

**WAC 222-12-060 Supplemental directives.** Supplemental directives are advisory directives and are issued to forest landowners, timber owners and operators conducting forest practices, recommending an alternate preferred course of action or a minor change in the operation, which the department believes would provide greater assurance that the purposes and policies set forth in RCW 76.09.010 will be met.

[Order 263, § 222-12-060, filed 6/16/76.]
