

**WAC 246-924-330 Continuing education—Exemptions.** In the event a licensee fails to meet requirements, because of illness, retirement (with no further provision of psychological services to consumers), failure to renew, or other extenuating circumstances, each case will be considered by the board on an individual basis. When circumstances justify it, the board may grant a time extension. The board may, in its discretion, limit in part or in whole the provision of psychological services to the consumers until the CE requirements are met. In the case of retirement or illness, the board may grant indefinite waiver of CE as a requirement for relicensure, provided an affidavit is received indicating the psychologist is not providing psychological services to consumers. If such illness or retirement status is changed or consumer psychological services are resumed, it is incumbent upon the licensee to immediately notify the board and to resume meeting CE requirements for relicensure. CE credit hours will be prorated for the portion of that three year period involving resumption of such services.
