WAC 246-834-066  Certified professional midwife (CPM) licensure
requirements. An applicant who holds a current North American Regis-
try of Midwives (NARM) certified professional midwife (CPM) certifica-
tion may apply for a Washington state midwife license by completing
all requirements in this section.

(i) To be eligible for a midwife license an applicant holding a
CPM shall:

(a) Complete all application requirements for licensure in WAC
246-834-060.

(b) Ensure that proof of the CPM certification is sent to the de-
partment directly from NARM.

(c) Submit to the department documentation of attendance at one
hundred births of which:

(i) At least thirty births where the applicant was the primary
attendant under supervision of a qualified attendant;

(ii) At least twenty births where the applicant directly assis-
ted;

(iii) At least fifty births that the applicant observed in addition
to births counted in (c)(i) and (ii) of this subsection; and

(iv) Documentation for (c)(i) through (iii) of this subsection
must include at least the date, client identifier, the applicant's
role at each birth, and the signature or initials of the qualified at-
tendant at the birth of either: A licensed midwife, a CPM preceptor, a
certified nurse midwife, or a practitioner licensed by their state or
jurisdiction to provide maternity care. The applicant shall submit to
the department the name and contact information of each signatory, if
available. The department may approve exceptions to the required docu-
mentation in this subsection.

(d) Submit to the department documentation of prenatal care ex-
aminations of fifty women and early postpartum care examinations of
fifty women. The same women need not be seen for both examinations.
Documentation must include at least the date, client identifier, and
the signature or initials of the qualified attendant at the care ex-
amination of either: A licensed midwife, a CPM preceptor, a certified
nurse midwife, or a practitioner licensed by their state or jurisdic-
tion to provide maternity care. The applicant must submit to the de-
partment the name and contact information of each signatory, if avail-
able. The department may approve exceptions to the required documenta-
tion in this subsection.

(e) Demonstrate competency in the use and administration of leg-
end drugs and devices described in RCW 18.50.115 and WAC 246-834-250.
The applicant shall submit documentation of competency to the depart-
ment on a department supplied form. A licensed health care professio-
nal who, within his or her scope of practice, is qualified to use and
administer legend drugs and devices described in RCW 18.50.115 and WAC
246-834-250 must sign the form.

(f) Successfully complete courses on epidemiology and obstetric
pharmacology from:

(i) An institution that is accredited by an agency recognized by
the Council for Higher Education Accreditation (CHEA) and included in
their database of institutions on programs accredited by recognized
United States accrediting organizations;

(ii) An institution that is accredited by an agency recognized by
the United States Department of Education (USDOE) and included in
their database of accredited postsecondary institutions and programs;
or

(iii) A curriculum or program approved by the department.
(2) Applicants applying under this section who have a current CPM but do not meet all of the requirements listed in subsection (1)(c) through (f) of this section may apply to the department for a trainee permit under WAC 246-834-068. The trainee permit authorizes the applicant to complete subsection (1)(c) through (e) of this section, under the supervision of a preceptor as described in WAC 246-834-067.
