Provider requirements. (1) The medicaid agency pays only those providers who:
(a) Have been approved by the agency to provide chemical-using pregnant (CUP) women program services;
(b) Have been certified as chemical dependency service providers by the division of behavioral health and recovery (DBHR) under chapter 388-877 WAC;
(c) Meet the department of health hospital accreditation standards in chapter 246-320 WAC;
(d) Meet the general provider requirements in chapter 182-502 WAC; and
(e) Are not licensed as an institution for mental disease (IMD) under Centers for Medicare and Medicaid Services (CMS) criteria.
(2) Providers must:
(a) Report any changes in their certification, level of care, or program operations to the agency CUP women program manager;
(b) Have written policies and procedures that include a working statement describing the purpose and methods of treatment for chemical-using or chemical-dependent pregnant women;
(c) Provide guidelines and resources for current medical treatment methods by specific chemical type;
(d) Have linkages with state and community providers to ensure a working knowledge exists of current medical and substance abuse resources; and
(e) Ensure that a chemical dependency assessment of the client has been completed:
   (i) By a chemical dependency professional under chapter 246-811 WAC;
   (ii) Using the latest criteria of the American Society of Addiction Medicine (ASAM); and
   (iii) No earlier than six months before, and no later than five days after, the client's admission to the CUP women program.
