RCW 36.100.010 Public facilities districts—Creation—Approval of taxes by election—Corporate powers—Property transfer—Agreements.

(1) One or more public facilities districts may be created in any county and must be coextensive with the boundaries of the county.

(2) A public facilities district is created upon adoption of a resolution providing for the creation of such a district by the county legislative authority in which the proposed district is located.

(3) A public facilities district is a municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

(4) Except as provided in RCW 36.100.040 (4) and (5), no taxes authorized under this chapter may be assessed or levied unless a majority of the voters of the public facilities district has approved such tax at a general or special election. A single ballot proposition may both validate the imposition of the sales and use tax under RCW 82.14.048 and the excise tax under RCW 36.100.040(1).

(5) (a) A public facilities district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, including contracts with public and private parties, to acquire, own, sell, transfer, lease, and otherwise acquire or dispose of property, to grant concessions under terms approved by the public facilities district, and to sue and be sued.

(b) A public facilities district created by a county with a population of one million five hundred thousand or more to acquire, own, and operate a convention and trade center transferred from a public nonprofit corporation may continue to contract with the Seattle-King county convention and visitors' bureau or its successor in interest for marketing the convention and trade center facility and services.

(6) A public facilities district may enter into contracts with a county for the purpose of exercising any powers of a community renewal agency under chapter 35.81 RCW.

(7) The legislative authority of a city or county, the board of directors of a public nonprofit corporation, or the state of Washington may transfer property to a public facilities district created under this chapter, with or without consideration. No property that is encumbered with debt or that is in need of major capital renovation may be transferred to the district without the agreement of the district and revenues adequate to retire the existing indebtedness.

(8) A public facilities district may enter into agreements with the state, any municipal corporation, or any other governmental entity for the design, financing, acquisition, development, construction, reconstruction, lease, remodeling, alteration, maintenance, equipping, reequipping, repair, operation, or management of one or more facilities of the parties thereto. Agreements may provide that any party to the contract designs, finances, acquires, develops, constructs, reconstructs, remodels, alters, maintains, equips, reequips, repairs, and operates one or more facilities for the other party or parties to the contract. A public facilities district may enter into an agreement with the state, any municipal corporation, or other public or private entity that will assist a public facilities

district in the financing of all or any part of a district facility on such terms as may be determined by agreement between the respective parties, including without limitation by a loan, guaranty, or other financing agreement. [2010 1st sp.s. c 15 § 2; 2002 c 218 § 26; 1995 3rd sp.s. c 1 § 301; 1995 1st sp.s. c 14 § 1; 1995 c 396 § 1; 1989 1st ex.s. c 8 § 1; 1988 ex.s. c 1 § 11.]

Findings—Intent—2010 1st sp.s. c 15: "(1) The legislature finds that conventions and trade shows provide both direct and indirect civic and economic benefits. It is the intent of the legislature to provide for the transfer of the governance and financing of the state convention and trade center to a public facilities district formed by a county with a population of one million five hundred thousand or more to acquire, own, and operate the convention and trade center. The legislature also intends to replace, in connection with such transfer, the authority under chapter 67.40 RCW of the state and city to impose excise taxes on the sale of or charge made for the furnishing of lodging to fund the state convention and trade center with authority for the public facilities district to impose lodging taxes at these rates, without affecting the existing authority of the state, county, cities, and other municipal corporations to impose taxes on the sale or charge made for the furnishing of lodging under existing caps on the aggregate rate that may be charged.

(2) The legislature further finds that the location of the convention and trade center particularly benefits and increases the occupancy of larger hotels and other lodging facilities in the city in which it is located and to a lesser extent in the remainder of the county in which it is located. The legislature finds that imposing excise taxes on the sale of or charge made for the furnishing of lodging at the rates authorized in section 5 of this act is an appropriate method of paying for the cost of acquiring, constructing, owning, remodeling, maintaining, equipping, reequipping, repairing, altering, and operating a convention and trade center." [2010 1st sp.s. c 15 § 1.]

and its existing public institutions, and shall take effect July 1, 1995.

(2) Sections 10 and 12 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [June 14, 1995]." [1995 1st sp.s. c 14 § 13.]

Severability—1995 c 396: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1995 c 396 § 19.]

RCW 36.100.020 Governance—Board of directors. (1) (a) A public facilities district must be governed by a board of directors consisting of five, seven, or nine members as provided in this section.

(b) If the largest city in the county has a population that is at least forty percent of the total county population, the board of directors of the public facilities district must consist of five members selected as follows:

(i) Two members appointed by the county legislative authority to serve for four-year staggered terms;

(ii) Two members appointed by the city council of the largest city in the county to serve for four-year staggered terms; and

(iii) One person to serve for a four-year term who is selected by the other directors.

(c) (i) Except as provided in (c) (ii) of this subsection (1), if the largest city in the county has a population of less than forty percent of the total county population, the county legislative authority must establish in the resolution creating the public facilities district whether the board of directors of the public facilities district has either five or seven members, and the county legislative authority must appoint the members of the board of directors to reflect the interests of cities and towns in the county, as well as the unincorporated area of the county.

(ii) However, if the county has a population of one million five hundred thousand or more, the largest city in the county has a population of less than forty percent of the total county population, and the county operates under a county charter, which provides for an elected county executive, the members of the board of directors must be appointed as follows:

(A) If the public facilities district is created to construct a baseball stadium as defined in RCW 82.14.0485, three members must be appointed by the governor and the remaining members must be appointed by the county executive subject to confirmation by the county legislative authority. Of the members appointed by the governor, the speaker of the house of representatives and the majority leader of the senate must each recommend to the governor a person to be appointed to the board; and

(B) If the public facilities district is created to acquire, own, and operate a convention and trade center, following the expiration of the terms of the initial board of directors, three members must be appointed by the governor, three members must be nominated by the county executive subject to confirmation by the county legislative

authority, and three members must be nominated by the mayor of the city in which the convention and trade center is located subject to confirmation by the city legislative authority. Members of the board of directors may not be members of the legislative authority of the county or any city within the county.

(d) The initial board of directors of a public facilities district created in a county of one million five hundred thousand or more to acquire, own, and operate a convention and trade center must be comprised of the nine members of the board of the public nonprofit corporation that transfers the convention and trade center to the public facilities district under RCW 36.100.230. The governor must designate which of the initial board members must serve two-year terms and which must serve four-year terms and identify the board positions to which successors to initial directors are to be appointed by the county and the city.

(2) At least one member on the board of directors must be representative of the lodging industry in the public facilities district before the public facilities district imposes the excise tax under RCW 36.100.040(1). Of the members of the board of directors of a public facilities district created in a county of one million five hundred thousand or more to acquire, own, and operate a convention and trade center, one of the governor's appointments and one of the county's appointments must be representative of the lodging industry in the public facilities district and one of the city's appointments must be representative of organized labor, except that these requirements do not apply to the initial board of such district.

(3) Members of the board of directors must serve four-year terms of office, except that two of the initial five board members, three of the initial seven board members, and four of the initial nine board members must serve two-year terms of office.

(4) A vacancy must be filled in the same manner as the original appointment was made and the person appointed to fill a vacancy must serve for the remainder of the unexpired term of the office for the position to which he or she was appointed.

(5) Any director may be removed from office by the person or entity that appointed or confirmed such director for any reason or for no reason as follows: A director appointed by the governor may be removed from office by the governor; and any director confirmed by a city or county legislative authority may be removed from office by action of at least two-thirds of the members of the legislative authority that confirmed the director. RCW 36.100.025 Independent financial feasibility review—When required—Public document. (1) An independent financial feasibility review under this section is required to be performed prior to any of the following events:

(a) The formation of a public facilities district under this chapter;

(b) The issuance of any indebtedness, excluding the issuance of obligations to refund or replace such indebtedness, by a public facilities district under this chapter; or

(c) The long-term lease, purchase, or development of a facility under this chapter.

(2) The independent financial feasibility review required by this section must be conducted by the department of commerce through the municipal research and services center under RCW 43.110.030 or under a contract with another entity under the authority of RCW 43.110.080. The review must examine the potential costs to be incurred by the public facility [facilities] district and the adequacy of revenues or expected revenues to meet those costs. (3) The independent financial feasibility review, upon completion, must be a public document and must be submitted to the governor, the state treasurer, the state auditor, the public facility [facilities] district and participating local political subdivisions, and appropriate committees of the legislature. [2012 c 4 § 2.]

RCW 36.100.027 Statutorily authorized taxing authority. After June 7, 2012, the statutorily authorized taxing authority of a public facility [facilities] district may not be restricted in any manner by the forming jurisdiction or jurisdictions or by any action of the public facility [facilities] district. A public facilities district may enter into agreements under chapter 39.34 RCW that will assist a public facilities district in the financing of all

or any part of a district facility on such terms as may be determined by agreement between the respective parties, including without limitation by a loan, guaranty, or other financing agreement.

(3) Notwithstanding the establishment of a career, civil, or merit service system, a public facilities district may contract with a public or private entity for the operation or management of its public facilities.

(4) A public facilities district is authorized to use the supplemental alternative public works contracting procedures set forth in chapter 39.10 RCW in connection with the design, construction, reconstruction, remodel, or alteration of any of its public facilities.

RCW 36.100.040 Lodging tax authorized—Annual payment amount—Payment of obligations—Application of other tax provisions. (1) A public facilities district may impose an excise tax on the sale of or charge made for the furnishing of lodging that is subject to tax under chapter 82.08 RCW, except that no such tax may be levied on any premises having fewer than forty lodging units. Except for any tax imposed under subsection (4) or (5) of this section, if a public facilities district has not imposed such an excise tax prior to December 31, 1995, the public facilities district may only impose the excise tax if a ballot proposition authorizing the imposition of the tax has been approved by a simple majority vote of voters of the public facilities district voting on the proposition.

(2) The rate of the tax may not exceed two percent and the proceeds of the tax may only be used for the acquisition, design,

construction, remodeling, maintenance, equipping, reequipping, repairing, and operation of its public facilities. This excise tax may not be imposed until the district has approved the proposal to acquire, design, and construct the public facilities.

(3) Except for a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, and operating a convention and trade center, a public facilities district may not impose the tax authorized in this section if, after the tax authorized in this section was imposed, the effective combined rate of state and local excise taxes, including sales and use taxes and excise taxes on lodging, imposed on the sale of or charge made for furnishing of lodging in any jurisdiction in the public facilities district exceeds eleven and one-half percent.

(4) (a) To replace the tax authorized by *RCW 67.40.090, a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, operating, renovating, and expanding a convention and trade center may impose an excise tax on the sale of or charge made for the furnishing of lodging (including but not limited to any short-term rental) that is subject to tax under chapter 82.08 RCW, except that no such tax may be levied on:

(i) Any premises:

(A) Having fewer than sixty lodging units if the premises is located in a town with a population less than three hundred; or

(B) Classified as a hostel;

(ii) Any lodging that is concurrently subject to a tax on engaging in the business of being a short-term rental operator imposed by a city in which a convention and trade center is located; or

(iii) Any lodging that is operated by a university health care system exclusively for family members of patients.

(b) The rate of the tax may not exceed seven percent within the portion of the district that corresponds to the boundaries of the largest city within the public facilities district and may not exceed 2.8 percent in the remainder of the district. The tax imposed under this subsection (4) may not be collected prior to the transfer date defined in RCW 36.100.230.

(5) To replace the tax authorized by *RCW 67.40.130, a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, operating, renovating, and expanding a convention and trade center may impose an additional excise tax on the sale of or charge made for the furnishing of lodging (including but not limited to any short-term rental) that is subject to tax under chapter 82.08 RCW, except that no such tax may be levied on any premises: (a) Having fewer than sixty lodging units if the premises is located in a town with a population less than three hundred; or (b) classified as a hostel. The rate of the additional excise tax may not exceed two percent and may be imposed only within the portion of the district that corresponds to the boundaries of the largest city within the public facilities district and may not be imposed in the remainder of the district. The tax imposed under this subsection (5) may not be collected prior to the transfer date specified in RCW 36.100.230. The tax imposed under this subsection (5) must be credited against the amount of the tax otherwise due to the state from those same taxpayers under chapter 82.08 RCW. The tax under this subsection (5) may be imposed only for the purpose of paying or securing the payment of the

principal of and interest on obligations issued or incurred by the public facilities district and paying annual payment amounts to the state under subsection (6)(a) of this section. The authority to impose the additional excise tax under this subsection (5) expires on the date that is the earlier of (i) July 1, 2029, or (ii) the date on which all obligations issued or incurred by the public facilities district to implement any redemption, prepayment, or legal defeasance of outstanding obligations under RCW 36.100.230(3)(a) are no longer outstanding.

(6)(a) Commencing with the first full fiscal year of the state after the transfer date defined in RCW 36.100.230 and for so long as a public facilities district imposes a tax under subsection (5) of this section, the public facilities district must transfer to the state of Washington on June 30th of each state fiscal year an annual payment amount.

(b) For the purposes of this subsection (6), "annual payment amount" means an amount equal to revenues received by the public facilities district in the fiscal year from the additional excise tax imposed under subsection (5) of this section plus an interest charge calculated on one-half the annual payment amount times an interest rate equal to the average annual rate of return for the prior calendar year in the Washington state local government investment pool created in chapter 43.250 RCW.

(c)(i) If the public facilities district in any fiscal year is required to apply additional lodging excise tax revenues to the payment of principal and interest on obligations it issues or incurs, and the public facilities district is unable to pay all or any portion of the annual payment amount to the state, the deficiency is deemed to be a loan from the state to the public facilities district for the purpose of assisting the district in paying such principal and interest and must be repaid by the public facilities district to the state after providing for the payment of the principal of and interest on obligations issued or incurred by the public facilities district, all on terms established by an agreement between the state treasurer and the public facilities district executed prior to the transfer date. Any agreement between the state treasurer and the public facilities district must specify the term for the repayment of the deficiency in the annual payment amount with an interest rate equal to the twenty bond general obligation bond buyer index plus one percentage point.

(ii) Outstanding obligations to repay any loans deemed to have been made to the public facilities district as provided in any such agreements between the state treasurer and the public facilities district survive the expiration of the additional excise tax under subsection (5) of this section.

(iii) For the purposes of this subsection (6)(c), "additional lodging excise tax revenues" mean the tax revenues received by the public facilities district under subsection (5) of this section.

(7) A public facilities district is authorized to pledge any of its revenues, including without limitation revenues from the taxes authorized in this section, to pay or secure the payment of obligations issued or incurred by the public facilities district, subject to the terms established by the board of directors of the public facilities district. So long as a pledge of the taxes authorized under this section is in effect, the legislature may not withdraw or modify the authority to levy and collect the taxes at the rates permitted under this section and may not increase the annual

payment amount to be transferred to the state under subsection (6) of this section.

(8) The department of revenue must perform the collection of such taxes on behalf of the public facilities district at no cost to the district, and the state treasurer must distribute those taxes as available on a monthly basis to the district or, upon the direction of the district, to a fiscal agent, paying agent, or trustee for obligations issued or incurred by the district.

(9) Except as expressly provided in this chapter, all of the provisions contained in RCW 82.08.050 and 82.08.060 and chapter 82.32 RCW have full force and application with respect to taxes imposed under the provisions of this section.

(10) In determining the effective combined rate of tax for purposes of the limit in subsection (3) of this section, the tax rate under RCW 82.14.530 is not included.

(11) The taxes imposed in this section do not apply to sales of temporary medical housing exempt under RCW 82.08.997.

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) (i) "Hostel" means a structure or facility where a majority of the rooms for sleeping accommodations are hostel dormitories containing a minimum of four standard beds designed for single-person occupancy within the facility. Hostel accommodations are supervised and must include at least one common area and at least one common kitchen for guest use.

(ii) For the purpose of this subsection (12) (a), "hostel dormitory" means a single room, containing four or more standard beds designed for single-person occupancy, used exclusively as nonprivate communal sleeping quarters, generally for unrelated persons, where such persons independently acquire the right to occupy individual beds, with the operator supervising and determining which bed each person will occupy.

(b) "Short-term rental" means a lodging use, that is not a hotel or motel, in which a dwelling unit, or portion thereof, that is offered or provided to a guest or guests by a short-term rental operator for a fee for fewer than thirty consecutive nights. The term "short-term rental" does not include:

(i) A dwelling unit, or portion thereof, that is used by the same person for thirty or more consecutive nights; and

(ii) A dwelling unit, or portion thereof, that is operated by an organization or government entity that is registered as a charitable organization with the secretary of state, state of Washington, and/or is classified by the federal internal revenue service as a public charity or a private foundation, and provides temporary housing to individuals who are being treated for trauma, injury, or disease and/or their family members.

(13) Taxes authorized under subsections (4) and (5) of this section are deemed to have been imposed on December 1, 2000, for the purposes of RCW 82.14.410.

(14) (a) Beginning on the date that the condition in (b) of this subsection is satisfied, a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, operating, renovating, and expanding a convention and trade center must make quarterly payments from tax revenue collected by a public facilities district as a result of the tax imposed in chapter 245, Laws of 2018 to a city in which the convention and trade center is located that has authorized on or

before December 31, 2017, a tax on engaging in the business of being a short-term rental operator. Such payments must be made no more than thirty days after the last day of each fiscal quarter and must equal the portion of the revenues received by the public facilities district during such fiscal quarter from the lodging taxes authorized under subsection (4) of this section that are determined by the department of revenue to be derived from the short-term rental activity within such city.

(b) The public facilities district is not required to make any payments under this subsection (14) unless the city has repealed any ordinance authorizing a tax on engaging in the business of being a short-term rental operator.

(c) The public facilities district is not required to make any payments to a city under this subsection (14), if the city, after satisfying the condition in (b) of this subsection imposes any tax specifically on the act of engaging in the business of being a short-term rental operator.

(d) The proceeds of any payments made by a public facilities district to a city under this subsection (14) must be used by the city to support community-initiated equitable development and affordable housing programs, as determined by the city in its sole discretion.

(15) Fifty percent of any tax revenue collected by a public facilities district as a result of the tax imposed in chapter 245, Laws of 2018 must be distributed by the public facilities district to the county in which the convention and trade center is located. However, if a city has satisfied the condition in subsection (14) (b) of this section, payments made under this subsection to the county in which the convention and trade center is located must be calculated after deducting any payments made to a city under subsection (14) of this section from the total tax revenue received by the public facilities district as a result of the enactment of chapter 245, Laws of 2018. The proceeds of such payments to a county under this subsection (15) must be used by the county to support affordable housing programs, as determined by the county, in its sole discretion. Effective date—2018 c 245: "This act takes effect October 1, 2018." [2018 c 245 § 3.]

Findings—Intent—2018 c 245: "(1) The legislature finds that it is in the public interest that taxation of lodging not distort the market for different types of lodging and that all types of lodging participate in the funding of the public benefits supported with lodging tax revenue.

(2) The legislature further finds that, with respect to the lodging taxes levied under RCW 36.100.040 (4) and (5), the current significant disparity in the taxation of sales of lodging on premises having fewer than sixty lodging units compared to premises having sixty or more units is contrary to the public interest in both equitable taxation and adequately supporting the public benefits funded by lodging tax revenue.

(3) It is the intent of this act to equalize the taxation levied under RCW 36.100.040 (4) and (5) by applying it to all lodging, regardless of the number of lodging units in premises subject to such taxation." [2018 c 245 § 1.]

The board may obligate the district to set aside and pay into the special fund or funds a fixed proportion or a fixed amount of the revenues from the public improvements, projects, or facilities, and all related additions, that are funded by the revenue bonds. This amount or proportion shall be a lien and charge against these revenues, subject only to operating and maintenance expenses. The board shall have due regard for the cost of operation and maintenance of the public improvements, projects, or facilities, or additions, that are funded by the revenue bonds, and shall not set aside into the special fund or funds a greater amount or proportion of the revenues that in its judgment will be available over and above the cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. The board may also provide that revenue bonds payable out of the same source or sources of revenue may later be issued on a parity with any revenue bonds being issued and sold.

(2) Revenue bonds issued pursuant to this section shall not be an indebtedness of the district issuing the bonds, and the interest and principal on the bonds shall only be payable from the revenues lawfully pledged to meet the principal and interest requirements and any reserves created pursuant to RCW 39.44.140. The substance of the limitations included in this subsection shall be plainly printed, written, or engraved on each bond issued pursuant to this section.

(3) Revenue bonds with a maturity in excess of thirty years shall not be issued. The board of directors of the district shall by resolution determine for each revenue bond issue the amount, date, form, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, and covenants including the refunding of existing revenue bonds. (2) For the purposes of this section, "vehicle parking charges" means only the actual parking charges exclusive of taxes and service charges and the value of any other benefit conferred.

(3) The tax authorized under this section must be at the rate of not more than ten percent.
