

WAC 246-928-430 How and when to renew a respiratory care practitioner license. This section explains how and when to renew a respiratory care practitioner license.

(1) Applications for renewal of the license for respiratory care practitioner shall be submitted on forms provided by the department, with the appropriate fee required in WAC 246-928-990. The specific requirements and process for renewal of a license are set forth in WAC 246-12-030.

(2) Renewal fees must be postmarked on or before the renewal date or the department will charge a late renewal penalty fee and licensure reissuance fee.
