Criminal records privacy: Chapter 10.97 RCW.

*Restrictions on dissemination of child forensic interview recordings:
RCW 26.44.187 and 26.44.188.*

RCW 42.56.001 Finding, purpose. The legislature finds that *chapter 42.17 RCW contains laws relating to several discrete subjects. Therefore, the purpose of chapter 274, Laws of 2005 is to recodify some of those laws and create a new chapter in the Revised Code of Washington that contains laws pertaining to public records. [2005 c 274 § 1.]

***Reviser's note:** Provisions in chapter 42.17 RCW relating to public records were recodified in chapter 42.56 RCW by 2005 c 274, effective July 1, 2006. Provisions in chapter 42.17 RCW relating to campaign disclosure and contribution were recodified in chapter 42.17A RCW by 2010 c 204, effective January 1, 2012.

RCW 42.56.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agency" includes all state agencies and all local agencies. "State agency" includes every state office, department, division, bureau, board, commission, or other state agency. "Local agency" includes every county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district, or any office, department, division, bureau, board, commission, or agency thereof, or other local public agency. "Agency" does not include a comprehensive cancer center participating in a collaborative arrangement as defined in RCW 28B.10.930 that is operated in conformance with RCW 28B.10.930.

(2) "Person in interest" means the person who is the subject of a record or any representative designated by that person, except that if that person is under a legal disability, "person in interest" means and includes the parent or duly appointed legal representative.

(3) "Public record" includes any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. For the office of the secretary of the senate and the office of the chief clerk of the house of representatives, public records means legislative records as defined in RCW 40.14.100 and also means the following: All budget and financial records; personnel leave, travel, and payroll records; records of legislative sessions; reports submitted to the legislature; and any other record designated a public record by any official action of the senate or the house of representatives. This definition does not include records that are not otherwise required to be retained by the agency and are held by volunteers who:

(a) Do not serve in an administrative capacity;

(b) Have not been appointed by the agency to an agency board, commission, or internship; and

(c) Do not have a supervisory role or delegated agency authority.

(4) "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation including, but not limited to, letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and

prints, motion picture, film and video recordings, magnetic or punched cards, discs, drums, diskettes, sound recordings, and other documents including existing data compilations from which information may be obtained or translated. [2022 c 71 § 6; 2017 c 303 § 1; 2010 c 204 § 1005; 2007 c 197 § 1; 2005 c 274 § 101.]

Findings—Intent—2022 c 71: See note following RCW 28B.10.930.

RCW 42.56.020 Short title. This chapter may be known and cited as the public records act. [2005 c 274 § 102.]

RCW 42.56.030 Construction. The people of this state do not yield their sovereignty to the agencies that serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may maintain control over the instruments that they have created. This chapter shall be liberally construed and its exemptions narrowly construed to promote this public policy and to assure that the public interest will be fully protected. In the event of conflict between the provisions of this chapter and any other act, the provisions of this chapter shall govern. [2007 c 197 § 2; 2005 c 274 § 283; 1992 c 139 § 2. Formerly RCW 42.17.251.]

RCW 42.56.040 Duty to publish procedures. (1) Each state agency shall separately state and currently publish in the Washington Administrative Code and each local agency shall prominently display and make available for inspection and copying at the central office of such local agency, for guidance of the public:

(a) Descriptions of its central and field organization and the established places at which, the employees from whom, and the methods whereby, the public may obtain information, make submittals or requests, or obtain copies of agency decisions;

(b) Statements of the general course and method by which its operations are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure;

(d) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the agency; and

(e) Each amendment or revision to, or repeal of any of the foregoing.

(2) Except to the extent that he or she has actual and timely notice of the terms thereof, a person may not in any manner be required to resort to, or be adversely affected by, a matter required to be published or displayed and not so published or displayed. [2012 c 117 § 127; 1973 c 1 § 25 (Initiative Measure No. 276, approved November 7, 1972). Formerly RCW 42.17.250.]

RCW 42.56.050 Invasion of privacy, when. A person's "right to privacy," "right of privacy," "privacy," or "personal privacy," as these terms are used in this chapter, is invaded or violated only if

disclosure of information about the person: (1) Would be highly offensive to a reasonable person, and (2) is not of legitimate concern to the public. The provisions of this chapter dealing with the right to privacy in certain public records do not create any right of privacy beyond those rights that are specified in this chapter as express exemptions from the public's right to inspect, examine, or copy public records. [1987 c 403 § 2. Formerly RCW 42.17.255.]

Intent—1987 c 403: "The legislature intends to restore the law relating to the release of public records largely to that which existed prior to the Washington Supreme Court decision in "*In Re Rosier*," 105 Wn.2d 606 (1986). The intent of this legislation is to make clear that: (1) Absent statutory provisions to the contrary, agencies possessing records should in responding to requests for disclosure not make any distinctions in releasing or not releasing records based upon the identity of the person or agency which requested the records, and (2) agencies having public records should rely only upon statutory exemptions or prohibitions for refusal to provide public records. Further, to avoid unnecessary confusion, "privacy" as used in RCW 42.17.255 is intended to have the same meaning as the definition given that word by the Supreme Court in "*Hearst v. Hoppe*," 90 Wn.2d 123, 135 (1978)." [1987 c 403 § 1.]

Severability—1987 c 403: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 403 § 7.]

RCW 42.56.060 Disclaimer of public liability. No public agency, public official, public employee, or custodian shall be liable, nor shall a cause of action exist, for any loss or damage based upon the release of a public record if the public agency, public official, public employee, or custodian acted in good faith in attempting to comply with the provisions of this chapter. [1992 c 139 § 11. Formerly RCW 42.17.258.]

RCW 42.56.070 Documents and indexes to be made public—Statement of costs. (1) Each agency, in accordance with published rules, shall make available for public inspection and copying all public records, unless the record falls within the specific exemptions of subsection (8) of this section, this chapter, or other statute which exempts or prohibits disclosure of specific information or records. To the extent required to prevent an unreasonable invasion of personal privacy interests protected by this chapter, an agency shall delete identifying details in a manner consistent with this chapter when it makes available or publishes any public record; however, in each case, the justification for the deletion shall be explained fully in writing.

(2) For informational purposes, each agency shall publish and maintain a current list containing every law, other than those listed in this chapter, that the agency believes exempts or prohibits disclosure of specific information or records of the agency. An agency's failure to list an exemption shall not affect the efficacy of any exemption.

(3) Each local agency shall maintain and make available for public inspection and copying a current index providing identifying information as to the following records issued, adopted, or promulgated after January 1, 1973:

(a) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(b) Those statements of policy and interpretations of policy, statute, and the Constitution which have been adopted by the agency;

(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) Planning policies and goals, and interim and final planning decisions;

(e) Factual staff reports and studies, factual consultant's reports and studies, scientific reports and studies, and any other factual information derived from tests, studies, reports, or surveys, whether conducted by public employees or others; and

(f) Correspondence, and materials referred to therein, by and with the agency relating to any regulatory, supervisory, or enforcement responsibilities of the agency, whereby the agency determines, or opines upon, or is asked to determine or opine upon, the rights of the state, the public, a subdivision of state government, or of any private party.

(4) A local agency need not maintain such an index, if to do so would be unduly burdensome, but it shall in that event:

(a) Issue and publish a formal order specifying the reasons why and the extent to which compliance would unduly burden or interfere with agency operations; and

(b) Make available for public inspection and copying all indexes maintained for agency use.

(5) Each state agency shall, by rule, establish and implement a system of indexing for the identification and location of the following records:

(a) All records issued before July 1, 1990, for which the agency has maintained an index;

(b) Final orders entered after June 30, 1990, that are issued in adjudicative proceedings as defined in RCW 34.05.010 and that contain an analysis or decision of substantial importance to the agency in carrying out its duties;

(c) Declaratory orders entered after June 30, 1990, that are issued pursuant to RCW 34.05.240 and that contain an analysis or decision of substantial importance to the agency in carrying out its duties;

(d) Interpretive statements as defined in RCW 34.05.010 that were entered after June 30, 1990; and

(e) Policy statements as defined in RCW 34.05.010 that were entered after June 30, 1990.

Rules establishing systems of indexing shall include, but not be limited to, requirements for the form and content of the index, its location and availability to the public, and the schedule for revising or updating the index. State agencies that have maintained indexes for records issued before July 1, 1990, shall continue to make such indexes available for public inspection and copying. Information in such indexes may be incorporated into indexes prepared pursuant to this subsection. State agencies may satisfy the requirements of this subsection by making available to the public indexes prepared by other parties but actually used by the agency in its operations. State agencies shall make indexes available for public inspection and

copying. State agencies may charge a fee to cover the actual costs of providing individual mailed copies of indexes.

(6) A public record may be relied on, used, or cited as precedent by an agency against a party other than an agency and it may be invoked by the agency for any other purpose only if:

(a) It has been indexed in an index available to the public; or

(b) Parties affected have timely notice (actual or constructive) of the terms thereof.

(7) Each agency may establish, maintain, and make available for public inspection and copying a statement of the actual costs that it charges for providing photocopies or electronically produced copies, of public records and a statement of the factors and manner used to determine the actual costs. Any statement of costs may be adopted by an agency only after providing notice and public hearing.

(a)(i) In determining the actual cost for providing copies of public records, an agency may include all costs directly incident to copying such public records including:

(A) The actual cost of the paper and the per page cost for use of agency copying equipment; and

(B) The actual cost of the electronic production or file transfer of the record and the use of any cloud-based data storage and processing service.

(ii) In determining other actual costs for providing copies of public records, an agency may include all costs directly incident to:

(A) Shipping such public records, including the cost of postage or delivery charges and the cost of any container or envelope used; and

(B) Transmitting such records in an electronic format, including the cost of any transmission charge and use of any physical media device provided by the agency.

(b) In determining the actual costs for providing copies of public records, an agency may not include staff salaries, benefits, or other general administrative or overhead charges, unless those costs are directly related to the actual cost of copying the public records. Staff time to copy and send the requested public records may be included in an agency's costs.

(8) This chapter shall not be construed as giving authority to any agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall not do so unless specifically authorized or directed by law: PROVIDED, HOWEVER, That lists of applicants for professional licenses and of professional licensees shall be made available to those professional associations or educational organizations recognized by their professional licensing or examination board, upon payment of a reasonable charge therefor: PROVIDED FURTHER, That such recognition may be refused only for a good cause pursuant to a hearing under the provisions of chapter 34.05 RCW, the administrative procedure act.

Exemption for registered trade names: RCW 19.80.065.

Paid family and medical leave information: RCW 50A.05.020(4).

RCW 42.56.080 Identifiable records—Facilities for copying—Availability of public records. (1) A public records request must be for identifiable records. A request for all or substantially all records prepared, owned, used, or retained by an agency is not a valid request for identifiable records under this chapter, provided that a request for all records regarding a particular topic or containing a particular keyword or name shall not be considered a request for all of an agency's records.

(2) Public records shall be available for inspection and copying, and agencies shall, upon request for identifiable public records, make them promptly available to any person including, if applicable, on a partial or installment basis as records that are part of a larger set of requested records are assembled or made ready for inspection or disclosure. Agencies shall not deny a request for identifiable public records solely on the basis that the request is overbroad. Agencies shall not distinguish among persons requesting records, and such persons shall not be required to provide information as to the purpose for the request except to establish whether inspection and copying would violate RCW 42.56.070(8) or 42.56.240(14), or other statute which exempts or prohibits disclosure of specific information or records to certain persons. Agency facilities shall be made available to any person for the copying of public records except when and to the extent that this would unreasonably disrupt the operations of the agency. Agencies shall honor requests received in person during an agency's normal office hours, or by mail or email, for identifiable public records unless exempted by provisions of this chapter. No official format is required for making a records request; however, agencies may recommend that requestors submit requests using an agency provided form or web page.

(3) An agency may deny a bot request that is one of multiple requests from the requestor to the agency within a twenty-four hour period, if the agency establishes that responding to the multiple requests would cause excessive interference with other essential functions of the agency. For purposes of this subsection, "bot request" means a request for public records that an agency reasonably believes was automatically generated by a computer program or script. [2017 c 304 § 2; 2016 c 163 § 3. Prior: 2005 c 483 § 1; 2005 c 274 § 285; 1987 c 403 § 4; 1975 1st ex.s. c 294 § 15; 1973 c 1 § 27 (Initiative Measure No. 276, approved November 7, 1972). Formerly RCW 42.17.270.]

Finding—Intent—2016 c 163: See note following RCW 42.56.240.

Intent—Severability—1987 c 403: See notes following RCW 42.56.050.

RCW 42.56.090 Times for inspection and copying—Posting on website. Public records shall be available for inspection and copying during the customary office hours of the agency, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives for a minimum of thirty hours per week, except weeks that include state legal holidays, unless the person making the request and the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives or its representative agree on a different time. Customary business hours must be posted on the agency or office's website and made known by other means designed to provide the public with notice. [2009 c 428 § 2; 1995 c 397 § 12; 1973 c 1 § 28 (Initiative Measure No. 276, approved November 7, 1972). Formerly RCW 42.17.280.]

RCW 42.56.100 Protection of public records—Public access. Agencies shall adopt and enforce reasonable rules and regulations, and the office of the secretary of the senate and the office of the chief clerk of the house of representatives shall adopt reasonable procedures allowing for the time, resource, and personnel constraints associated with legislative sessions, consonant with the intent of this chapter to provide full public access to public records, to protect public records from damage or disorganization, and to prevent excessive interference with other essential functions of the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives. Such rules and regulations shall provide for the fullest assistance to inquirers and the most timely possible action on requests for information. Nothing in this section shall relieve agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives from honoring requests received by mail for copies of identifiable public records.

If a public record request is made at a time when such record exists but is scheduled for destruction in the near future, the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives shall retain possession of the record, and may not destroy or erase the record until the request is resolved. [1995 c 397 § 13; 1992 c 139 § 4; 1975 1st ex.s. c 294 § 16; 1973 c 1 § 29 (Initiative Measure No. 276, approved November 7, 1972). Formerly RCW 42.17.290.]

RCW 42.56.110 Destruction of information relating to employee misconduct. Nothing in this chapter prevents an agency from destroying information relating to employee misconduct or alleged misconduct, in accordance with RCW 41.06.450, to the extent necessary to ensure fairness to the employee. [1982 c 208 § 13. Formerly RCW 42.17.295.]

RCW 42.56.120 Charges for copying. (1) No fee shall be charged for the inspection of public records or locating public documents and making them available for copying, except as provided in RCW 42.56.240(14) and subsection (3) of this section. A reasonable charge may be imposed for providing copies of public records and for the use by any person of agency equipment or equipment of the office of the secretary of the senate or the office of the chief clerk of the house of representatives to copy public records, which charges shall not exceed the amount necessary to reimburse the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives for its actual costs directly incident to such copying. When calculating any fees authorized under this section, an agency shall use the most reasonable cost-efficient method available to the agency as part of its normal operations. If any agency translates a record into an alternative electronic format at the request of a requestor, the copy created does not constitute a new public record for purposes of this chapter. Scanning paper records to make electronic copies of such records is a method of copying paper records and does not amount to the creation of a new public record.

(2) (a) Agency charges for actual costs may only be imposed in accordance with the costs established and published by the agency pursuant to RCW 42.56.070(7), and in accordance with the statement of factors and manner used to determine the actual costs. In no event may an agency charge a per page cost greater than the actual cost as established and published by the agency.

(b) An agency need not calculate the actual costs it charges for providing public records if it has rules or regulations declaring the reasons doing so would be unduly burdensome. To the extent the agency has not determined the actual costs of copying public records, the agency may not charge in excess of:

(i) Fifteen cents per page for photocopies of public records, printed copies of electronic public records when requested by the person requesting records, or for the use of agency equipment to photocopy public records;

(ii) Ten cents per page for public records scanned into an electronic format or for the use of agency equipment to scan the records;

(iii) Five cents per each four electronic files or attachment uploaded to email, cloud-based data storage service, or other means of electronic delivery; and

(iv) Ten cents per gigabyte for the transmission of public records in an electronic format or for the use of agency equipment to send the records electronically. The agency shall take reasonable steps to provide the records in the most efficient manner available to the agency in its normal operations; and

(v) The actual cost of any digital storage media or device provided by the agency, the actual cost of any container or envelope used to mail the copies to the requestor, and the actual postage or delivery charge.

(c) The charges in (b) of this subsection may be combined to the extent that more than one type of charge applies to copies produced in response to a particular request.

(d) An agency may charge a flat fee of up to two dollars for any request as an alternative to fees authorized under (a) or (b) of this subsection when the agency reasonably estimates and documents that the costs allowed under this subsection are clearly equal to or more than two dollars. An additional flat fee shall not be charged for any

installment after the first installment of a request produced in installments. An agency that has elected to charge the flat fee in this subsection for an initial installment may not charge the fees authorized under (a) or (b) of this subsection on subsequent installments.

(e) An agency shall not impose copying charges under this section for access to or downloading of records that the agency routinely posts on its public internet website prior to receipt of a request unless the requestor has specifically requested that the agency provide copies of such records through other means.

(f) A requestor may ask an agency to provide, and if requested an agency shall provide, a summary of the applicable charges before any copies are made and the requestor may revise the request to reduce the number of copies to be made and reduce the applicable charges.

(3) (a) (i) In addition to the charge imposed for providing copies of public records and for the use by any person of agency equipment copying costs, an agency may include a customized service charge. A customized service charge may only be imposed if the agency estimates that the request would require the use of information technology expertise to prepare data compilations, or provide customized electronic access services when such compilations and customized access services are not used by the agency for other agency purposes.

(ii) The customized service charge may reimburse the agency up to the actual cost of providing the services in this subsection.

(b) An agency may not assess a customized service charge unless the agency has notified the requestor of the customized service charge to be applied to the request, including an explanation of why the customized service charge applies, a description of the specific expertise, and a reasonable estimate cost of the charge. The notice also must provide the requestor the opportunity to amend his or her request in order to avoid or reduce the cost of a customized service charge.

(4) An agency may require a deposit in an amount not to exceed ten percent of the estimated cost of providing copies for a request, including a customized service charge. If an agency makes a request available on a partial or installment basis, the agency may charge for each part of the request as it is provided. If an installment of a records request is not claimed or reviewed, the agency is not obligated to fulfill the balance of the request. An agency may waive any charge assessed for a request pursuant to agency rules and regulations. An agency may enter into any contract, memorandum of understanding, or other agreement with a requestor that provides an alternative fee arrangement to the charges authorized in this section, or in response to a voluminous or frequently occurring request. Finding—2007 c 198: "The legislature recognizes that public disclosure exemptions are enacted to meet objectives that are determined to be in the public interest. Given the changing nature of information technology and management, recordkeeping, and the increasing number of public disclosure exemptions, the legislature finds that periodic reviews of public disclosure exemptions are needed to determine if each exemption serves the public interest." [2007 c 198 § 1.]

RCW 42.56.141 Public records exemptions accountability committee—Wolf depredation information exemption. (Expires June 30, 2027.) By December 1, 2021, the public records exemptions accountability committee, in addition to its duties in RCW 42.56.140, must prepare and submit a report to the legislature that includes recommendations on whether the exemptions created in section 1, chapter 246, Laws of 2017 should be continued or allowed to expire. The report should focus on whether the exemption continues to serve the intent of the legislature in section 1, chapter 246, Laws of 2017 to provide protections of personal information during the period the state establishes and implements new policies regarding wolf management. The committee must consider whether the development of wolf management policy, by the time of the report, has diminished risks of threats to personal safety so that the protection of personal information in section 1, chapter 246, Laws of 2017 is no longer an ongoing necessity. [2017 c 246 § 3.]

Expiration date—2017 c 246: See note following RCW 42.56.430.

RCW 42.56.150 Training—Local elected and statewide elected officials. (1) Each local elected official and statewide elected official, and each person appointed to fill a vacancy in a local or statewide office, must complete a training course regarding the provisions of this chapter, and also chapter 40.14 RCW for records retention.

(2) Officials required to complete training under this section may complete their training before assuming office but must:

(a) Complete training no later than ninety days after the date the official either:

(i) Takes the oath of office, if the official is required to take an oath of office to assume his or her duties as a public official; or

(ii) Otherwise assumes his or her duties as a public official; and

(b) Complete refresher training at intervals of no more than four years for as long as he or she holds the office.

(3) Training must be consistent with the attorney general's model rules for compliance with the public records act.

(4) Training may be completed remotely with technology including but not limited to internet-based training. [2014 c 66 § 3.]

Findings—2014 c 66: "The legislature finds that the rights of citizens to observe the actions of their public officials and to have

timely access to public records are the underpinnings of democracy and are essential for meaningful citizen participation in the democratic process. All too often, however, violations of the requirements of the public records act and the open public meetings act by public officials and agencies result in citizens being denied this important information and materials to which they are legally entitled. Such violations are often the result of inadvertent error or a lack of knowledge on the part of officials and agencies regarding their legal duties to the public pursuant to these acts. Also, whether due to error or ignorance, violations of the public records act and open public meetings act are very costly for state and local governments, both in terms of litigation expenses and administrative costs. The legislature also finds that the implementation of simple, cost-effective training programs will greatly increase the likelihood that public officials and agencies will better serve the public by improving citizen access to public records and encouraging public participation in governmental deliberations. Such improvements in public service will, in turn, enhance the public's trust in its government and result in significant cost savings by reducing the number of violations of the public records act and open public meetings act." [2014 c 66 § 1.]

Short title—2014 c 66: "This act may be known and cited as the open government trainings act." [2014 c 66 § 6.]

Effective date—2014 c 66: "This act takes effect July 1, 2014." [2014 c 66 § 7.]

RCW 42.56.152 Training—Public records officers. (1) Public records officers designated under RCW 42.56.580 and records officers designated under RCW 40.14.040 must complete a training course regarding the provisions of this chapter, and also chapter 40.14 RCW for records retention.

(2) Public records officers must:

(a) Complete training no later than ninety days after assuming responsibilities as a public records officer or records manager; and
(b) Complete refresher training at intervals of no more than four years as long as they maintain the designation.

(3) Training must be consistent with the attorney general's model rules for compliance with the public records act.

(4) Training may be completed remotely with technology including but not limited to internet-based training.

(5) Training must address particular issues related to the retention, production, and disclosure of electronic documents, including updating and improving technology information services. [2017 c 303 § 2; 2014 c 66 § 4.]

RCW 42.56.210 Certain personal and other records exempt. (1) Except for information described in *RCW 42.56.230(3)(a) and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this chapter are inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(2) Inspection or copying of any specific records exempt under the provisions of this chapter may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(3) Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld. Working group on veterans' records: "The protection from identity theft for veterans who choose to file their discharge papers with the county auditor is a matter of gravest concern. At the same time, the integrity of the public record of each county is a matter of utmost importance to the economic life of this state and to the right of each citizen to be secure in his or her ownership of real property and other rights and obligations of our citizens that rely upon the public record for their proof. Likewise the integrity of the public record is essential for the establishment of ancestral ties that may be of interest to this and future generations. While the public record as now kept by the county auditors is sufficient by itself for the accomplishment of these and many other public and private purposes, the proposed use of the public record for purposes that in their nature and intent are not public, so as to keep the veterans' discharge papers from disclosure to those of ill intent, causes concern among many segments of the population of this state.

In order to voice these concerns effectively and thoroughly, a working group may be convened by the joint committee on veterans' and military affairs to develop a means to preserve the integrity of the public record while protecting those veterans from identity theft." [2002 c 224 § 1.]

Finding—2001 c 98: "The legislature finds that public health and safety is promoted when the public has knowledge that enables them to make informed choices about their health and safety. Therefore, the legislature declares, as a matter of public policy, that the public has a right to information necessary to protect members of the public from harm caused by alleged hazards or threats to the public.

The legislature also recognizes that the public disclosure of those portions of records containing specific and unique vulnerability assessments or specific and unique response plans, either of which is intended to prevent or mitigate criminal terrorist acts as defined in RCW 70.74.285, could have a substantial likelihood of threatening public safety. Therefore, the legislature declares, as a matter of public policy, that such specific and unique information should be protected from unnecessary disclosure." [2001 c 98 § 1.]

Findings—2019 c 349: "The legislature finds that workplace harassment remains a persistent problem and there is an urgent need to address barriers that prevent people from reporting harassment. The United States equal employment opportunity commission select task force on the study of harassment in the workplace released a report in 2016 finding that ninety percent of individuals who experience harassment never take formal action, and noting that seventy-five percent of employees who spoke out against workplace mistreatment faced some sort of retaliation. The legislature finds that it is in the public interest for state employees to feel safe to report incidents of harassment when it occurs and to protect these employees from an increased risk of retaliation. The legislature finds that the release of the identities of employees who report or participate in harassment investigations increases the risk of retaliation, invades the privacy of a vulnerable population, and significantly reduces reporting of harassment. The legislature finds that if state government can make it easier for victims and witnesses of harassment to come forward and report harassment, harassment issues can be dealt with before they worsen or spread." [2019 c 349 § 1.]

RCW 42.56.520 Prompt responses required. (1) Responses to requests for public records shall be made promptly by agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives. Within five business days of receiving a public record request, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives must respond in one of the ways provided in this subsection (1):

(a) Providing the record;

(b) Providing an internet address and link on the agency's website to the specific records requested, except that if the requester notifies the agency that he or she cannot access the records through the internet, then the agency must provide copies of the record or allow the requester to view copies using an agency computer;

(c) Acknowledging that the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives has received the request and providing a reasonable estimate of the time the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives will require to respond to the request;

(d) Acknowledging that the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives has received the request and asking the requestor to provide clarification for a request that is unclear, and providing, to the greatest extent possible, a reasonable estimate of the time the

agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives will require to respond to the request if it is not clarified; or

(e) Denying the public record request.

(2) Additional time required to respond to a request may be based upon the need to clarify the intent of the request, to locate and assemble the information requested, to notify third persons or agencies affected by the request, or to determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request.

(3) (a) In acknowledging receipt of a public record request that is unclear, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives may ask the requestor to clarify what information the requestor is seeking.

(b) If the requestor fails to respond to an agency request to clarify the request, and the entire request is unclear, the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives need not respond to it. Otherwise, the agency must respond, pursuant to this section, to those portions of the request that are clear.

(4) Denials of requests must be accompanied by a written statement of the specific reasons therefor. Agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall establish mechanisms for the most prompt possible review of decisions denying inspection, and such review shall be deemed completed at the end of the second business day following the denial of inspection and shall constitute final agency action or final action by the office of the secretary of the senate or the office of the chief clerk of the house of representatives for the purposes of judicial review. [2017 c 303 § 3; 2010 c 69 § 2; 1995 c 397 § 15; 1992 c 139 § 6; 1975 1st ex.s. c 294 § 18; 1973 c 1 § 32 (Initiative Measure No. 276, approved November 7, 1972). Formerly RCW 42.17.320.]

Finding—2010 c 69: "The internet provides for instant access to public records at a significantly reduced cost to the agency and the public. Agencies are encouraged to make commonly requested records available on agency websites. When an agency has made records available on its website, members of the public with computer access should be encouraged to preserve taxpayer resources by accessing those records online." [2010 c 69 § 1.]

RCW 42.56.530 Review of agency denial. Whenever a state agency concludes that a public record is exempt from disclosure and denies a person opportunity to inspect or copy a public record for that reason, the person may request the attorney general to review the matter. The attorney general shall provide the person with his or her written opinion on whether the record is exempt.

Nothing in this section shall be deemed to establish an attorney-client relationship between the attorney general and a person making a request under this section. [1992 c 139 § 10. Formerly RCW 42.17.325.]

RCW 42.56.540 Court protection of public records. The examination of any specific public record may be enjoined if, upon motion and affidavit by an agency or its representative or a person who is named in the record or to whom the record specifically pertains, the superior court for the county in which the movant resides or in which the record is maintained, finds that such examination would clearly not be in the public interest and would substantially and irreparably damage any person, or would substantially and irreparably damage vital governmental functions. An agency has the option of notifying persons named in the record or to whom a record specifically pertains, that release of a record has been requested. However, this option does not exist where the agency is required by law to provide such notice. [1992 c 139 § 7; 1975 1st ex.s. c 294 § 19; 1973 c 1 § 33 (Initiative Measure No. 276, approved November 7, 1972). Formerly RCW 42.17.330.]

RCW 42.56.550 Judicial review of agency actions. (1) Upon the motion of any person having been denied an opportunity to inspect or copy a public record by an agency, the superior court in the county in which a record is maintained may require the responsible agency to show cause why it has refused to allow inspection or copying of a specific public record or class of records. The burden of proof shall be on the agency to establish that refusal to permit public inspection and copying is in accordance with a statute that exempts or prohibits disclosure in whole or in part of specific information or records.

(2) Upon the motion of any person who believes that an agency has not made a reasonable estimate of the time that the agency requires to respond to a public record request or a reasonable estimate of the charges to produce copies of public records, the superior court in the county in which a record is maintained may require the responsible agency to show that the estimate it provided is reasonable. The burden of proof shall be on the agency to show that the estimate it provided is reasonable.

(3) Judicial review of all agency actions taken or challenged under RCW 42.56.030 through 42.56.520 shall be de novo. Courts shall take into account the policy of this chapter that free and open examination of public records is in the public interest, even though such examination may cause inconvenience or embarrassment to public officials or others. Courts may examine any record in camera in any proceeding brought under this section. The court may conduct a hearing based solely on affidavits.

(4) Any person who prevails against an agency in any action in the courts seeking the right to inspect or copy any public record or the right to receive a response to a public record request within a reasonable amount of time shall be awarded all costs, including reasonable attorney fees, incurred in connection with such legal action. In addition, it shall be within the discretion of the court to award such person an amount not to exceed one hundred dollars for each day that he or she was denied the right to inspect or copy said public record.

(5) For actions under this section against counties, the venue provisions of RCW 36.01.050 apply.

(6) Actions under this section must be filed within one year of the agency's claim of exemption or the last production of a record on a partial or installment basis. [2017 c 304 § 5; 2011 c 273 § 1. Prior: 2005 c 483 § 5; 2005 c 274 § 288; 1992 c 139 § 8; 1987 c 403 §

(iv) Fulfilling the request may assist criminal activity.

(3) In deciding whether to enjoin a request under subsection (2) of this section, the court may consider all relevant factors including, but not limited to:

(a) Other requests by the requestor;

(b) The type of record or records sought;

(c) Statements offered by the requestor concerning the purpose for the request;

(d) Whether disclosure of the requested records would likely harm any person or vital government interest;

(e) Whether the request seeks a significant and burdensome number of documents;

(f) The impact of disclosure on correctional facility security and order, the safety or security of correctional facility staff, inmates, or others; and

(g) The deterrence of criminal activity.

(4) The motion proceeding described in this section shall be a summary proceeding based on affidavits or declarations, unless the court orders otherwise. (a) Providing fullest assistance to requestors;

(b) Fulfilling large requests in the most efficient manner;

(c) Fulfilling requests for electronic records; and

(d) Any other issues pertaining to public disclosure as determined by the attorney general.

(1) Each state and local agency shall appoint and publicly identify a public records officer whose responsibility is to serve as a point of contact for members of the public in requesting disclosure of public records and to oversee the agency's compliance with the public records disclosure requirements of this chapter. (1) Any agency that owns or licenses data that includes personal information shall disclose any breach of the security of the system to any resident of this state whose personal information was, or is reasonably believed to have been, acquired by an unauthorized person and the personal information was not secured. Notice is not required if the breach of the security of the system is not reasonably likely to subject consumers to a risk of harm. The breach of secured personal information must be disclosed if the information acquired and accessed is not secured during a security breach or if the confidential process, encryption key, or other means to decipher the secured information was acquired by an unauthorized person.

(2) Any agency that maintains or possesses data that may include personal information that the agency does not own or license shall notify the owner or licensee of the information of any breach of the security of the data immediately following discovery, if the personal information was, or is reasonably believed to have been, acquired by an unauthorized person.

(3) The notification required by this section may be delayed if the data owner or licensee contacts a law enforcement agency after discovery of a breach of the security of the system and a law enforcement agency determines that the notification will impede a criminal investigation. The notification required by this section

shall be made after the law enforcement agency determines that it will not compromise the investigation.

(4) For purposes of this section and except under subsection (5) of this section and RCW 42.56.592, notice may be provided by one of the following methods:

(a) Written notice;

(b) Electronic notice, if the notice provided is consistent with the provisions regarding electronic records and signatures set forth in 15 U.S.C. Sec. 7001; or

(c) Substitute notice, if the agency demonstrates that the cost of providing notice would exceed two hundred fifty thousand dollars, or that the affected class of subject persons to be notified exceeds five hundred thousand, or the agency does not have sufficient contact information. Substitute notice shall consist of all of the following:

(i) Email notice when the agency has an email address for the subject persons;

(ii) Conspicuous posting of the notice on the agency's website page, if the agency maintains one; and

(iii) Notification to major statewide media.

(5) An agency that maintains its own notification procedures as part of an information security policy for the treatment of personal information and is otherwise consistent with the timing requirements of this section is in compliance with the notification requirements of this section if it notifies subject persons in accordance with its policies in the event of a breach of security of the system.

(6) Any agency that is required to issue notification pursuant to this section shall meet all of the following requirements:

(a) The notification must be written in plain language; and

(b) The notification must include, at a minimum, the following information:

(i) The name and contact information of the reporting agency subject to this section;

(ii) A list of the types of personal information that were or are reasonably believed to have been the subject of a breach;

(iii) A time frame of exposure, if known, including the date of the breach and the date of the discovery of the breach; and

(iv) The toll-free telephone numbers and addresses of the major credit reporting agencies if the breach exposed personal information.

(7) Any agency that is required to issue a notification pursuant to this section to more than five hundred Washington residents as a result of a single breach shall notify the attorney general of the breach no more than thirty days after the breach was discovered.

(a) The notice to the attorney general must include the following information:

(i) The number of Washington residents affected by the breach, or an estimate if the exact number is not known;

(ii) A list of the types of personal information that were or are reasonably believed to have been the subject of a breach;

(iv) A summary of steps taken to contain the breach; and

(v) A single sample copy of the security breach notification, excluding any personally identifiable information.

(b) The notice to the attorney general must be updated if any of the information identified in (a) of this subsection is unknown at the time notice is due.

(8) Notification to affected individuals must be made in the most expedient time possible, without unreasonable delay, and no more than thirty calendar days after the breach was discovered, unless the delay is at the request of law enforcement as provided in subsection (3) of this section, or the delay is due to any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system. An agency may delay notification to the consumer for up to an additional fourteen days to allow for notification to be translated into the primary language of the affected consumers.

(9) For purposes of this section, "breach of the security of the system" means unauthorized acquisition of data that compromises the security, confidentiality, or integrity of personal information maintained by the agency. Good faith acquisition of personal information by an employee or agent of the agency for the purposes of the agency is not a breach of the security of the system when the personal information is not used or subject to further unauthorized disclosure.

(10)(a) For purposes of this section, "personal information" means:

(i) An individual's first name or first initial and last name in combination with any one or more of the following data elements:

(A) Social security number or the last four digits of the social security number;

(ii) User name or email address in combination with a password or security questions and answers that would permit access to an online account; and

(iii) Any of the data elements or any combination of the data elements described in (a)(i) of this subsection without the consumer's first name or first initial and last name if:

(A) Encryption, redaction, or other methods have not rendered the data element or combination of data elements unusable; and

(B) The data element or combination of data elements would enable a person to commit identity theft against a consumer.

(b) Personal information does not include publicly available information that is lawfully made available to the general public from federal, state, or local government records.

(11) For purposes of this section, "secured" means encrypted in a manner that meets or exceeds the national institute of standards and

technology standard or is otherwise modified so that the personal information is rendered unreadable, unusable, or undecipherable by an unauthorized person. [2020 c 65 § 1; 2019 c 241 § 5; 2015 c 64 § 3; 2007 c 197 § 9; 2005 c 368 § 1. Formerly RCW 42.17.31922.]

RCW 42.56.660 Agency employee records. (1) Except by court order issued pursuant to subsection (3) of this section, an agency may not disclose as a response to a public records request made pursuant to this chapter records concerning an agency employee, as defined in subsection (5) of this section, if:

(a) The requestor is a person alleged in the claim of workplace sexual harassment or stalking to have harassed or stalked the agency employee who is named as the victim in the claim; and

(b) After conducting an investigation, the agency issued discipline resulting from the claim of workplace sexual harassment or stalking to the requestor described under (a) of this subsection.

(2) (a) When the requestor is someone other than a person described under subsection (1) of this section, the agency must immediately notify an agency employee upon receipt of a public records request for records concerning that agency employee if the agency conducted an investigation of the claim of workplace sexual harassment or stalking involving the agency employee and the agency issued discipline resulting from the claim.

(b) Upon notice provided in accordance with (a) of this subsection, the agency employee may bring an action in a court of competent jurisdiction to enjoin the agency from disclosing the records. The agency employee shall immediately notify the agency upon filing an action under this subsection. Except for the five-day notification required under RCW 42.56.520, the time for the employing agency to process a request for records is suspended during the pendency of an action filed under this subsection. Upon notice of an action filed under this subsection, the agency may not disclose such records unless by an order issued in accordance with subsection (3) of this section, or if the action is dismissed without the court granting an injunction.

The presumption set out under this subsection may be rebutted upon showing of clear, cogent, and convincing evidence that disclosure of the requested record or information to persons alleged in the claim to have sexually harassed or stalked the agency employee named as the victim in the claim is not highly offensive.

(4) Nothing in this section restricts access to records described under subsections (1) and (2) of this section where the agency employee consents in writing to disclosure.

The legislature finds that we must act to protect the health and safety of state employees, but even more so when employees become the victims of sexual harassment or stalking. The legislature finds that when a state agency employee is the target of sexual harassment or stalking, there is a significant risk to the employee's physical safety and well-being. The legislature finds that workplace safety is of paramount importance and that the state has an interest in protecting against the inappropriate use of public resources to carry out actions of sexual harassment or stalking." [2019 c 373 § 1.]

Effective date—2019 c 373: "This act takes effect July 1, 2020." [2019 c 373 § 6.]

(2) Any person liable under subsection (1) of this section may be sued in superior court by any aggrieved party, or in the name of the state by the attorney general or the prosecuting authority of any political subdivision. The court may order an appropriate civil remedy. The plaintiff may recover up to one thousand dollars for each record used in violation of this section, as well as costs and reasonable attorneys' fees.

RCW 42.56.900 Purpose—2005 c 274 §§ 402-429. The purpose of sections 402 through 429 of this act is to reorganize the public inspection and copying exemptions in *RCW 42.17.310 through 42.17.31921 by creating smaller, discrete code sections organized by subject matter. The legislature does not intend that this act effectuate any substantive change to any public inspection and copying exemption in the Revised Code of Washington. [2005 c 274 § 401.]

***Reviser's note:** The substance of RCW 42.17.310 through 42.17.31921 was recodified in chapter 42.56 RCW. See the Comparative Table in the Table of Disposition of Former RCW Sections.

RCW 42.56.904 Intent—2007 c 391. It is the intent of the legislature to clarify that no reasonable construction of chapter 42.56 RCW has ever allowed attorney invoices to be withheld in their entirety by any public entity in a request for documents under that chapter. It is further the intent of the legislature that specific descriptions of work performed be redacted only if they would reveal an attorney's mental impressions, actual legal advice, theories, or opinions, or are otherwise exempt under chapter 391, Laws of 2007 or other laws, with the burden upon the public entity to justify each redaction and narrowly construe any exception to full disclosure. The legislature intends to clarify that the public's interest in open, accountable government includes an accounting of any expenditure of public resources, including through liability insurance, upon private legal counsel or private consultants. [2007 c 391 § 1.]
