

WAC 296-855-20060 Notification. (1) You must provide written notification of exposure monitoring results to employees represented by your exposure evaluation, within five business days after monitoring results become known to you.

(2) In addition, when employee exposure monitoring results are above either the TWA₈ or STEL permissible exposure limit (PEL), you must provide written notification of all the following within fifteen business days after the results become known to you:

- (a) Corrective actions being taken and a schedule for completion; and
- (b) Any reason why exposures can not be lowered to below the PELs.

Note:

- 1. You can either notify employees individually or post the notifications in areas readily accessible to affected employees.
- 2. Posted notification may need specific information that allows affected employees to determine which monitoring results apply to them.
- 3. Notification may be:
 - a. In any written form, such as hand-written or email.
 - b. Limited to the required information, such as exposure monitoring results.
- 4. When notifying employees about corrective actions, your notification may refer them to a separate document that is available and provides the required information.
