Discrimination in price to purchaser for resale prohibited—Price differentials. It is unlawful for a manufacturer of spirits, wine, or malt beverages holding a certificate of approval or the manufacturer's authorized representative, a distillery, brewery, or a domestic winery to discriminate in price in selling to any purchaser for resale in the state of Washington. Price differentials for sales of spirits or wine based upon competitive conditions, costs of servicing a purchaser's account, efficiencies in handling goods, or other bona fide business factors, to the extent the differentials are not unlawful under trade regulation laws applicable to goods of all kinds, do not violate this

section. [2012 c 2 s 119 (Initiative Measure No. 1183, approved November 8, 2011); 2004 c 160 s 17; 1997 c 321 s 50; 1985 c 226 s 3.]

RCW 66.28.180 Price list—Contents—Contracts and memoranda with distributors. (1) Beer and/or wine distributors.

(a) Every beer distributor must maintain at its liquor-licensed location a price list showing the wholesale prices at which any and all brands of beer sold by the distributor are sold to retailers within the state.

(b) Each price list must set forth:

(i) All brands, types, packages, and containers of beer offered for sale by the distributor; and

(ii) The wholesale prices thereof to retail licensees, including allowances, if any, for returned empty containers.

(c) No beer distributor may sell or offer to sell any package or container of beer to any retail licensee at a price differing from the price for such package or container as shown in the price list, according to rules adopted by the board.

(d) Quantity discounts of sales prices of beer are prohibited. No distributor's sale price of beer may be below the distributor's acquisition cost.

(e) Distributor prices below acquisition cost on a "close-out" item are allowed if the item to be discontinued has been listed for a period of at least six months, and upon the further condition that the distributor who offers such a close-out price may not restock the item for a period of one year following the first effective date of such close-out price.

(f) Any beer distributor may sell beer at the distributor's listed prices to any annual or special occasion retail licensee upon presentation to the distributor at the time of purchase or delivery of an original or facsimile license or a special permit issued by the board to such licensee.

(g) Every annual or special occasion retail licensee, upon purchasing any beer from a distributor, must immediately cause such beer to be delivered to the licensed premises, and the licensee may not thereafter permit such beer to be disposed of in any manner except as authorized by the license.

(h) Beer sold as provided in this section must be delivered by the distributor or an authorized employee either to the retailer's licensed premises or directly to the retailer at the distributor's licensed premises. When a brewery, microbrewery, or certificate of approval holder with a direct shipping endorsement is acting as a distributor of beer of its own production, a licensed retailer may contract with a common carrier to obtain the beer directly from the brewery, microbrewery, or certificate of approval holder with a direct shipping endorsement. A distributor's prices to retail licensees for beer must be the same at both such places of delivery. Wine sold to

retailers must be delivered to the retailer's licensed premises, to a location specified by the retailer and approved for deliveries by the board, or to a carrier engaged by either party to the transaction.

(2) Beer suppliers' contracts and memoranda.

(a) Every domestic brewery, microbrewery, certificate of approval holder, and beer and/or wine importer offering beer for sale to distributors within the state and any beer distributor who sells to other beer distributors must maintain at its liquor-licensed location a beer price list and a copy of every written contract and a memorandum of every oral agreement which such brewery may have with any beer distributor for the supply of beer, which contracts or memoranda must contain:

(i) All advertising, sales and trade allowances, and incentive programs; and

(ii) All commissions, bonuses or gifts, and any and all other discounts or allowances.

(b) Whenever changed or modified, such revised contracts or memoranda must also be maintained at its liquor licensed location.

(c) Each price list must set forth all brands, types, packages, and containers of beer offered for sale by such supplier.

(d) Prices of a domestic brewery, microbrewery, or certificate of approval holder for beer must be uniform prices to all distributors or retailers on a statewide basis less bona fide allowances for freight differentials. Quantity discounts of suppliers' prices for beer are prohibited. No price may be below the supplier's acquisition or production cost.

(e) A domestic brewery, microbrewery, certificate of approval holder, importer, or distributor acting as a supplier to another distributor must file with the board a list of all distributor licensees of the board to which it sells or offers to sell beer.

(f) No domestic brewery, microbrewery, or certificate of approval holder may sell or offer to sell any package or container of beer to any distributor at a price differing from the price list for such package or container as shown in the price list of the domestic brewery, microbrewery, or certificate of approval holder and then in effect, according to rules adopted by the board.

(3) In selling wine to another retailer, to the extent consistent with the purposes of chapter 2, Laws of 2012, a grocery store licensee with a reseller endorsement must comply with all provisions of and regulations under this title applicable to wholesale distributors selling wine to retailers.

(4) With respect to any alleged violation of this title by sale of wine at a discounted price, all defenses under applicable trade regulation laws are available including, without limitation, good faith meeting of a competitor's lawful price and absence of harm to competition. Cities, towns, and counties or other municipalities may enact only those laws and ordinances relating to keg registration that are consistent with this chapter. Such local ordinances shall have the same or lesser penalties as provided for by state law. Local laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of state law shall not be enacted and are preempted and repealed, regardless of the nature of the code, charter,

RCW 66.28.260 Beer distributors—Restricted transactions.

Licensed beer distributors may not buy or sell beer, for purposes of distribution, at farmers market locations authorized by the board pursuant to chapter 154, Laws of 2003. [2003 c 154 s 3.]

RCW 66.28.270 Cash payments—Electronic funds transfers. (1)

Nothing in this chapter prohibits the use of checks, credit or debit cards, prepaid accounts, electronic funds transfers, and other similar methods as approved by the board, as cash payments for purposes of this title. Electronic funds transfers must be: (a) Voluntary; (b) conducted pursuant to a prior written agreement of the parties that includes a provision that the purchase be initiated by an irrevocable invoice or sale order before the time of delivery; (c) initiated by the retailer, manufacturer, importer, or distributor no later than the first business day following delivery; and (d) completed as promptly as is reasonably practical, and in no event later than five business days following delivery.

(2) Any person licensed as a distributor of beer, spirits, and/or wine may pass credit card fees on to a purchaser licensed to sell beer, spirits, and/or wine for consumption on the licensed premises, if the decision to use a credit card is entirely voluntary and the credit card fees are set out as a separate line item on the distributor's invoice. Nothing in this section requires the use of a credit card by any licensee. In establishing the fees to be passed on as authorized in this section a distributor must use the same method of determining or calculating such fees for all customers who elect to use a credit card when accepting delivery of beer, spirits and/or wine. The aggregate of all credit card fees passed on to customers by a distributor as authorized under this section during a calendar month, or such longer time as may be established by the board, may not exceed the aggregate of the fees imposed on that distributor by credit card issuers during that same time period. [2017 c 190 s 1; 2009 c 373 s 11.]

RCW 66.28.280 Finding. The legislature recognizes that the historical total prohibition on ownership of an interest in one tier by a person with an ownership interest in another tier, as well as the historical restriction on financial incentives and business relationships between tiers, is unduly restrictive. The legislature finds the provisions of RCW 66.28.285 through 66.28.320 appropriate for all varieties of liquor, because they do not impermissibly interfere with protecting the public interest and advancing public safety by preventing the use and consumption of alcohol by minors and other abusive consumption, and promoting the efficient collection of taxes by the state. [2012 c 2 s 124 (Initiative Measure No. 1183, approved November 8, 2011); 2009 c 506 s 1.]

Notwithstanding any prohibitions and restrictions contained in this title, it shall be lawful for an industry member or affiliate to have a direct or indirect financial interest in another industry member or a retailer, and for a retailer or affiliate to have a direct or indirect financial interest in an industry member unless such interest has resulted or is more likely than not to result in undue influence over the retailer or the industry member or has resulted or is more likely than not to result in an adverse impact on public health and safety. In these cases, the restaurants often charge a fee known as a corkage fee. The legislature supports activities in the free market that facilitate local businesses in selling their products. RCW 66.28.350 Theft prevention—Regulating spirits retailers.

(1) Subject to the procedural requirements of subsection (3) of this section, the board is authorized to regulate spirits retailers licensed under RCW 66.24.630 for the purpose of reducing the theft of spirits from the premises of such retailers. The authority of the board to implement the regulatory measures set forth in this section requires a finding by the board that a licensee is experiencing an unacceptable rate of spirits theft from its premises. For the purposes of this section, "unacceptable rate of spirits theft" means two or more thefts of spirits from a licensee in a six-month period and that result in a minor unlawfully using or gaining possession of spirits, or that involves, or results in, adults unlawfully providing spirits to minors, and where such thefts result in an incident report being generated by a law enforcement agency.

(2) The regulatory measures that may be considered and implemented under this section may require the imposition of one or more of the following requirements on licensees who are experiencing an unacceptable rate of spirits theft:

(a) Participation in one or more consultations with an authorized representative of the board to discuss and analyze spirits theft issues;

(b) The implementation of inventory control and/or other recordkeeping system designed to reveal and track spirits theft;

(c) The structural modification or relocation of the areas where spirits are displayed or stored;

(d) The installation of adequate in-store security systems;

(e) The employment of a sufficient number of staff for the purpose of monitoring display, checkout, and storage areas; and

(f) Requiring additional training for the licensee's staff.

(3) The imposition of the regulatory provisions authorized under subsection (2) of this section are subject to the following procedural steps and requirements:

(a) If a state or local law enforcement agency obtains information indicating that a licensee is experiencing an unacceptable rate of spirits theft, the law enforcement agency is granted the discretionary authority to initiate and participate in, on a voluntary basis, the procedures outlined in this subsection (3). Should the law enforcement agency opt to initiate the investigative and consultation procedures set forth in this subsection (3), the law enforcement agency must first contact the licensee's manager and/or owner to inform him or her of such alleged theft and arrange a meeting with the licensee's manager or owner to discuss theft issues and possible solutions. This first contact by the law enforcement agency with the licensee must occur prior to the law enforcement agency informing the board of the alleged theft issues and thus initiating the procedures set forth in (c) through (h) of this subsection. At this early stage of the law enforcement consultation process, the board may not be involved in the investigation of the theft allegation until such time as the law enforcement agency has had an opportunity to consult with the licensee's manager or owner as provided under this subsection (3) (a).

(b) Following the initial consultation between the law enforcement agency and the licensee as required under (a) of this subsection, the law enforcement agency is granted the discretionary authority to forego any further consultation with the licensee and may terminate its investigation of the theft allegation. However, if the law enforcement agency opts to continue the consultation process with the licensee and proceed with its investigation, the law enforcement agency must endeavor to work with the licensee to identify theft issues and reach cooperative agreements regarding measures that should be taken to eliminate spirits theft problems.

(c) If during the consultation process outlined under (a) and (b) of this subsection the law enforcement agency determines that no spirits theft problem exists at the premises of the licensee, or that the licensee has taken the steps necessary to adequately address the theft problem, then the procedural processes outlined in this section may be terminated at the discretion of the law enforcement agency without the involvement of the board. However, if the law enforcement agency finds that a spirits theft problem exists at the licensee's premises and the licensee either refuses or fails to implement remedial measures adequate to address the theft problem, or otherwise fails to cooperate with the law enforcement agency, then the law enforcement agency must formally inform the board in writing regarding the licensee's lack of cooperation in resolving its spirits theft problem.

(d) Upon the receipt of law enforcement agency notification as required under (c) of this subsection, the board must provide written notification to the licensee of the alleged theft problem and may demand that the licensee participate in a consultation process involving a representative of the board and the licensee. The reporting law enforcement agency may be included in this consultation process at the discretion of the board and upon the agreement of the law enforcement agency. The licensee's participation in the consultation process is mandatory and the licensee is entitled to at least thirty days' notice by the board. In the event a licensee fails to attend or otherwise cooperate in initial or subsequent consultations, the board is authorized to suspend the licensee's spirits retail license until such time as the retailer is in compliance with the requirements of this subsection (3)(d).

(e) At the consultation, the board must provide the licensee with any information or evidence pertinent to any allegation that the retailer has an unacceptable spirits theft rate. The licensee must be provided with a reasonable opportunity to respond and present evidence, and, if necessary, the consultation may be continued at the discretion of the board to allow adequate time for the licensee to prepare such response.

(f) At the conclusion of the initial consultation process, if the board finds that the licensee has an unacceptable spirits theft rate, it may develop a corrective action plan outlining the remedial measures that must be taken by the licensee pursuant to subsection (2) of this section. In developing the plan, the board must make a concerted effort to obtain voluntary participation in the plan by the licensee. At every step in the consultation and corrective action plan process, the board is encouraged to work with the licensee in a cooperative manner and, where possible, to strive for voluntary agreements with the licensee. However, in the absence of licensee cooperation or agreement, the board is authorized to unilaterally develop and enforce a corrective action plan as authorized under this

section. Once the plan is finalized, it must be filed with the board and a copy provided to the licensee either personally or through certified mail.

(g) Not more than thirty days after the filing and service of the original corrective action plan, the board must schedule one or more follow-up consultations with the licensee. The purpose of these consultations is to review the licensee's performance with respect to the requirements of the corrective action plan and to generally assess the licensee's progress in addressing spirits theft issues. If the licensee is following the corrective action plan but is continuing to experience an unacceptable spirits theft rate, then the board and the licensee may review and revise the plan as deemed necessary by the board. Following the filing of a revised plan, the board may schedule one or more follow-up consultations at its discretion.

(h) During the review process established in (g) of this subsection, if the board finds that the licensee has failed to comply with the requirements of the original or revised corrective action plan the board may:

(i) Demand that the licensee take remedial steps so as to be compliant with the corrective action plan and schedule an additional follow-up consultation at the board's discretion; or

(ii) If the licensee's noncompliance is deemed to be willful, suspend the retailer's spirits retail license for a period to be determined by the board by rule.

(i) If a licensee remains consistently noncompliant with the original corrective action plan and any revised plans for a period of at least nine months, then the board is authorized to suspend or revoke the licensee's spirits retail license.

(4) The board is granted the rule-making authority necessary to implement and enforce the provisions of this section pertaining to the regulation of licensees deemed to have unacceptable spirits theft rates.

(5) If the board suspends or revokes a licensee's spirits retail license under this section, the licensee may appeal and request a hearing under chapter 34.05 RCW, the administrative procedure act. [2014 c 63 s 1.]
