

WAC 230-16-055 Bonus or step up flares. In addition to other flare requirements, manufacturers of step up punch board and bonus pull-tab flares must:

(1) Develop and use at least twenty-five randomly distributed versions of flares for each form number of a bonus series; and

(2) Construct flares which contain prizes determined after players receive the corresponding winning chance so that it is impossible to determine the prizes before removing the prize covering; and

(3) Label the middle or advance level with "Advance Section" in at least one-quarter inch lettering; and

(4) Label the top tier level with "Bonus Section" in at least one-quarter inch lettering; and

(5) Clearly state on the flare the number of winners which could be awarded in the top tier level in at least three-eighths inch lettering. In addition, clearly display the number of winners and the number of advances in each advance level; and

(6) Clearly display all prizes for each advance and bonus level so that only the winners within the possible combinations are shown. Where applicable, use the word "OR" to show the possible combinations for winning the bonus prizes; and

(7) Not show duplicate references to prizes on the flare.
