[1969 ex.s. c 95 § 11.]

RCW 35.33.091 Emergency expenditures—Other emergencies—Hearing.

If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the annual budget, and if it is not one of the emergencies specifically enumerated in RCW 35.33.081, the city or town legislative body before allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists.

Such ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city or town.

Any taxpayer may appear at the meeting at which the emergency ordinance is to be voted on and be heard for or against the adoption thereof. [1969 ex.s. c 95 § 12.]

RCW 35.33.101 Emergency warrants. All expenditures for emergency purposes as provided in this chapter shall be paid by warrants from any available money in the fund properly chargeable with such expenditures. If, at any time, there is insufficient money on hand in a fund with which to pay such warrants as presented, the warrants shall be registered, bear interest and be called in the same manner as other registered warrants as prescribed in RCW 35.33.111. [1969 ex.s. c 95 § 13.]

Warrants—Interest rate—Payment: RCW 35.21.320.

RCW 35.33.106 Registered warrants—Payment. In adopting the final budget for any fiscal year, the legislative body shall appropriate from estimated revenue sources available, a sufficient amount to pay the principal and interest on all outstanding registered warrants issued since the adoption of the last preceding budget except those issued and identified as revenue warrants and except those for which an appropriation previously has been made: PROVIDED, That no portion of the revenues which are restricted in use by law may be appropriated for the redemption of warrants issued against a utility or other special purpose fund of a self-supporting nature: PROVIDED FURTHER, That all or any portion of the city's or town's outstanding registered warrants may be funded into bonds in any manner authorized by law. [1969 ex.s. c 95 § 14.]

RCW 35.33.107 Adjustment of wages, hours, and conditions of employment. Notwithstanding the appropriations for any salary, or salary range of any employee or employees adopted in a final budget, the legislative body of any city or town may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes. [1969 ex.s. c 95 § 15.]

RCW 35.33.111 Forms—Accounting—Supervision by state. The state auditor is empowered to make and install the forms and classifications required by this chapter to define what expenditures are chargeable to each budget class and to establish the accounting and cost systems necessary to secure accurate budget information. [1995 c 301 § 42; 1969 ex.s. c 95 § 16.]

RCW 35.33.121 Funds—Limitations on expenditures—Transfers. The expenditures as classified and itemized in the final budget shall constitute the city's or town's appropriations for the ensuing fiscal year. Unless otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the city or town, the expenditure of city or town funds or the incurring of current liabilities on behalf of the city or town shall be limited to the following:

(1) The total amount appropriated for each fund in the budget for the current fiscal year, without regard to the individual items contained therein, except that this limitation shall not apply to wage adjustments authorized by RCW 35.33.107; and

(2) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal years pursuant to RCW 35.33.151; and

(3) Funds received from the sale of bonds or warrants which have been duly authorized according to law; and

(4) Funds received in excess of estimated revenues during the current fiscal year, when authorized by an ordinance amending the original budget; and

(5) Expenditures required for emergencies, as authorized in RCW 35.33.081 and 35.33.091.

Transfers between individual appropriations within any one fund may be made during the current fiscal year by order of the city's or town's chief administrative officer subject to such regulations, if any, as may be imposed by the city or town legislative body. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as herein authorized, may be made within the same fund regardless of the various offices, departments or divisions of the city or town which may be affected.

The city or town legislative body, upon a finding that it is to the best interests of the city or town to decrease, revoke or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1969 ex.s. c 95 § 17.]

RCW 35.33.123 Administration, oversight, or supervision of utility—Reimbursement from utility budget authorized. Whenever any city or town apportions a percentage of the city manager's, administrator's, or supervisor's time, or the time of other management or general government staff, for administration, oversight, or supervision of a utility operated by the city or town, or to provide services to the utility, the utility budget may identify such services and budget for reimbursement of the city's or town's current expense fund for the value of such services. [1991 c 152 § 1.]

RCW 35.33.125 Liabilities incurred in excess of budget. Liabilities incurred by any officer or employee of the city or town in excess of any budget appropriations shall not be a liability of the city or town. The clerk shall issue no warrant and the city or town legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter. [1969 ex.s. c 95 § 18.]

RCW 35.33.131 Funds received from sale of bonds and warrants—Expenditure program—Federal tax law. Moneys received from the sale

of bonds or warrants must be used for no other purpose than that for which they were issued. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued it must be used for the payment of principal of or interest on such indebtedness consistent with applicable provisions of federal tax law. Where a budget contains an expenditure program to be partially or wholly financed from a bond issue to be authorized thereafter, expenditures of amounts anticipated to be reimbursed from the proceeds of the issuance and sale of such bonds must be made or incurred consistent with any applicable federal tax law requirements. [2011 c 210 § 2; 1969 ex.s. c 95 § 19.]

Application to previously issued bonds—2011 c 210: See note following RCW 39.46.040.

RCW 35.33.135 Revenue estimates—Amount to be raised by ad valorem taxes. At a time fixed by the city's or town's ordinance or city charter, not later than the first Monday in October of each year, the chief administrative officer shall provide the city's or town's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current year, together with estimates submitted by the clerk under RCW 35.33.051. The city's or town's legislative body and the city's or town's administrative officer or his or her designated representative shall consider the city's or town's total anticipated financial requirements for the ensuing fiscal year, and the legislative body shall determine and fix by ordinance the amount to be raised by ad valorem taxes. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the board of county commissioners as required by RCW 84.52.020. [2009 c 549 § 2069; 1969 ex.s. c 95 § 20.]

RCW 35.33.141 Report of expenditures and liabilities against budget appropriations. At such intervals as may be required by city charter or city or town ordinance, however, being not less than quarterly, the clerk shall submit to the city's or town's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal year to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1969 ex.s. c 95 § 21.]

RCW 35.33.145 Contingency fund—Creation—Purpose—Support—Lapse. Every city or town may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35.33.081 and 35.33.091. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in

use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35.33.121: PROVIDED, That the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city or town at such time. Any moneys in the contingency fund at the end of the fiscal year shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget. [1973 1st ex.s. c 195 § 21; 1969 ex.s. c 95 § 22.]

Severability—Effective dates—Construction—1973 1st ex.s. c 195:
See notes following RCW 84.52.043.

RCW 35.33.147 Contingency fund—Withdrawals. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city or town, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1969 ex.s. c 95 § 23.]

RCW 35.33.151 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal year: PROVIDED, That this shall not prevent payments in the following year upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment and supplies or for personal or contractual services not completed or furnished by the end of the fiscal year, all of which have been properly budgeted and contracted for prior to the close of such fiscal year but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35.33.145, shall not lapse, but shall be carried forward from year to year until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal year shall be kept open for twenty days after the close of such fiscal year for the purpose of paying and recording claims for indebtedness incurred during such fiscal year; any claim presented after the twentieth day following the close of the fiscal year shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal year. [1969 ex.s. c 95 § 24.]

RCW 35.33.170 Violations and penalties. Upon the conviction of any city or town official, department head or other city or town employee of knowingly failing, or refusing, without just cause, to

perform any duty imposed upon such officer or employee by this chapter, or city charter or city or town ordinance, in connection with the giving of notice, the preparing and filing of estimates of revenues or expenditures or other information required for preparing a budget report in the time and manner required, or of knowingly making expenditures in excess of budget appropriations, he or she shall be guilty of a misdemeanor and shall be fined not more than five hundred dollars for each separate violation. [2009 c 549 § 2070; 1969 ex.s. c 95 § 25.]
