

WAC 181-85-220 Noncompliance—Substantial compliance rule. (1)

If an audit finds that an approved in-service education agency is not in substantial compliance with the provisions of this chapter, the superintendent of public instruction and/or the professional educator standards board shall document violations of the regulations—i.e., written findings of fact and conclusions of law—and notify such provider of corrective action necessary to achieve substantial compliance as well as a time frame for compliance. If such in-service education agency fails to provide an assurance within the time frame that such corrective action is being implemented, the provider may be notified that they are no longer eligible to provide continuing education credit hours in its in-service education program until the agency satisfies the substantial compliance standard. If the approved in-service agency has more than one department or section operating in-service programs, then only the department or section within such agency that fails to comply with the provisions of this chapter shall no longer be eligible to provide continuing education credit hours.
