not be required by any city or county to comply with the requirements of any applicable fire, safety, or construction code for the sole reason of its relocation. This section shall only apply if the original occupancy classification of the building is not changed as a result of the move.

(3) This section shall not apply to mobile homes that are substantially remodeled or rehabilitated, nor to any work performed in compliance with installation requirements. For the purpose of determining whether a moved mobile home has been substantially remodeled or rebuilt, any cost relating to preparation for relocation or installation shall not be considered. For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law.
