

WAC 479-10-520 How are local governments selected for complete streets grant funding? In order to be considered for funding, an eligible city or county must be nominated by an approved nominating organization. Complete streets grant funding is an incentive payment, recognizing local governments that plan, design, and build with consideration for all users, high continuity with existing infrastructure, and sound engineering principles based on peer reviewed guides, reports and publications consistent with the purposes of the program. A nominating organization, keeping these guidelines in mind, may at its discretion nominate an eligible local government for a complete streets grant. The transportation improvement board will select the best nominated local government, within available funding. Funding associated with the a grant award may be used to complete projects or activities identified on an approved work plan.
