Superior court clerks are encouraged to initiate collection action with respect to a criminal offender who is under the supervision of the department of corrections, with the department's approval.

Any contract with a collection agency shall be awarded only after competitive bidding. Factors that a court clerk shall consider in awarding a collection contract include but are not limited to: (1) A collection agency's history and reputation in the community; and (2) the agency's access to a local database that may increase the efficiency of its collections. Contracts may specify the scope of work, remuneration for services, and other charges deemed appropriate.

The servicing of an unpaid court obligation does not constitute assignment of a debt, and no contract with a collection agency may remove the court's control over unpaid obligations owed to the court.

The county clerk may collect civil judgments where the county is the creditor. [1997 c 24 § 1. Prior: 1995 c 291 § 8; 1995 c 262 § 1; 1994 c 185 § 9.]
