

WAC 174-123-210 Initiating a conduct conference. A conduct conference is a meeting or a series of meetings, held between a respondent and a student conduct official. The student conduct official will explain to the respondent the process for addressing complaints under the code, advise the respondent of their rights and responsibilities, and review with the respondent the complaint and alleged violation(s) of the code.

(1) The respondent will meet with the student conduct official for a conduct conference as directed in a written notice. The notice will briefly describe the allegations and the provision(s) of the code the respondent is alleged to have violated. The notice will direct the respondent to schedule a conduct conference or direct the respondent to attend a conduct conference at a specific time and location. At the conduct conference, the student conduct official will present the allegations to the respondent and the respondent will be afforded an opportunity to explain what occurred. If the respondent fails to attend the conduct conference, a determination of responsibility and required resolution and sanction(s) may be determined in the respondent's absence.

(2) If there is more than one respondent involved in the complaint, the student conduct official, at their discretion, may conduct the conferences concerning each respondent either separately or jointly.

(3) In addition to information sought from the respondent regarding the allegations, the student conduct official may seek additional information from other persons with information relevant to the investigation of the complaint.
