

**WAC 246-262-990 Fees.** (1) The fee for plan review of a new recreational water contact facility will be \$800 base fee plus an hourly rate of \$198 for each hour of review beyond four hours.

(a) The base fee must be provided to the department prior to initiating plan review.

(b) Hourly fees for plan review will be charged regardless of whether the plans are approved or not.

(c) The department may withhold the construction permit until full payment has been received.

(2) The department shall charge \$198 per hour for review of plans for alterations, renovations, or modifications of an existing recreational water contact facility.

(3) The annual fee for an operating permit for a recreational water contact facility containing one attraction will be \$756.

(4) The annual fee for an operating permit for a recreational water contact facility containing more than one attraction will be \$756 for the first attraction plus \$350 for each additional attraction up to a maximum fee of \$2,160.

(5) The department may charge an additional fee of \$609 for each additional on-site inspection beyond those provided under the annual operating permit when necessary including, but not limited to, the following:

(a) Noncompliance with water quality standards;

(b) Failure to comply with operational requirements for health and safety; or

(c) Return visits for missing a scheduled appointment time.
