

WAC 182-533-0328 Maternity support services—Documentation requirements. Providers must fulfill the documentation requirements under WAC 182-502-0020 and the medicaid agency's current billing instructions including:

- (1) Required supervision records for community health workers;
- (2) Continued education verification and renewal of credentials for professional staff;
- (3) Subcontracting documents, as specified under WAC 182-533-0325(3); and
- (4) Client records, which include consent forms and documentation for screening, assessments, care plans, case conferences, case management, and care coordination for each client.

[Statutory Authority: RCW 41.05.021. WSR 14-09-061, § 182-533-0328, filed 4/16/14, effective 5/17/14.]
