

WAC 181-85-225 Appeal to professional educator standards board.

Any finding of noncompliance by the superintendent of public instruction under WAC 181-85-220 may be appealed to the professional educator standards board for review. The filing of a notice of appeal shall cause a stay of any order by the superintendent of public instruction until the professional educator standards board makes an independent determination on the issue of substantial compliance. If the professional educator standards board concurs that the approved in-service education agency has failed to substantially comply with the applicable provisions of this chapter, the professional educator standards board shall prescribe the corrective action necessary to achieve substantial compliance. Such in-service education agency or department or section within such agency, whichever is applicable, upon receipt of notice of action by the professional educator standards board, shall be denied the authority to grant any continuing education credit hours for any subsequent in-service education program until the agency provides an assurance to the superintendent of public instruction that corrective action prescribed by the professional educator standards board will be implemented.
