RCW 29B.25.020 Statement of organization by political committees. (Effective January 1, 2026.) (1) Every political

committee shall file a statement of organization with the commission. The statement must be filed within two weeks after organization or within two weeks after the date the committee first has the expectation of receiving contributions or making expenditures in any election campaign, whichever is earlier. A political committee organized within the last three weeks before an election and having the expectation of receiving contributions or making expenditures during and for that election campaign shall file a statement of organization within three business days after its organization or when it first has the expectation of receiving contributions or making expenditures in the election campaign.

(2) The statement of organization shall include but not be limited to:

(a) The name, address, and electronic contact information of the committee;

(b) The names, addresses, and electronic contact information of all related or affiliated committees or other persons, and the nature of the relationship or affiliation;

(c) The names, addresses, and titles of its officers; or if it has no officers, the names, addresses, and titles of its responsible leaders;

(d) The name, address, and electronic contact information of its treasurer and depository;

(e) A statement whether the committee is a continuing one;

(f) The name, office sought, and party affiliation of each candidate whom the committee is supporting or opposing, and, if the committee is supporting the entire ticket of any party, the name of the party;

(g) The ballot proposition concerned, if any, and whether the committee is in favor of or opposed to such proposition;

(h) What distribution of surplus funds will be made, in accordance with RCW 29B.40.090, in the event of dissolution;

(i) Such other information as the commission may by rule prescribe, in keeping with the policies and purposes of this title;

(j) The name, address, and title of any person who authorizes expenditures or makes decisions on behalf of the candidate or committee; and

(k) The name, address, and title of any person who is paid by or is a volunteer for a candidate or political committee to perform ministerial functions and who performs ministerial functions on behalf of two or more candidates or committees.

(3) No two political committees may have the same name.

(5) As used in this section, the "name" of a sponsored committee must include the name of the person who is the sponsor of the committee. If more than one person meets the definition of sponsor, the name of the committee must include the name of at least one sponsor, but may include the names of other sponsors. A person may sponsor only one political committee for the same elected office or same ballot proposition per election cycle. [2024 c 164 s 419; 2019 c 428 s 14; 2011 c 145 s 3. Finding—Effective date—2019 c 428: See notes following RCW 29B.20.110.

Findings—Intent—2011 c 145: "The legislature finds that timely and full disclosure of election campaign funding and expenditures is essential to a well-functioning democracy in which Washington's voters can judge for themselves what is appropriate based on ideologies, programs, and policies. Long-term voter engagement and confidence depends on the public knowing who is funding the multiple and targeted messages distributed during election campaigns.

The legislature also finds that recent events have revealed the need for refining certain elements of our state's election campaign finance laws that have proven inadequate in preventing efforts to hide information from voters. The legislature intends, therefore, to promote greater transparency for the public by enhancing penalties for violations; regulating the formation of, and contributions between, political committees; and reducing the expenditure thresholds for purposes of mandatory electronic filing and disclosure." Effective date—Construction—1973 c 1: See notes following RCW 29B.05.010.

RCW 29B.25.030 Statement of organization by incidental committees. (Effective January 1, 2026.) (1) (a) An incidental committee must file a statement of organization with the commission within two weeks after the date the committee first:

(i) Has the expectation of making any expenditures aggregating at least twenty-five thousand dollars in a calendar year in any election campaign, or to a political committee; and

(ii) Is required to disclose a payment received under RCW 29B.25.100(2)(d).

(b) If an incidental committee first meets the criteria requiring filing a statement of organization as specified in (a) of this

subsection in the last three weeks before an election, then it must file the statement of organization within three business days.

(2) The statement of organization must include but is not limited to:

(a) The name, address, and electronic contact information of the committee;

(b) The names and addresses of all related or affiliated political or incidental committees or other persons, and the nature of the relationship or affiliation;

(c) The names, addresses, and titles of its officers; or if it has no officers, the names, addresses, and titles of its responsible leaders and the name of the person designated as the treasurer of the incidental committee;

(d) The name, office sought, and party affiliation of each candidate whom the committee is supporting or opposing if the committee contributes directly to a candidate and, if donating to a political committee, the name and address of that political committee;

(e) The ballot proposition concerned, if any, and whether the committee is in favor of or opposed to such proposition; and

(f) Such other information as the commission may by rule prescribe, in keeping with the policies and purposes of this title.

(3) Any material change in information previously submitted in a statement of organization must be reported to the commission within the 10 days following the change. [2024 c 164 s 420; 2019 c 428 s 15; 2018 c 111 s 4. Formerly RCW 42.17A.207.]

Intent—Construction—Rules remain valid—Effective date—2024 c 164: See notes following RCW 29B.10.010.

Finding—Effective date—2019 c 428: See notes following RCW 29B.20.110.

Effective date—2018 c 111: "This act takes effect January 1, 2019." [2018 c 111 s 10.]

Short title—2018 c 111: "This act may be known and cited as the democracy is strengthened by casting light on spending in elections act of 2018 or the Washington state DISCLOSE act of 2018." [2018 c 111 s 1.]

Findings—Intent—2018 c 111: "The legislature finds that the public has the right to know who is contributing to election campaigns in Washington state and that campaign finance disclosure deters corruption, increases public confidence in Washington state elections, and strengthens representative democracy.

The legislature finds that campaign finance disclosure is overwhelmingly supported by the citizens of Washington state as evidenced by the two initiatives that largely established Washington's current campaign finance system. Both passed with over seventy-two percent of the popular vote, as well as winning margins in every county in the state.

The legislature finds that nonprofit organizations are increasingly engaging in campaign activities in Washington state and across the country, including taking a more active role in contributing to candidate and ballot proposition campaigns. In some

cases, these activities are occurring without adequate public disclosure due to loopholes in campaign finance regulations.

The legislature finds that many nonprofit organizations wish to use the provisions of current law to anonymously contribute to campaign activity, frustrating the purposes of public disclosure laws.

Therefore, the legislature intends to increase transparency and accountability, deter corruption, and strengthen confidence in the election process by closing campaign finance disclosure loopholes and requiring the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in Washington state elections." [2018 c 111 s 2.]

Implementation with existing funds—2018 c 111: "The public disclosure commission shall implement the provisions of this act within existing funds." [2018 c 111 s 8.]

(2) A candidate, a political committee, or a treasurer may appoint as many deputy treasurers as is considered necessary and shall file the names and addresses of the deputy treasurers with the commission.

(3) (a) A candidate or political committee may at any time remove a treasurer or deputy treasurer.

(b) In the event of the death, resignation, removal, or change of a treasurer or deputy treasurer, the candidate or political committee shall designate and file with the commission the name and address of any successor.

Such deposits shall be made within five business days of receipt of the contribution. For online or credit card contributions, the contribution is considered received at the time the transfer is made from the merchant account to a candidate or political committee account, except that a contribution made to a candidate who is a state official or legislator outside the restriction period established in RCW 29B.45.020, but transferred to the candidate's account within the restricted period, is considered received outside of the restriction period.

(2) Political committees that support or oppose more than one candidate or ballot proposition, or exist for more than one purpose, may maintain multiple separate bank accounts within the same designated depository for such purpose only if:

(a) Each such account bears the same name;

(b) Each such account is followed by an appropriate designation that accurately identifies its separate purpose; and

(c) Transfers of funds that must be reported under RCW 29B.25.100(6) are not made from more than one such account.

(3) Nothing in this section prohibits a candidate or political committee from investing funds on hand in a depository in bonds, certificates, or tax-exempt securities, or in savings accounts or other similar instruments in financial institutions, or in mutual funds other than the depository but only if:

RCW 29B.25.070 Filing and reporting by continuing political committee. (Effective January 1, 2026.) (2) A continuing political committee shall file with the commission a report on the tenth day of each month detailing expenditures made and contributions received for the preceding calendar month. This report need only be filed if either the total contributions received or total expenditures made since the last such report exceed two hundred dollars. The report shall be on a form supplied by the commission and shall include the following information:

(a) The information required by RCW 29B.25.100;

(b) Each expenditure made to retire previously accumulated debts of the committee identified by recipient, amount, and date of payments;

(c) Other information the commission shall prescribe by rule.

(3) If a continuing political committee makes a contribution in support of or in opposition to a candidate or ballot proposition within 60 days before the date that the candidate or ballot proposition will be voted upon, the committee shall report pursuant to RCW 29B.25.090.

(b) The continuing political committee may dissolve 60 days after it files its notice to dissolve, only if:

(i) The continuing political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this title after filing such notice;

(ii) No complaint or court action, pursuant to this title, is pending against the continuing political committee; and

(iii) All penalties assessed by the commission or court order have been paid by the continuing political committee.

(c) The continuing political committee must continue to report regularly as required under this title until all the conditions under (b) of this subsection are resolved.

(d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this title. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(5) The treasurer shall maintain books of account, current within five business days, that accurately reflect all contributions and expenditures. During the 10 calendar days immediately preceding the date of any election that the committee has received any contributions or made any expenditures, the books of account shall be kept current within one business day and shall be open for public inspection in the same manner as provided for candidates and other political committees in RCW 29B.25.090(6).

(6) All reports filed pursuant to this section shall be certified as correct by the treasurer.

(7) The treasurer shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred. total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(b) Each incidental committee shall file with the commission a report on the 10th day of each month during which the incidental committee is not otherwise required to report under this section only if the committee has:

(i) Received a payment that would change the information required under RCW 29B.25.100(2)(d) as included in its last report; or

(ii) Made any election campaign expenditure reportable under RCW 29B.25.100(7) since its last report, and the total election campaign expenditures made since the last report exceed two hundred dollars.

(4) The report filed 21 days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the 10th day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer for a candidate or a political committee shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for the treasurer's records. In the event of deposits made by candidates, political committee members, or paid staff other than the treasurer, the copy shall be immediately provided to the treasurer for the treasurer's records. Each report shall be certified as correct by the treasurer.

(6) (a) The treasurer for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the 10 calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under RCW 29B.25.020, the books of account must be open for public inspection by appointment at a place agreed upon by both the treasurer and the requestor, for inspections between 9:00 a.m. and 5:00 p.m. on any day from the 10th calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this title for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within 48 hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection. If the treasurer and requestor are unable to agree on a location and the treasurer has not provided

digital access to the books of account, the default location for an appointment shall be a place of public accommodation selected by the treasurer within a reasonable distance from the treasurer's office.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

(7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (6) of this section.

(8) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred or for any longer period as otherwise required by law.

(9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(10) Where there is not a pending complaint concerning a report, it is not evidence of a violation of this section to submit an amended report within 21 days of filing an initial report if:

(a) The report is accurately amended;

(b) The amended report is filed more than 30 days before an election;

(c) The total aggregate dollar amount of the adjustment for the amended report is within three times the contribution limit per election or two hundred dollars, whichever is greater; and

(d) The committee reported all information that was available to it at the time of filing, or made a good faith effort to do so, or if a refund of a contribution or expenditure is being reported.

(11)(a) When there is no outstanding debt or obligation, the campaign fund is closed, the campaign is concluded in all respects, and the political committee has ceased to function and intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the political committee so intending to dissolve must file notice of intent to dissolve with the commission and the commission must post the notice on its website.

(b) Any political committee may dissolve 60 days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this title after filing such notice;

(ii) No complaint or court action under this title is pending against the political committee; and

(iii) All penalties assessed by the commission or court order have been paid by the political committee.

(c) The political committee must continue to report regularly as required under this title until all the conditions under (b) of this subsection are resolved.

(d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this title. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(12) The commission must adopt rules for the dissolution of incidental committees. [2024 c 164 s 426; 2019 c 428 s 20. Finding—Intent—2018 c 304: "The legislature finds that state campaign finance laws are intended to provide maximum transparency to the public and voters so they may know who is funding political campaigns and how those campaigns spend their money. Additionally, our campaign finance laws should not be so complex and complicated that volunteers and newcomers to the political process cannot understand the rules or have difficulty following them. The legislature believes that our campaign finance laws should not be a barrier to participating in the political process, but instead encourage people to participate in the process by ensuring a level playing field and a predictable enforcement mechanism. The legislature intends to simplify the political reporting and enforcement process without sacrificing transparency and the public's right to know who funds political campaigns. The legislature also intends to expedite the public disclosure commission's enforcement procedures so that remedial campaign finance violations can be dealt with administratively."

The intent of the law is not to trap or embarrass people when they make honest remediable errors. A majority of smaller campaigns are volunteer-driven and most treasurers are not professional accountants. The public disclosure commission should be guided to review and address major violations, intentional violations, and violations that could change the outcome of an election or materially affect the public interest." Each report required under RCW 29B.25.090 (1) through (4) must be certified as correct by the treasurer and the candidate and shall disclose the following, except an incidental committee only must disclose and certify as correct the information required under subsections (2)(d) and (7) of this section:

(1) The funds on hand at the beginning of the period;

(2) The name and address of each person who has made one or more contributions during the period, together with the money value and date of each contribution and the aggregate value of all contributions received from each person during the campaign, or in the case of a continuing political committee, the current calendar year, with the following exceptions:

(a) Pledges in the aggregate of less than one hundred dollars from any one person need not be reported;

(b) Income that results from a fund-raising activity conducted in accordance with RCW 29B.25.080 may be reported as one lump sum, with the exception of that portion received from persons whose names and addresses are required to be included in the report required by RCW 29B.25.080;

(c) Contributions of no more than twenty-five dollars in the aggregate from any one person during the election campaign may be reported as one lump sum if the treasurer maintains a separate and private list of the name, address, and amount of each such contributor;

(d) Payments received by an incidental committee from any one person need not be reported unless the person is one of the committee's 10 largest sources of payments received, including any persons tied as the 10th largest source of payments received, during the current calendar year, and the value of the cumulative payments received from that person during the current calendar year is ten thousand dollars or greater. For payments to incidental committees from multiple persons received in aggregated form, any payment of more than ten thousand dollars from any single person must be reported, but the aggregated payment itself may not be reported. The commission may suspend or modify reporting requirements for payments received by an incidental committee in cases of manifestly unreasonable hardship under this title;

(e) Payments from private foundations organized under section 501(c)(3) of the internal revenue code to an incidental committee do not have to be reported if:

(i) The private foundation is contracting with the incidental committee for a specific purpose other than election campaign purposes;

(ii) Use of the funds for election campaign purposes is explicitly prohibited by contract; and

(4) All other contributions not otherwise listed or exempted;

(5) A statement that the candidate or political committee has received a certification from any partnership, association, corporation, organization, or other combination of persons making a contribution to the candidate or political committee that:

(a) The contribution is not financed in any part by a foreign national; and

(6) The name and address of each candidate or political committee to which any transfer of funds was made, including the amounts and dates of the transfers;

(7) The name and address of each person to whom an expenditure was made in the aggregate amount of more than fifty dollars during the period covered by this report, the amount, date, and purpose of each expenditure, and the total sum of all expenditures. An incidental committee only must report on expenditures, made and reportable as contributions as defined in RCW 29B.10.160, to election campaigns. For purposes of this subsection, commentary or analysis on a ballot proposition by an incidental committee is not considered an expenditure if it does not advocate specifically to vote for or against the ballot proposition;

(8) The name, address, and electronic contact information of each person to whom an expenditure was made for soliciting or procuring signatures on an initiative or referendum petition, the amount of the compensation to each person, and the total expenditures made for this purpose. RCW 29B.25.120 Special reports—Independent expenditures.

(Effective January 1, 2026.) (1) For the purposes of this section the term "independent expenditure" means any expenditure that is made in support of or in opposition to any candidate or ballot proposition and is not otherwise required to be reported pursuant to RCW 29B.25.070, 29B.25.090, and 29B.25.100. "Independent expenditure" does not include: An internal political communication primarily limited to the contributors to a political party organization or political action committee, or the officers, management staff, and stockholders of a corporation or similar enterprise, or the members of a labor organization or other membership organization; or the rendering of personal services of the sort commonly performed by volunteer campaign workers, or incidental expenses personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid for by the worker. "Volunteer services," for the purposes of this section, means services or labor for which the individual is not compensated by any person.

(2) Within five days after the date of making an independent expenditure that by itself or when added to all other such independent expenditures made during the same election campaign by the same person equals one hundred dollars or more, or within five days after the date of making an independent expenditure for which no reasonable estimate of monetary value is practicable, whichever occurs first, the person who made the independent expenditure shall file with the commission an initial report of all independent expenditures made during the campaign prior to and including such date.

(3) At the following intervals each person who is required to file an initial report pursuant to subsection (2) of this section shall file with the commission a further report of the independent expenditures made since the date of the last report:

(b) On the 10th day of the first month after the election; and

(c) On the 10th day of each month in which no other reports are required to be filed pursuant to this section. However, the further reports required by this subsection (3) shall only be filed if the reporting person has made an independent expenditure since the date of the last previous report filed.

The report filed pursuant to (a) of this subsection (3) shall be the final report, and upon submitting such final report the duties of the reporting person shall cease, and there shall be no obligation to make any further reports.

(4) All reports filed pursuant to this section shall be certified as correct by the reporting person.

(5) Each report required by subsections (2) and (3) of this section shall disclose for the period beginning at the end of the period for the last previous report filed or, in the case of an initial report, beginning at the time of the first independent expenditure, and ending not more than one business day before the date the report is due:

(a) The name, address, and electronic contact information of the person filing the report;

(b) The name and address of each person to whom an independent expenditure was made in the aggregate amount of more than fifty dollars, and the amount, date, and purpose of each such expenditure. If no reasonable estimate of the monetary value of a particular independent expenditure is practicable, it is sufficient to report instead a precise description of services, property, or rights furnished through the expenditure and where appropriate to attach a copy of the item produced or distributed by the expenditure;

(c) The total sum of all independent expenditures made during the campaign to date;

(d) A statement from the person making an independent expenditure that:

(i) The expenditure is not financed in any part by a foreign national; and

(ii) Foreign nationals are not involved in making decisions regarding the expenditure in any way; and

(e) Such other information as shall be required by the commission by rule in conformance with the policies and purposes of this title.
