RCW 29A.72.010 Filing proposed measures with secretary of state.

If any legal voter of the state, either individually or on behalf of an organization, desires to petition the legislature to enact a proposed measure, or submit a proposed initiative measure to the people, or order that a referendum of all or part of any act, bill, or law, passed by the legislature be submitted to the people, he or she shall file with the secretary of state:

- (1) A legible copy of the measure proposed, or the act or part of such act on which a referendum is desired;
- (2) A signed affidavit, or electronic submission, that the sponsor is a registered voter; and
- (3) A filing fee prescribed under RCW 43.07.120. [2015 c 72 § 10; 2003 c 111 § 1802; 1982 c 116 § 1; 1965 c 9 § 29.79.010. Prior: 1913 c 138 § 1, part; RRS § 5397, part. Formerly RCW 29.79.010.]

RCW 29A.72.020 Review of proposed initiatives—Certificate required. Upon receipt of a proposed initiative measure, and before giving it a serial number, the secretary of state shall submit a copy thereof to the office of the code reviser and give notice to the sponsor of such transmittal. Upon receipt of the measure, the assistant code reviser to whom it has been assigned may confer with the sponsor and shall within seven working days from its receipt, review the proposal and recommend to the sponsor such revision or alteration of the measure as may be deemed necessary and appropriate. The recommendations of the code reviser's office are advisory only, and the sponsor may accept or reject them in whole or in part. The code reviser shall issue a certificate of review certifying that he or she has reviewed the measure and that any recommendations have been communicated to the sponsor. The certificate must be issued whether or not the sponsor accepts such recommendations. Within fifteen working days after notification of submittal of the proposed measure to the code reviser's office, the sponsor, if he or she desires to proceed with sponsorship, shall file the measure together with the certificate of review with the secretary of state for assignment of a serial number, and the secretary of state shall then submit to the code reviser's office a certified copy of the measure filed. Upon submission of the proposal to the secretary of state for assignment of a serial number, the secretary of state shall refuse to make such assignment unless the proposal is accompanied by a certificate of review. [2003 c 111 § 1803; 1982 c 116 § 2; 1973 c 122 § 2. Formerly RCW 29.79.015.]

Legislative finding—1973 c 122: "The legislature finds that the initiative process reserving to the people the power to propose bills, laws and to enact or reject the same at the polls, independent of the legislature, is finding increased popularity with citizens of our state. The exercise of this power concomitant with the power of the legislature requires coordination to avoid the duplication and confusion of laws. This legislation is enacted especially to facilitate the operation of the initiative process." [1973 c 122 § 1.]

RCW 29A.72.025 Fiscal impact statements. The office of financial management, in consultation with the secretary of state, the attorney general, and any other appropriate state or local agency, shall prepare a fiscal impact statement for each of the following state ballot measures: (1) An initiative to the people that is certified to the ballot; (2) an initiative to the legislature that will appear on the ballot; (3) an alternative measure appearing on the ballot that the legislature proposes to an initiative to the legislature; (4) a referendum bill referred to voters by the legislature; and (5) a referendum measure appearing on the ballot. The

secretary of state shall notify the office of financial management and the attorney general when the sponsor of a ballot measure has made an appointment to submit petitions to the secretary of state for filing. The office of financial management and appropriate state agencies may begin work on a fiscal impact statement prior to the submission of petitions. Fiscal impact statements must be written in clear and concise language, avoid legal and technical terms when possible, and be filed with the secretary of state no later than July 23rd if a public investment impact disclosure is required under RCW 29A.72.027, and no later than July 31st for all other measures. Fiscal impact statements may include easily understood graphics.

A fiscal impact statement must describe any projected increase or decrease in revenues, costs, expenditures, or indebtedness that the state or local governments will experience if the ballot measure were approved by state voters. Where appropriate, a fiscal impact statement may include both estimated dollar amounts and a description placing the estimated dollar amounts into context. A fiscal impact statement must include both a summary of not to exceed one hundred words and a more detailed statement that includes the assumptions that were made to develop the fiscal impacts.

Fiscal impact statements must be available online from the secretary of state's website and included in the state voters' pamphlet. Additional information may be posted on the website of the office of financial management. [2022 c 114 § 5; 2009 c 415 § 7; 2004 c 266 § 4. Prior: 2002 c 139 § 1. Formerly RCW 29.79.075.]

Findings—2022 c 114: See note following RCW 29A.72.027.

Effective date—2004 c 266: See note following RCW 29A.04.575.

RCW 29A.72.027 Public investment impact disclosures. (1) The attorney general must prepare a public investment impact disclosure for any ballot measure that:

(a) Repeals, levies, or modifies any tax or fee, including changing the scope or application of an existing tax or fee; and
(b) Has a fiscal impact statement, as provided by RCW 29A.72.025, that shows that adoption of the measure would cause a net change in state revenue.

(2) The public investment impact disclosure must include a description of the investments that will be affected if the measure is adopted. The description must be sufficiently broad to reflect the subject of the investments that will be impacted by the change in revenue that will result from adoption of the measure, but also sufficiently precise to give notice of the subject matter of the investments that will be impacted by the change in revenue that will result from adoption of the measure. The description may not exceed 10 words, unless the fiscal impact is primarily to the state general fund, in which case the description must list the top three categories of state services funded by the general fund in the current state budget and may not exceed 15 words. The attorney general may consult with the office of financial management or any other state or local agencies as necessary to procure accurate information to draft the description.

(3) The format of the public investment impact disclosure, as it appears on the ballot, is:

"This measure would (increase or decrease) funding for (description of services)."

(4) In drafting the public investment impact disclosure, the attorney general must use neutral language that cannot reasonably be expected to create prejudice for or against the measure. The language of the disclosure is not subject to appeal, except as provided in chapter 114, Laws of 2022.

(5) The attorney general must file the public investment impact disclosure with the secretary of state no later than July 23rd.

(6) The secretary of state must certify the public investment impact disclosure and timely transmit it to each county auditor for its inclusion on the ballot.

(7) Public investment impact disclosures are not considered part of the ballot title under this chapter and are not subject to any of the legal requirements for ballot titles. [2022 c 114 § 2.]

Findings—2022 c 114: "The legislature recognizes that the people have reserved for themselves the power to enact or reject legislation through the initiative and referendum process, as provided in Article II, section 1 of the state Constitution. The legislature finds that when exercising this right, the people are entitled to know the fiscal impact that their vote will have on public investments at the time they cast their ballots. The legislature further finds that when a ballot measure will affect funding for public investments, a neutral, nonprejudicial disclosure of the public investments affected will provide greater transparency and necessary information for voters." [2022 c 114 § 1.]

RCW 29A.72.028 Public investment impact disclosures—Appeal to superior court. Any persons, including either or both houses of the legislature, dissatisfied with the public investment impact disclosure for a state initiative or referendum may, within three days from the filing of the public investment impact disclosure in the office of the secretary of state, appeal to the superior court of Thurston county by petition setting forth the measure, the public investment impact disclosure, and their objections to the public investment impact disclosure and requesting amendment of the public investment impact disclosure by the court. Saturdays, Sundays, and legal holidays are not counted in calculating the time limits contained in this section.

A copy of the petition on appeal together with a notice that an appeal has been taken shall be served upon the secretary of state, upon the attorney general, and upon the person proposing the measure if the appeal is initiated by someone other than that person. Upon the filing of the petition on appeal or at the time to which the hearing may be adjourned by consent of the appellant, the court shall accord first priority to examining the proposed measure, the public investment impact disclosure, and the objections to that public investment impact disclosure, may hear arguments, and shall, within five days, render its decision and file with the secretary of state a certified copy of such public investment impact disclosure as it determines will meet the requirements of RCW 29A.72.027. The decision of the superior court shall be final. Such appeal shall be heard without costs to either party. [2022 c 114 § 6.]

The decision of the superior court granting a writ of mandate is final. [2003 c 111 § 1819; 1965 c 9 § 29.79.160. Prior: 1913 c 138 § 13, part; RRS § 5409, part. Formerly RCW 29.79.160.]

The secretary of state may limit the number of observers to not less than two on each side, if in his or her opinion, a greater number would cause undue delay or disruption of the verification process. Any such limitation shall apply equally to both sides. The secretary of state may use any statistical sampling techniques for this verification and canvass which have been adopted by rule as provided by chapter 34.05 RCW. No petition will be rejected on the basis of any statistical method employed, and no petition will be accepted on the basis of any statistical method employed if such method indicates that the petition contains fewer than the requisite number of signatures of legal voters. If the secretary of state finds the same name signed to more than one petition, he or she shall reject all but the first such valid signature. For an initiative to the legislature, the secretary of state shall transmit a certified copy of the proposed measure to the legislature at the opening of its session and, as soon as the signatures on the petition have been verified and canvassed, the secretary of state shall send to the legislature a certificate of the facts relating to the filing, verification, and canvass of the petition. Such application and all proceedings had thereunder shall take precedence over other cases and shall be speedily heard and determined.

The decision of the superior court granting or refusing to grant the writ of mandate or injunction may be reviewed by the supreme court within five days after the decision of the superior court, and if the supreme court decides that a writ of mandate or injunction, as the

case may be, should issue, it shall issue the writ directed to the secretary of state; otherwise, it shall dismiss the proceedings.
